Respected Sir,

I would like to thank our special guest, DR. AJAY KUMAR GAUTAM, Director Research, School of Agriculture, Faculty of Science, Abhilashi University, Mandi, Himachal Pradesh, India, for accepting our invitation and delivering an insightful lecture on AARI Bioscience webinar series session V.

The in-depth knowledge of him in the field of Plant Pathology in-particular to Rust Fungi has inspired all the young minds who participated in the webinar session. It helped us enormously in understanding the value of Rust Fungi in Plant Pathology and Agriculture. The best part is that he carried out the entire talk with the ecological and economical oriented approach, which really helps the researchers to take up any further research on rust fungi and plant pathology. In a nutshell, the talk can be considered to be a copy of reference for any researcher who wants to work on Rust fungi and Plant Pathology. He also introduced us various rust fungi of Indian region.

The overflow of knowledge is enormous from his presentation. On behalf of AARI, I heartily express my sincere thanks once again for giving us a wonderful speech.

We always look forward to your able guidance and support sir.

With Regards,

U.A.Sivaraj,
The Director,

Respected Sir,

I would like to thank our special guest, DR. AJAY KUMAR GAUTAM, Director Research, School of Agriculture, Faculty of Science, Abhilashi University, Mandi, Himachal Pradesh, India, for accepting our invitation and delivering an insightful lecture on AARI Bioscience webinar series session V.

The in-depth knowledge of him in the field of Plant Pathology in-particular to Rust Fungi has inspired all the young minds who participated in the webinar session. It helped us enormously in understanding the value of Rust Fungi in Plant Pathology and Agriculture. The best part is that he carried out the entire talk with the ecological and economical oriented approach, which really helps the researchers to take up any further research on rust fungi and plant pathology. In a nutshell, the talk can be considered to be a copy of reference for any researcher who wants to work on Rust fungi and Plant Pathology. He also introduced us various rust fungi of Indian region.

The overflow of knowledge is enormous from his presentation. On behalf of AARI, I heartily express my sincere thanks once again for giving us a wonderful speech.

We always look forward to your able guidance and support sir.

With Regards,

U.A.Sivaraj,
The Director,
AARI.
