

Late Sh. T.R. Abhilashi Ji
(24 Oct., 1940 to 15 Dec., 2005)

Founder of Abhilashi Group of Institutions

*An Eminent Educationist
and Social Reformer
with a Vision of
Institutional
Building and
Academic Excellence.*

Abhilashi University at Chailchowk, Mandi is established by the Government of Himachal Pradesh vide “Abhilashi University (Establishment & Regulation) Act, 2014”. Abhilashi University is a Government recognized University with a right to confer degrees as per the Section 2(f) and 22(1) of the UGC Act, 1956. The campus of the University is located at Chailchowk near Mandi (H.P) and surrounded by lush green fields, pine and oak forests thus becomes an ideal place for study in a clean health-oriented environment. The aforesaid was the forethought of the Abhilashi Educational Society selecting such a beautiful location for the University. There are a number of places worth visiting nearby the University such as Nachan Valley, Jeeuni Valley, Janjehli Valley, Balh valley, Sundernagar and Mandi towns. One can also enjoy snowfall once a while during the winter season. The fresh and pollution free air of this region keeps the minds of the students fresh and help them to concentrate on their studies and beat the crowd.

The management of the University, Abhilashi Educational Society, is a pioneer in managing private educational institutions in the state of Himachal Pradesh. The foundation stone of the

society was laid by Late Sh. Tulsi Ram Abhilashi Ji on May 21, 2001. The students and their parents have put faith in the quality education imparted by efficient and dedicated faculty of institutions managed by Abhilashi Education Society for the last 15 years. The society is presently running many educational institutions of basic and technical education in the region. It includes: Abhilashi P.G. College of Education at Nerchowk, Mandi established in 2003 and running JBT, B.Ed., M.Ed.; Abhilashi Institute of Management Studies, Nerchowk, since 2005 imparting education in BBA, BCA and MBA; Abhilashi College of Pharmacy, Tanda, Balt, Mandi from 2006 and onwards admitting students for B.Pharmacy degree programme; Abhilashi Institute of Life Sciences and PG Sciences, Tanda, Balt, Mandi admitting students for graduate and master programmes in Bio-Tech. and Micro-Biology since 2007 and from academic session 2010-11 onwards for M.Sc. Physics, Chemistry and Botany; T.R. Abhilashi Memorial Institute of Engineering and Technology (TRAMIET) established in 2009 for imparting education in the Diploma, B.Tech. and M.Tech. programme in different disciplines of engineering and technology.

Vision

Excellence in professional and technical education through dedication and innovative research.

Our Mission

- * To provide environment for achieving excellence in education.
- * To create and generate environment for quality education.
- * To impart quality education through value-based & industry-based curriculum.
- * To strengthen in humanistic, social and moral values.
- * To plant education and qualities of leadership in minds of students for future development of the nation.

I take this opportunity to make reference to the high thinking of Swami Vivekananda, the great philosopher and the son of our great country whose philosophy of education was: “If you want to plan for one year, plant rice; if you want to plan for ten years, plant a mango tree; if you want to plan for one hundred years; plant education and qualities of leadership in the minds of men”.

We follow the above mentioned pious philosophy of Swami Vivekananda by earnestly endeavouring to plant innovative, creative, quality education and high qualities of leadership in the minds of our brilliant, hardworking and inquisitive students through our dedicated, devoted, research oriented and highly qualified faculty. We impart excellent education to the students to transform them into global leaders who innovate, manage and bring effective changes in the competitive organisations with diverse visions and missions. Our stress is on the overall development of personality of our students so that they adapt and adjust to any situation being faced in the era of liberalisation, privatisation and globalisation without any stress and strain and deliver their maximum output for the betterment of the society.

I extend my very warm welcome to all the prospective and aspiring students to join our University and other Institutions of the Group and honestly assure them that they will shine in their career, beat the crowd of this competitive world and realise their cherished missions after completing their education from our University and other Institutions of higher learning.

Dr. R.K. Abhilashi
Chancellor

The Abhilashi University and other Institutions of Abhilashi Group of Institutions are the pioneer in higher education and are the best destination for the aspiring students who want to use their fertile minds to optimum for excelling in their studies and beating the crowd of this competitive and fast-changing world.

I believe that no country can advance and progress unless the youth of that country is given right direction at right place of education at right time. With this forethought and philosophy, we plan quality education for our students so that they realise their dream and attain unimaginable and incredible heights in their lives and be capable to meet all challenges of dynamic world squarely and deliver results for the betterment and development of the nation and world in turn.

In addition to the above, we always plan the education in our University and other educational institutions of our Group in such a way that the overall personality of our students is developed so that they not only prove better professional, technocrats or academicians but also become better citizens who value the Indian culture, practice the same and become the epitome of the Indian ethics and social conduct. Thus we endeavour to transform our students into perfect citizens.

I extend my sincere welcome to all the aspiring students who are going to join our premier University and other Institutions of our Group and I honestly wish them success in their academic and social pursuits.

Er. L.K. Abhilashi
Pro-Chancellor

Prof. H.S. Banyal, a renowned academician, completed his B.Sc.(Hons.) and M.Sc.(Hons.) in Zoology from Panjab University, Chandigarh and Ph.D. from Central Drug Research Institute, Lucknow. He carried his postdoctoral research at St. Louis University and Dartmouth University in U.S.A. He also visited British Columbia University, Vancouver and Calgary University in Canada in connection with his research work. Prof. Banyal worked as Professor and Head, Department of Zoology, Panjab University, Chandigarh; Professor and Head of Biosciences Department. He also served as Dean Faculty of Life Sciences, Dean Students Welfare, Dean Planning and Teachers Matters and Dean of Studies in Himachal Pradesh University, Shimla. He has published 153 research papers and two books on malaria and supervised 17 Ph.D. and 26 M.Phil. students for their research degrees. Being Life Member of Indian Society of Parasitology, he has attended about three dozen national and international conferences in India and abroad and is in the editorial board of high quality research journals. His research interests also include faunal diversity and its conservation in Himachal Pradesh.

Welcome to Abhilashi University at Chail Chowk, District Mandi, Himachal Pradesh, a venture in higher education by Abhilashi Education Society. Situated in a serene environment surrounded by Gohar and Balh valleys and nature's paradise of green lush fields, oak and pine forests make Abhilashi University an ideal institution to associate with. Abhilashi University is an institution which rears its students in their mission of literacy and education.

University means centre of higher education. It nurtures the individual's ability to interpret, to distinguish between right and wrong,

Prof. H.S. Banyal
Vice-Chancellor

to enhance the appetite for curiosity and to discover the answer to hidden unsolved problems. Education is manifestation of perfection already present in man. The main focus in learning should be to make the hidden ability of learner manifest. As Vivekananda said, what a man 'learns' is really what he 'discovers', by taking cover off the human soul, which is mine of infinite knowledge. According to Vedanta philosophy, knowledge is inherent in human being, like a spark in a piece of flint and all that is needed is the strike of suggestion to bring it out. Real education is that which enables one to stand on one's own legs. Education must be considered as a continuous and lifelong process. Teachers and designers of education system must always keep in mind the Vedanta idea that whatsoever good or bad impressions a mind carries, a human being is essentially pure and divine and repository of immense possibilities. Everyone should get equal opportunity to learn and grow irrespective of one's financial abilities. Discovery is the main focus of universities. Universities are to solve the unsolved issues, to answer the unanswered questions, to encourage the innovative and imaginative ideas to nurture a state of mind that is flexible and alert and to educate the individuals about modesty and humanity. Abhilashi University is synonym with this. We at Abhilashi University educate our students and prepare them for a life time of responsibility with dedication through creation of knowledge by learned and efficient faculty, well equipped laboratories and library. Abhilashi University is established with a vision to make quality higher education within reach to aspiring technocrats and to disseminate knowledge to them in their ability to be job providers instead of job seekers. I assure the young minds joining Abhilashi University that you will certainly achieve satisfaction in your academic pursuits to attain future endeavours. Academic environment is imperative to educate the naive technocrats to excel in their skills and Abhilashi University is a light house, well-equipped to impart versatile training in various disciplines to ensure maximum on - campus placements of its graduates. My best wishes to students & parents who are associated with Abhilashi University.

The mandate of the University is to impart education in diverse professional courses with special emphasis to Medical, Pharmacy, Engineering, Social Sciences, Legal Studies, Agriculture and other allied Faculties, furthering the advancement of learning and prosecution of research and undertaking extension of such sciences, especially to the rural people of Himachal Pradesh. Abhilashi University made a beginning in this direction and we are committed to significantly transform and improve the living standard of the society.

Abhilashi University has been established by the Himachal Pradesh Government vide ordinance No.3 of 2014 dated 14.08.2014 at Chailchowk in Mandi District of Himachal Pradesh. Abhilashi University is approved by UGC and it is recognized university with a right to confer degrees as per the Section 2(f) of the University Grants Commission Act, 1956. Today, Abhilashi University is just in its infant stage after completing just two year of its establishment. Still the University has earned its name in the country. The university will equip all the students with the wisdom to lead their lives in a righteous and responsible manner. It will offer its students an atmosphere for the development of character with enriched virtues and noble ideals. Hence the system of education in the university will be holistic one which will draw out the knowledge, values and wisdom present in a latent form in the student and synthesis of science and spirituality will be an important component of the whole process. This University will not merely prepare students for earning degrees but will cultivate self-knowledge and self-realization. Spiritual education will be integrated harmoniously with ethical, physical, and metaphysical teachings. We will integrate ethics and values as the undercurrent of every subject for which we will adopt the integrated approach of value oriented education through all academic programmes and activities. Our stress will be on character building of the youth, and integration of academics with sports, arts, and social service. We will create a spiritual ambience and disciplined environment in the University campus which is the backbone of any civilized society. Efforts will be made to blend contemporary knowledge with inherited spiritual values for the societal benefit by inculcating the spirit of self-reliance among students. On the whole, we hope all applicants would seek admission at large number and get benefitted.

Prof. A.S. Guleria
Dean of Studies

It is my proud privilege to extend a very warm welcome to the students desirous of seeking admissions in the Abhilashi University which has been a leader in imparting innovative, creative, scientific, interactive and value based Professional and Technical education to its students.

Today, the scope of knowledge is expanding more rapidly. It is, therefore, imperative for the Universities to be ready for imparting latest knowledge to their students by blending the professional and technological education for the overall academic development of the students and creating excellent skilled human resource for the country. Our University is well equipped in all respects to meet this challenge and achieving the aforesaid by employing highly qualified faculty and following the interactive teaching and learning techniques which multiplies the world changing ideas. It is well said that if we exchange one rupee with each other, we still have one rupee each. But if we exchange one idea, we shall have two ideas each. The ideas change the personality and thinking of our student who will in turn effect changes in the professional and technological world.

Abhilashi University is committed to provide excellent teaching, learning and research under five Faculties : B.A.M.S; B.Sc. (Hons) Agriculture; B. Pharmacy (Allopathy); Diploma in Pharmacy; B. Tech (Civil Engg and Mechanical Engg); MA (Edu.); M.Sc. Zoology; M.Sc. Chemistry; BPT (Bachelor of Physiotherapist); M. Pharmacy (Pharmaceutics); M.Tech (Civil Engg), M. Tech (Mechanical Engg), B.A. LL.B (Five Years integrated Proposed Course), M.Phil. Chemistry, Zoology, Ph.D. in Zoology, Chemistry and Pharmacy programmes during the present academic session 2016-17.

The University has excellent lecture halls, laboratories, seminar halls, tutorial rooms, computer labs, play grounds, hostels and well equipped hospital of Abhilashi Ayurveda College and Research institute with highly professionally qualified team of doctors, faculty members and supporting staff.

I am very sure in my mind that all our prospective students will definitely emerge skilled human resource in technological and professional fields after completion of their studies at par excellence Abhilashi University. I wish them good luck and success in their missions.

Admission for session 2016-17

Abhilashi University aims to impart quality education to its students by applying modern scientific techniques. University follows CBCS and Semester System (Annual System for BAMS, BPT and Diploma in Pharmacy) for teaching and evaluation. Each semester of study has minimum requirement of attendance and pass percentages in theory and practical examinations. Each course is defined in terms of credit hours for lectures, tutorials and practical classes. A student is registered to each course in the beginning of the programme. The duration of the course is given under the respective faculty. Each semester will have mid-term and end-semester examinations.

Admission to academic session 2016-17 will be based on National level/State level entrance test and Combined Entrance Test (AUCET-2016) of Abhilashi University.

Documents required at the time of Admission

The following certificates/documents (self attested by the candidate) be submitted along with the admission form:

1. Three passport size photographs.
2. Matriculation certificate.
3. 10+2 Examination pass certificate.
4. Detailed marks sheets of all semesters of graduation, in case student is seeking admission in post graduation programme.
5. SC/ST/OBC certificate, if applicable.
6. Original Character certificate from institution last attended. In case there is a gap in studies, character certificate issued by Tehsildar/SDO(C) of the area.
7. Original Migration certificate. In case it is not available at the time of admission then the student may submit it within one year failing which result of third semester will not be declared.
8. An affidavit in case there is a gap in studies.
9. Copy of Aadhar card.
10. Low income group candidate may submit income certificate issued by Tehsildar/SDO(C) for scholarship purpose.

Important dates for AUCET-2016

Abhilashi University will admit students for the session 2016-17 in the disciplines of Ayurveda, Agriculture, Basic Sciences through Entrance Test AUCET - 2016. The examination centres for AUCET- 2016 will be at Chailchowk and Gangtok (State of Sikkim) except for BAMS. The centre for BAMS entrance examination will be at Abhilashi University campus Chailchowk.

The schedule of examination is given below:

Course	Last Date of Applications	Date of Entrance Test	Eligibility
BAMS & BPT	14/07/2016	17/07/2016	10+2 (Medical)
B.Sc(Hons.) Agriculture	10/06/2016	26/06/2016	10+2 (Science)
M.Sc. Zoology, Chemistry/MA Edu.	07/07/2016	10/07/2016	B.Sc. in related subject/B.A.
M.Phil.(Zoology, Chemistry)	28/10/2016	30/10/2016	M.Sc. in related subject
Ph.D. (Zoology, Chemistry & Pharmacy)	28/10/2016	30/10/2016	M.Sc./M.Phil/M.Tech in related subject

1. Admission to other programmes will be made on the basis of merit/marks obtained in National level/ State level/ Other state level tests conducted by Govt. of Sikkim/ Manipur/ Arunachal Pradesh/ Tripura/merit in qualifying exam.
2. Lateral Entry candidates will be admitted directly to B.Tech. and B.Pharmacy
3. MCQ type test will be of two hours duration for each course.

4. The syllabus of test will be of class given under eligibility.

How to Apply

1. The first step is to satisfy yourself about your eligibility for the course you have chosen to pursue at Abhilashi University.
2. Fill the admission form. The admission form is available in the prospectus or can be downloaded from university website www.abhilashiuniversity.in.
3. Complete the form and attach all the relevant documents to the admission form.
4. Completed admission form alongwith relevant documents be sent to Registrar, Abhilashi University, Chailchowk, Tehsil Chachyot, Distt. Mandi (H.P.) - 175028.

In case, a candidate is eligible and wishes to apply for more than one course he/she should clearly mention the name of the course preference wise at the top of the application form.

Abhilashi Ayurvedic College and Research Institute

(A Department of Abhilashi University)

Dr. D.K. Mishra

Prof. D.K. Mishra completed BAMS from Sampurnanand Sanskrit University, Varanasi and M.D. Kayachikitsa from Institute of Post Graduate Training & Research in Ayurveda, Shyamadas Vidyapeeth, Kolkata. Prof. Mishra has more than 24 years of teaching and administrative experience. He

served as Professor and Vice Principal SGM Ayurvedic College and Hospital, Nandganj, Sahari Ghazipur, U.P.; Principal SUDAC Hoshiarpur; Principal JIAR Jammu; Professor and Principal at Guru Nanak Ayurvedic College, Gopalpur, Punjab.

Ayurveda is a system of medicines. When translated from Sanskrit, Ayurveda means ‘the science of life’. It provides us the knowledge of how to prevent diseases and to eliminate the root cause if it does occur.

Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is situated at such a place, the surroundings of which are so picturesque which make it more suitable for teaching and training of

Ayurvedic education and research. The surrounding flora is rich in important medicinal plants. Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is running graduation level programme, Bachelor of Ayurvedic Medicine and Surgery (BAMS), which is recognized by Central Council of Indian Medicine (CCIM), Government of India. New Delhi.

Abhilashi Ayurvedic College and Research Institute has its own multi-speciality 60 bedded hospital, well furnished pharmacy and herbal garden of 5000 m² area with more than two hundred species of medicinal plants. In addition to Central Library, Abhilashi Ayurvedic College and Research Institute has its own working library with 5515 books and 15 national journals. The library has online access for books and journals.

The aims and objectives :

1. To promote the growth and development of Ayurveda.
2. To produce graduates who could efficiently serve in State Ayurvedic Health Services and also as Ayurvedic Practitioners.
3. To provide health care to patients by specialists of various fields of Ayurveda.
4. To co-ordinate with other States and National Health Services for providing complete health care.
5. To conduct “re-orientation” training programmes for Ayurvedic Physicians.

Abhilashi Ayurvedic College and Research Institute is running BAMS programme on the annual system of teaching and evaluation.

Duration :

Five and a Half years including Compulsory Rotatory Internship

of one year.

Seats : 60

Eligibility:

10+2 examination passed with PCB and securing 60% marks in aggregate for general category and 55% for SC/ST candidates who have appeared for AUCET-2016. Candidates securing 50% marks in aggregate for general category (40% for SC/ST categories) who have appeared in BAMS State level Entrance Test conducted by Himachal Pradesh University, Shimla.

Admission:

Admission will be made on the basis of merit of the entrance examination conducted by Abhilashi University (AUCET-2015).

Bachelor in Physiotherapy, B.P.T.

Duration : 4 Years teaching and 6 months internship.

Seat : 30

Eligibility :- A candidate who has passed (10+2) examination (Medical Stream, PCB) or equivalent from a recognized Board of Education with 50% marks (45% for SC/ST).

Admission : The eligible candidates have to appear in the Entrance Test conducted by Abhilashi University. The admission will be made on the merit basis of the Entrance Test.

Academic Calendar for the session 2016-17

B.A.M.S. Programme

First, Second and Third Year

S.No.	Activity	Date		
		1st Year	2nd Year	3rd Year
1.	Admission and Registration	July-Oct. 2016, as per CCIM norms	Sept. 2016	Sept. 2016
2.	Session	12 Months	12 Months	12 Months
3.	1st House Test	Dec. 2016	Dec. 2016	Dec. 2016
4.	2nd House Test	June 2017	June 2017	June 2017
5.	University Examination	Aug. 2017	Aug. 2017	Aug. 2017
6.	Declaration of Results	Sep. 2017	Sep. 2017	Sep. 2017
7.	Winter Vacation	01-01-2017 to 31-01-2017	01-01-2017 to 31-01-2017	01-01-2017 to 31-01-2017
8.	Summer Vacation	01-07-2017 to 20-07-2017	01-07-2017 to 20-07-2017	01-07-2017 to 20-07-2017

Note : The session of 2nd & 3rd Years will start from 1st week of Sept. 2016

Hospital

Abhilashi University has its own 60 bedded multispeciality hospital. It provides the basic facilities for clinical training and research for BAMS students. The hospital has well equipped operation theatre and a labour room. The Panchkarma and Ksharsutra facilities are well established. The hospital has laboratory investigation facilities of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG etc. Hospital has sufficient numbers of staff members i.e. Medical Specialist, Medical officers and other supporting staff as per CCIM Norms.

School of Agriculture

Dr. R.C. Thakur

School of Agriculture

The faculty is headed by Dr. R.C. Thakur as Dean. Dr. Thakur is M.Sc. Agri. Ph.D. in Agronomy and has served as Director of Research at H.P. Krishi Vishvavidyalaya, Palampur before joining the University. Dr. Thakur is Fellow and Life Member of Indian Society of Agronomy, Function Area Expert (FAE) and Environment Coordinator (EC), he has guided 8 M.Sc. and 15 Ph.D. students and has published over 100 Research and Extension Education papers. He has worked as a consultant from July 2007 to July 2014 for preparing Catchment Area treatment Plants (CAT-Plan) for Satluj and Beas River Basins, from April, 2013 to July, 2014 with The Energy Resource Institute (TERI), New Delhi for Mid Himalayan Watershed Development Project.

Modern agriculture practices are increasingly turning out to be knowledge based and hence gaining expertise in them is exceedingly important.

India does require agricultural education at all levels so that Indian farmers are better equipped to handle the threats of globalization. These days with the entry of foreign direct investment (FDI) in the sector, many MNCs have forayed into the segment with dozens of agro-products; subsequently this has resulted as a threat to Indian farmers who lack professional expertise to better deal with the issue. Hence the need of the hour is to give agricultural education a high priority. India is yet to emerge as a significant trade partner in the world agriculture market. Presently India holds around 1% of the global trade in agrocommodities, which is very less as compared to huge workforce engaged in this field. Thus there are exciting opportunities for young people in agriculture, particularly for those who are not averse to change. Many graduates in the rural sector follow careers in farming and the management of agricultural and other rural businesses, as well as consultancy or advisory roles to business firms, private clients or government. There are also significant career opportunities in the area of food production and supply management, including consumer research through manufacturing, distribution and the industries supporting agriculture and horticulture. The course has immense opportunities under the “Starup Scheme” launched recently by Hon’ble Prime Minister of India.

Faculty of Agriculture is offering B.Sc. Agriculture (4-year course spread over 8 semesters) with an intake capacity of 120 students. Under the co-education system, the students are

admitted to the course after an entrance test conducted by the University.

During the 7th Semester, a student chooses one of the five electives from amongst, 1) Crop Production, 2) Crop Protection, 3) Horticulture, 4) Post-Harvest Technology and 5) Agri. Business Management in which they receive extensive training and become proficient in managing that field or equip himself/herself for pursuing higher studies.

After having taught basic courses in Agriculture, Animal Husbandry, Horticulture and basic Sciences during the first 3.5 years of the degree programme, we have in the course curriculum a six week exposure of the students in complete rural settings during the 8th Semester where the students will go and live along with farm families in a village and have the firsthand experience of their living, agricultural practices, difficulties, and expectations. For next 12 weeks the students will be attached to an agriculture based industry in order to acquaint themselves with post-harvest processing of agricultural produce and link agricultural production with industry.

The faculty has highly qualified teachers, well equipped laboratories, class rooms and well laid out terraced student's farm representing typical hilly terrain. Occasional snowfall during the winter adds to the beauty of University campus and places it at a location which is marginal to temperate as well as sub-tropical agro climatic conditions, thus enabling teaching and research under both the situations.

The practicals of the student's training are backed by thorough field training and exposures at farmer's fields. The students are encouraged to participate in co-curricular activities, sports events and other cultural activities of local and national/international significance.

A group of 3 to 4 students is allotted a piece of land

where they are required to raise the seasonal field and vegetable crops. The inputs are provided by the University and the students are required to raise the crops under the guidance of respective teacher. The students can sell their produce in the local market and retain the profit. They are evaluated on the basis of their field record, stand of the crops, and the profit earned. This provides them a good practical exposure.

Course : B.Sc. (Hons.) Agriculture

Duration : Four Years (8 Semesters)

Seat : 120

Eligibility :

Candidates having passed 10+2 with science and secured not less than 60% marks in aggregate for general category and 55% for SC/ST who have appeared for AUCET-2016. Candidates securing 50% marks in aggregate for general category (40% for SC/ST categories) who have appeared in state level entrance test conducted by CSK Himachal Pradesh University, Palampur or Dr. Y.S. Parmar University of Horticulture and Forestry, Nauni (Solan).

Admission

Admission will be made on the basis of merit of the entrance examination conducted by Abhilashi University (AUCET-2016) or CSK HPKV Palampur or Dr. Y.S. Parmar UHF Nauni (Solan).

Faculty

1) Dr. R.C. Thakur

Designation : Dean-Prof.
Qualification : Ph.D.
Subject : Agronomy
Experience : 42 years

2) Prof. A.S. Guleria

Designation : Professor
Qualification : Ph.D.
Subject : Resource Management
Experience : 40 Years

3) Dr. S.S. Masand

Designation : Professor
Qualification : Ph.D.
Subject : Soil Science
Experience : 35 years

4) Dr. B.S. Deor

Designation : Professor
Qualification : Ph.D.
Subject : Agronomy
Experience : 32 years

5) Mr. Khoob Ram Thakur

Designation : Asst. Prof.
Qualification : M.Sc, Ag.
Subject : Agronomy
Experience : 32 years

6) Dr. Ajay Kumar Gautam

Designation : Asst. Prof.
Qualification : Ph.D.
Subject : Botany
Experience : 4 years

7) Ms. Nisha Thakur

Designation : Asst. Prof.
Qualification : M.Sc., Ph.D.
Subject : Vegetable Science
Experience : 1 Year

8) Mr. Shatruhan Jaiswal

Designation : Asst. Prof.
Qualification : M.Tech
Subject : (S.W.C.E.)
Experience : 1 year

9) Ms. Kalpana Sharma

Designation : Asst. Prof.
Qualification : M.Phil. Zoology
Subject : Entomology
Experience : 2 Years

10) Ms. Yogita Thakur

Designation : Asst. Prof.
Qualification : M.Sc.
Subject : Microbiology
Experience : 4 Years

11) Ms. Shivani Kaundal

Designation : Asst. Prof.
Qualification : M.Phil
Subject : Botany
Experience : 3 Months

12) Dr. Aakriti Guleria

Designation : Asst. Prof.
Qualification : Ph.D.
Subject : Microbiology
Experience : 4 Years

13) Ms. Deepika Singh

Designation : Asst. Prof.
Qualification : M.B.A.
Subject : Agri. Management
Experience : 2 year

Infrastructure facilities available in faculty of Agriculture for the Academic Session 2016-17

1. Class rooms accommodating 60 students each	Four
2. Laboratories :	
1. Agronomy	One
2. Genetics and Plant Breeding	One
3. Soil Science	One
4. Plant Pathology	One
5. Entomology	One
6. Agril. Engineering	One
7. Horticulture, Veg. Science /Floriculture	One
8. Computer Lab	One
3. Meteorological Observatory	One
4. Student's Farm for field training (20 Bighas)	One
5. Horticulture Farm (4 Bighas)	One
6. Power Tiller	One

School of Pharmacy

Dr. L.Raju

The Faculty of Pharmacy is headed by Prof. L. Raju as Dean. Prof. Raju is M.Pharm., Ph.D. from JSS College of Pharmacy, Dr. MGR Medical University, Chennai, TN. He also remained Principal in Vivekananda College of Pharmacy, Bengaluru. He has vast experience in the field of education and research with many accolades in developing profession of pharmacy in India. Also he is active member of APTI and IPA with a mission “A Passion for Excellence”.

School of Pharmacy is approved by AICTE and PCI. Pharmacy is the science and technique of preparing and dispensing medicines. It is a health profession that links health sciences with chemical, biological sciences and aims to ensure the safe and effective use of medicines. The scope of pharmacy profession includes more traditional roles such as compounding and dispensing medications, services related to health care, clinical services, reviewing medications for safety and efficacy, and providing drug information. Pharmacists are experts on drug therapy and are primary health professionals who optimize use of medication for the benefit of patients and society.

The teaching and learning process at Abhilashi University is designed to produce right combination of skills, knowledge and attitude. Apart from curriculum the University provides a unique environment to the students that promotes culture, art, sports and human values with several informative, competitive and extracurricular activities.

Undergraduate Programme

Bachelor of Pharmacy

Duration : 4 years

Seats: 60

Eligibility :

Candidate having passed (10+2) with science examination/equivalent examination conducted by the recognized Education Board/University /Council with 60% in aggregate (55% for SC/ST)

The Admission to B. Pharmacy first year degree course shall be made on the basis of merit of HPCET of the corresponding year. In case the seats remain vacant after exhausting the merit of HPCET the remaining seats will be filled up on the basis of merit of 10+2 examination conducted by the recognized Board/University.

Note : The minimum/cut off marks to seek admission to B.Pharmacy degree course on the basis of HPCET and 10+2 shall be as follows :

Name of Exam	General Categories	Reserved Categories
HPCET	20%	15%
10+2	55%	50%

Wherein the % indicates the marks obtained by the candidate in the entrance test/10+2 examination out of the total marks assigned in the entrance/ examination.

Admission:

The eligible candidates will have to appear in the Entrance Examination conducted by H.P. Technical University or merit in the qualifying examination.

Lateral Entry:

Passed diploma examination from an AICTE approved

institution with 45% marks for general category and 40% for the SC/ST category candidates.

Diploma in Pharmacy

Duration : 2 years.

Seats: 60.

Eligibility:

Candidate having passed (10+2) with science examination/equivalent examination conducted by the recognized Education Board/University /Council with 50% in aggregate (45% for SC/ST. The eligible candidate should fulfill the minimum entry level qualifications prescribed by AICTE/PCI.

OR

Any Examination of College / Education Board/ University in a foreign country recognized by the Academic Council as equivalent for the purpose.

Postgraduate Programme

M. Pharmacy & Ph.D. in Pharmacy

Master in Pharmacy M.Pharma (Pharmaceutics)

Duration: 2 years (4 semesters).

Seats: 18.

Eligibility: The admission to M.Pharmacy degree course shall be made on the basis of merit of valid GPAT score.

In case the seat remain vacant after exhausting the merit of GPAT the vacant seat will be filled up on the basis of merit of HPCET of corresponding year.

In case the seat remain vacant after exhausting the merit of National Level Test and HPCET, the seats will be filled up on the basis of merit of B.Pharmacy degree awarded by the recognized University.

Note : the minimum cut off marks to seek admission to M.Pharmacy degree course on the basis of HPCET and B.Pharmacy examinations shall be as follows :

Name of Exam	General Categories	Reserved Categories
HPCET	20%	15%
B.Pharmacy	60%	50%

Admission :

Admission will be made on the basis of GPAT, merit of the Entrance Examination conducted by H.P. Technical University and AUCET - 2016.

Faculty

- 1) **Dr. L. Raju**
 Designation : Dean
 Qualification : M. Pharm, Ph.D.
 Specialization : Pharmaceutics
 Experience : 19 years
- 2) **Mr. Atul Kabra**
 Designation : Asst. Prof.
 Qualification : M.Pharma, Ph.D (Persuing)
 Specialization : Pharmacology
 Experience : 4 years
- 3) **Mrs. Ruchika Kabra**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmachemistry
 Experience : 4 years
- 4) **Ms. Monika Rana**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmacognosy
 Experience : 3 year

- 5) **Mrs. Meenakshi Rana**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmaceutical Chemistry
 Experience : 3 years
- 6) **Ms. Shashi Chauhan**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmacology
 Experience : 2 months
- 7) **Mr. Abhishek Soni**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmaceutics
 Experience : 2 Years
- 8) **Ms. Shivani Thakur**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmacology
 Experience : 1 Year
- 9) **Ms. Bhimi Devi**
 Designation : Lecturer
 Qualification : B. Pharmacy
 Experience : 1 Year

- 10) **Ms. Anita Kumari**
 Designation : Lecturer
 Qualification : B. Pharmacy
 Experience : 1 Year
- 11) **Mr. Nishant Gautam**
 Designation : HOD
 Qualification : M. Pharmacy
 Specialization :
 Experience : 6 Years
- 12) **Ms. Chinu Kumari**
 Designation : Asstt. Prof.
 Qualification : M. Pharmacy
 Specialization :
 Experience : 2 Years
- 13) **Mr. Chirag Kapoor**
 Designation : Asstt. Prof.
 Qualification : M. Pharmacy
 Specialization :
 Experience : 3 Years
- 14) **Ms. Richa Thakur**
 Designation : Asstt. Prof.
 Qualification : M. Pharmacy
 Specialization :
 Experience : 4 Years
- 15) **Ms. Ritika Verma**
 Designation : Asstt. Prof.
 Qualification : M. Pharmacy
 Specialization :
 Experience : 4 Years
- 16) **Ms. Aliya Sheikh**
 Designation : Asstt. Prof.
 Qualification : M. Pharmacy
 Specialization :
 Experience : 6 Months

Infrastructure Facilities available in faculty of Pharmacy for the Academic Session 2016-17

1. Class rooms Seven

Name of Laboratories :

1. Pharmacognosy -2
2. Pharmaceutics - 3
3. Pharmacology - 2
4. Pharmaceutical -Analysis - 1
5. Anatomy, Physiology and H.E. -1
5. Pharmaceutical Chemistry -2
6. Pharmaceutical Microbiology -1
7. Central Instrumentation Room -1
8. Machine Room - 1
9. Computer Room - 1

School of Engineering

Dr. S.C. Chauhan

It gives me immense pleasure to welcome you to AU. Over the years, AU has evolved to reach and hold a unique position of pride in the technical education by consistently creating competent professionals and with good ethic values. We teach students theories and concepts with a culture of inquisitiveness and use multiple methods to impart the required knowledge to develop the skills and attitudes through lectures, video and virtual, simulations, industrial visits, case studies, model design, industrial interaction, workshop, sports, and seminar. At AU, students become immersed in its culture of rigorous analysis and the process of learning will enable and encourage the students to challenge conventional wisdom and come up with innovative solutions to industry, society and nation. At AU the good class attendance, class test, class

assignment, MCQ test, industrial technology training, telephonic interview, GD, virtual interviewer process, communication class training and many other activities can provide to develop the students career and good future.

We provide engineering area technology for all engineering students.

1. Top industry, industrial interaction provided by top industry person in each semester 3 to 4 times for different industry.
2. Top university professor provide guest lecture, for all semester students at innovate concept, engineering technology; recently come in all new technology at engineering field.
3. We provide the international education quality in a class room.

School of Engineering is running the following academic programmes:

Undergraduate Programme:

1. Bachelor of Technology (B.Tech.) in Civil Engineering.
2. Bachelor of Technology (B.Tech.) in Mechanical Engineering.

Post graduate Programme:

1. Master of Technology (M.Tech.) in Civil Engineering.
2. Master of Technology (M.Tech.) in Mechanical Engineering.

B.Tech.

Duration : 4 Years (8 Semester)

Civil Engineering = 60 Seats

Mechanical Engineering = 60 Seat

Eligibility and Admission Criteria for Under Graduate Programs

1. The admission to B.Tech first year degree course shall be made on the basis of merit /rank /score obtained in JEE (Main) of the corresponding year.
2. In case the seats remain vacant after exhausting the merit of JEE (Main) the remaining seats will be filled up on the basis of merit of Himachal Pradesh Common Entrance Test (hereinafter referred to as HPCET) of the corresponding year.
3. In case the seat remain vacant after exhausting the merit of JEE (Main) and HPCET. the remaining seats will be filled up on the basis of merit of 10+2 examination conducted by recognized Board or University.

Note : The minimum cut off marks to seek admission to B. Tech degree course of the basis of JEE (Main), HPCET and 10+2 shall be as follows :

Name of Exam	General Categories	Reserved Categories
JEE (Main)	15%	10%
HPCET	20%	15%
10+2	55%	50%

Wherein the % indicates the marks obtained by a candidate in the entrance test / 10+2 examination out of the total marks assigned to the entrance test / examination.

M.Tech

Duration : 2 Years (4 Semester)

Eligibility and Admission Criteria for Post Graduate Programs

The admission to M.Tech degree course shall be made on the basis of valid GATE Score

In case the seats remain vacant after exhausting the merit of GATE the vacant seats will be filled up on the basis of merit of HPCET of the corresponding year.

In case the seat remain vacant after exhausting the merit of National Level test and HPCET. The remaining seats will be filled up on the basis of merit of B.E./B.Tech degree awarded by a recognized University.

Note : The minimum cut off marks to seek admission to M.Tech degree course on the basis HPCET and B.E./B.Tech examinations shall be as follows :

Name of Exam	General Categories	Reserved Categories
HPCET	20%	15%
B.E. B.Tech	60%	55%

Wherein the % indicate the marks obtained by a candidate in the entrance test/ B.E./ B.Tech degree examination out of the total marks assigned to the entrance test/ examinations.

School of Management

In the changing global scenario the importance of management has increased in our life. Applying the critical thoughts in management one can live a better and comfortable life.

The aim of School of Management is to deliver an education to the students to meet the standard of the corporate world and the dedicated faculty is endeavouring towards the goal of the school.

Master of Business Administration (MBA)

Duration : 2 Years (Four Semesters)

Seats :- 40

Eligibility and Admission : The admission to MBA degree course shall be made in the order of merit of valid score of National Level Tests CAT, CMAT, MAT, etc. respectively.

In case seats remain vacant after exhausting the merit of National Level Tests the same shall be filled up on the basis of merit of HPCET of the corresponding year.

In case the seats remain vacant after exhausting the merit level tests and HPCET, the remaining seats will be filled up on the basis of Bachelor degree of examinations conducted by any recognized University.

Note : The minimum cut off marks to seek admission to MBA degree course on the basis of National, HPCET and bachelor degree examinations shall be as follows :

Name of Examination	General Categories	Reserved Categories
CAT, CMAT, MAT, etc.	10%	05%
HPCET	20%	15%
Bachelor Degree	60%	55%

Wherein the %age indicates the marks obtained by a candidate in the Entrance Test / Bachelor Degree Examination out of the total marks assigned to the Entrance Test / Examination.

Faculty

- Dr. A.S. Guleria**
Designation : Professor
Qualification : Ph.D.
Experience : 40 years
- Dr. Jatinder Kaur**
Designation : Asstt. Prof.
Qualification : M.B.A.,

Qualification : M.B.A.
Experience : 2 Years

School of Basic Sciences

Courses : M.Sc. Chemistry, Zoology
M.Phil. Chemistry, Zoology
Ph.D. Chemistry, Zoology

M.Sc. Chemistry

Duration : 2 years (Four Semesters)

Seats : 30

Eligibility : A candidate who has passed Bachelor degree of a recognized university with chemistry as one of the subjects of study with 50% marks (45% for SC/ST).

Admission : Admission will be made on the basis of merit in the Entrance test conducted by Abhilashi University.

Faculty

1. **Dr. S.C. Chauhan**
Designation : Professor
Qualification : Ph.D.
Experience : 34 years
2. **Dr. S.K. Shukla**
Designation : Assoc. Prof.
Qualification : Ph.D.
Experience : 10 years
3. **Dr. Anushree Gupta**
Designation : Asst. Prof.
Qualification : Ph.D.
Experience : 3 Years

M.Sc. Zoology

Duration : - 2 years (Four Semesters)

Seat - 30

Eligibility : - A candidate who has passed Bachelor degree of a recognized university with Zoology as one of the subjects of study with 50% marks (45% for SC/ST)

Admission : Admission will be made on the basis on merit in the entrance test conducted by Abhilashi University.

Faculty

1. **Prof. H.S. Banyal**
Qualification : M.Sc. (Hons.) Ph.D.
Experience : 36 years
2. **Ms. Nisha Devi**
Designation : Asstt. Prof.
Qualification : M.Sc. M.Phil
3. **Dr. Swati Gautam**
Designation : Asst. Prof.
Qualification : Ph.D.

School of Education

Master in Arts M.A. (Education)

Duration : 2 years (Four Semesters)

Seat : 40

Eligibility : A candidate who has passed bachelor's degree in any stream from a recognized University with 50% marks (45% for SC/ST). In addition, 10% weightage on the marks obtained in B.Ed Examination will be given to the candidate possessing B.Ed. degree from recognized university.

Admission : Admission will be made on the basis of merit in the Entrance test conducted by Abhilashi University.

Faculty

1. **Dr. Promila**
Designation : Professor
Qualification : M.Ed., M.Phil, Ph.D.
2. **Dr. Anoop Kumar**
Designation : Assoc. Prof.
Qualification : M.Ed., M.Phil, Ph.D.
3. **Dr. Anita Devi**
Designation : Asstt. Prof.
Qualification : M.Ed., M.Phil, Ph.D.

Academic Calendar for the Session 2016-17 Odd Semester

Sr. No	Activity	Date
1	Admission, Registration & Teaching	August 01, 2016
2	Mid-Term -I Examination	Sept 19-21, 2016
3	Mid-Term -II Examination	Nov 19-23, 2016
4	End Semester Practical Examination	Nov 25-28, 2016
5	End Semester Theory Examination	Dec 01-31, 2016
6	Winter Break	Jan 01-31, 2017
7	Declaration of Results	Jan 20, 2017

EVEN SEMESTER

Sr. No	Activity	Date
1	Admission, Registration & Teaching	Feb 01, 2017
2	Mid-Term -I Examination	March 16-18, 2017
3	Mid-Term -II Examination	May 15-17, 2017
4	End Semester Practical Examination	May 30 - June 02, 2017
5	End Semester Theory Examination	June 05-30, 2017
6	Summer Break	July 01-31, 2017
7	Declaration of Results	July 20, 2017

For D. Pharmacy (Annual System) the annual examination will be along with the even semester/end semester examination. The rest remain the same.

Mentoring

The University has adopted Mentoring System. Faculty members deputed as the mentors of the students. 20 students of each course placed under each mentor. The mentors will monitor:

The academic progress and attendance record of the students.

To have the contact Nos. of students, their parents/ guardians.

To inform the academic progress, attendance, good qualities and drawbacks of the students, if any monthly.

Behaviour of students in the classroom, hostel as well as in the University.

Any other information which deema fit to respective dean and respective mentor be also passes to the parents monthly.

Internal Quality Assurance Committee (IQAC)

In pursuance to the Section 25 of the Abhilashi University (Establishment and regulation) ordinance, 2014 (H.P. ordinance No. 3 of 2014) the university has constituted internal Quality Assurance Committee.

Sikkim Cell

The University has constituted the Sikkim Cell for the welfare of the Sikkimese students.

Fee

Fee for different courses will be as approved by the Government of Himachal Pradesh for the session 2016-17 and the details be provided to the students at the time of admission as it has not been so far notified by the state Government.

Refund of Fee

Fee once paid is not refundable. If a student withdraws before the last date of admission and the seat filled with wait list candidate then the entire fee collected from the student, after a deduction of the processing fee of Rs. 1000/(one thousand only) shall be refunded.

Scholarship Schemes

Tuition fee waiver for H.P. Board of School Education topper in the class admitted in our University.

All scholarship schemes of H.P. Govt. for higher education are made available to the students.

Reservation in Admissions

At least 25 percent seats for admission to each course shall be reserved for students who are Bonafide Himachalis and the remaining 75% seats open to all over India and abroad. Seats for admission in the University, for the students belonging to Scheduled Castes, Scheduled Tribes and Other Backward Classes, handicapped students and BPL/IRDP shall be reserved as per policy of the State Government.

The 10% (ten percent) seats shall be reserved for the Himachali Bonafide BPL/IRDP candidates as per the provisions made by various Regulatory Bodies.

Eco-Clubs

These clubs play very important role in creating environmental awareness among the students. They undertake various eco-friendly activities motivate students to keep the environment neat and clean by minimization of waste production, proper disposal of waste, effective use of water and undertaking plantation of trees. They also organize Quiz, Essay and Painting competitions regarding various environmental issues and educate the students about the reuse of waste material and preparation of useful products out of the waste.

National Service Scheme (NSS)

The University has been given permission by the Govt. of Himachal Pradesh for establishment of One Unit (comprising of 100 volunteers) of National Service Scheme (NSS) in the University

Dean Students Welfare

The office of Dean Students Welfare co-ordinates various activities for the welfare of the students. It aims at social harmony and peace in the campus and makes good citizens of India in addition to good academicians. DSW allots hostel accommodation to students. He supervises sports and cultural activities of the students. He also organizes debates, declamation contests and quiz competition programmes. The office also organises different cultural and academic tours for students during holidays.

Hostel

*H*ostel is home 'away from home'. At the end of each academic day a student feels completely exhausted and requires recharge of physical and mental energy. All these call for a comfortable residential accommodation which provides the necessary ambience for group interaction and learning situations, for achieving academic excellence.

University has constructed well-furnished separate hostels for boys and girls. It is accepted that the quality and availability of lodging is a major concern to all the students, and due to this our University has given them first class facilities which include the following :

1. Separate hostels for boys and girls.
2. Well furnished, spacious, clean with excellent

hygiene, modern style rooms.

3. Lodging is divided into single or double/triple sharing rooms.
4. Rooms are properly ventilated, spacious and equipped with separate beds, study tables and cupboards.
5. Each floor has facility for clean bathrooms and toilets.
6. Hot water is provided through solar heating system.
7. 24-hour water and power facility.
8. Common room with all amenities like television, newspapers and magazines.
9. Mess facility managed by dedicated teams of employees for cooking and sanitation.
10. Highly dedicated security personnel who ensure proper security to students.
11. Round the clock security of the campus and the hostel managed by a private agency.

Admission:

1. Students seeking admission to the hostel will have to apply to the Warden of the hostel(Boys / Girls) at the time of admission in the university.
2. The names of the candidates approved by Dean Students Welfare will be conveyed to the Warden.
3. The selected students will have to take admission in the hostel allotted to them within the stipulated time by paying the requisite fee in the accounts branch of the university.
4. After depositing the fee by the student, Warden will allot room to the student in the hostel. The boarder will receive furniture, cot, and cupboard for his/her room from the Warden. Once the hostel admission is over, Warden will submit the list of hostel boarders to Dean Students Welfare.

Hostel Charges:

According to H.P. Govt. norms.

Hostel rules and regulations:

General Rules :

1. The hostel authorities will not be responsible for any loss/damage of private property such as cash / mobile phone/scooter/motorcycle and other valuables. The residents are advised to get their vehicles insured against loss, theft and fire.
2. When the student vacates his/her room before summer break or after withdrawal or expulsion, he/she will return to the warden all hotel furniture and other property issued to him/her failing which he/ she will be liable to pay the entire cost of such furniture or other property.
3. Any violation of rules and regulations will be subject to strict disciplinary action and parents of the ward informed accordingly. Disciplinary action includes any or all of the following penalties in accordance with the nature and seriousness of the offence:-
 - a. Payment for the repair or replacement of the article(s) damaged.
 - b. Suspension from the hostel for a specified period of time or expulsion from the Hostel / University.
 - c. A student admitted to hostel cannot withdraw from the hostel during the session 2016-17 i.e. upto July 2017.
4. Hostel is compulsory for BAMS students

Note : Orders / Decisions notified from time to time by the Hon'ble Vice -Chancellor / Dean Students Welfare / Warden will be binding on the residents.

Attendance & Leave Rules :

1. The gates of the hostels will close and open at fixed time. This will be put up on the notice board and the students will strictly adhere to it.
2. A resident shall, under all circumstances, take permission from the Warden before leaving the hostel overnight. He/ She shall sign the register maintained for the purpose at the hostel gate.
3. In the event, the University decides to increase the timings of library and other facilities, the University will make adequate arrangements for girl students.
4. The names of the residents absenting themselves without permission for three days or more may be struck off the rolls of the hostel and possession of their rooms taken by the warden.

Behaviour & Discipline

All residents shall have their meals in dining hall in the hostel. No resident will take his/her food to his/her room except in case of ill health and with the permission of the Warden. Students will maintain perfect discipline, harmony and a peaceful atmosphere in the hostel and refrain from the following:

1. Teasing, maltreating or indulging in any sort of ragging of newly admitted students.
2. Stealing or pilfering Hostel/University or the property of other students.
3. Unruly conduct or rowdism.
4. Writing on the walls or other parts of the hostel buildings or sticking of posters or distribution of unauthorized handbill or notices.

5. Making noise and/or creating other disturbances, including the use of electronic or radios, in such manner as to disturb others.
6. Participating or causing others to participate in disturbances of any kind or behaving or causing others to behave in such a way so as to bring the Hostel/ School/University into disrepute.
7. Changing rooms and transfer any furniture from one room to another without the prior permission of the hostel warden.
8. Causing any damage to hostel/University property.
9. Using of electric heaters, rod, and electric press etc.
10. Smoking, consumption of alcoholic drink, using drugs or any other intoxicating substances. Any resident found indulging in such practices shall be fined heavily and will be asked to vacate the hostel without any notice.
11. Acts of indiscipline, misbehaviour, gambling, or possession of weapons in the hostel premises including room. A resident guilty of any of these violations shall be liable to expulsion or any other punishment deemed fit by the authorities. In case a student is expelled from the hostel his/her case for allotment of room in the hostel will only be considered after two semesters.

Facilities

For Physically Challenged Persons

Physically challenged persons are also the part and parcel of the society and they contribute towards the development of the country. In Abhilashi University ramps are constructed for access to each block. In addition tricycles, wheel chairs, walking sticks, crutches and hearing aids are provided by the University. There is an elevator installed in the Administrative block.

Medical Facility

Abhilashi University has 60 bedded Abhilashi Hospital on the campus providing efficient medical and paramedical staff and well equipped laboratory with facilities for clinical investigation of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG, Panchkarma and Kshaisutra. Hospital has also provided OPD and IPD emergency facilities for the students, employees and the public.

Transportation

Transportation charges per semester to be paid by the students at the time of admission for availing the university bus service as follows:

Transportation charges per semester from different basis are as under :-

Name of Station	Transportation Charges	Name of Station	Transportation Charges	Name of Station	Transportation Charges
Gutkar, Chakkar, Bagla & Kanaid	Rs. 8000/-	Nagchala Lunapani	Rs. 7500/-	Bhangrotu	Rs. 6500/-

Parking Facility

The University has a big parking area to provide space and protection to the two wheelers and four wheelers of the students and employees of the University.

Library

Books are the food for the students. Abhilashi University has a fully equipped library which runs on automated software. It is housed in its own building and located centrally in the campus. It feeds all types of readers by getting issued the books whereas journals, magazines and copies of the articles are for consultation in the library. The University library is equipped with the text books, reference books and research journals of different subjects. Access to online journals is through INFLIBNET and DELNET. The new relevant books are being added to the library stock regularly. The regular timings of the library are extended as per the demands of the students. Another unit of library has been opened in the Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University). Working hours of the library are from 10 am to 6 pm on every working day, except Sundays and national holidays. All the students, employees and authorities of the University are the members of the library.

Digital Library

Digital Library has twenty four terminals with internet facility.

University Canteen

Canteen is the ideal place for the staff and the students to refresh after the busy classes schedule. Abhilashi University has a canteen being managed by a private party. University has provided the necessary infrastructure required for the canteen. Canteen is supervised by the university canteen committee, providing food and snacks to students and staff at very nominal rates.

Placement Cell

Placement of the students in corporate world is the priority of Abhilashi University. The University makes all efforts to provide the best possible placement to its students in corporate houses not only in Himachal Pradesh but also in other parts of India. For this University has established 'placement cell' for interacting with the corporate world. The cell is making efforts to provide the best quality placement to all the students under the visionary leadership of Hon'ble Vice Chancellor of the University.

Computer Labs

In addition to separate computer facilities available in each department, there are two central computer laboratories well equipped with advanced computing systems to provide free internet access to all the students. The computers are of advanced configuration and latest software available to provide good training facilities. The entire campus is connected through internet facility. The multimedia computers in the campus provide a good facility for the students and employees and make a best quality learning and innovative teaching environment.

Wi-Fi Facility

The campus is equipped with Wi-Fi facility. Each student has access to internet through his/her id and password.

Sports Facility

Sports activities make the body healthy and strong. University provides sports facilities of both the types, indoors and outdoors games on the campus. There is a big playground having 5,000 m² area.

Conference Hall and Seminar Hall

Abhilashi University has two conference halls which are well equipped with modern facilities. They are used as per the needs of the students and staff members for various purposes like presentations and discussions. The academic life in Abhilashi University goes beyond the curriculum and for such activities a centrally located seminar hall is available. It provides an ideal platform for guest lectures, seminar presentation for students to express themselves, general cultural and other functions of the University.

Extension Programme

Agriculture

Extension education is a two way process. The School of Agriculture actively involved in extension programme and the farmers of the region are educated about the latest technologies in Agriculture. In order of achieve this, farmers' training camps are held in the villages, farmers' day depicting the latest technologies are organized at the campus through exhibitions, live exhibits, lectures from experts and entertaining the questions from participating farmers. In the reciprocal process, the experts visit farmers fields to study their problems first hand. The students, as a part of their course curriculum, visit farmers in the rural areas in the villages and acquaint themselves with their problems. In addition, the students go on educational tours to neighboring Agricultural Universities, Research Centres and modern farms to acquaint themselves about the latest developments in the field of Agricultural Education.

Pharmacy

To facilitate the link between university and community various extension activities for the welfare of the society in large scale is regularly being conducted through its Pharmacy awareness programmes, providing knowledge on different medically important herbs and uses and also provide platform in organizing regional and national level workshops, seminars, conferences, newsletters and symposia.

Abhilashi Ayurvedic College and Research Institute

Abhilashi Ayurvedic College and Research Institute is also carrying out the extension of Ayurvedic Knowledge to public of the area by adopting village under "Swachh Bharat Mission" Further, the public is also made aware regarding hygiene, sanitation, preventive and precautionary treatment. Furthermore, monthly health camps, blood donation camps and ksharsutra camps for treating the piles patients are also being organized.

Entrepreneurship

Entrepreneurship is the activity of risk taking and deliberately allocating the resources to exploit opportunities in order to maximize the financial return. It is the process of risk taking and deal with uncertainty. In entrepreneurship we have to plan a good business model. The entrepreneurship leads to economic growth of the organization which is must for its sustainability. Abhilashi University is making efforts in the entrepreneurship as starting the agriculture farm for the supply of agricultural products, Pharmacy for medicinal products. An Ayurvedic Hospital at Chail-Chowk is already being run by the University.

ABHILASHI UNIVERSITY

Abhilashi University established by Government of Himachal Pradesh vide “Abhilashi University (Establishment & Regulation) Act, 2014” and recognized by UGC under section 2 (f) and 22 (1) of the UGC Act, 1956

PROSPECTUS - 2018-19

COURSES OFFERED

B.A.M.S. ♦ B.P.T. ♦ M. Pharmacy (Pharmaceutics, Pharmaceutical Chemistry & Pharmacology) ♦ B. Pharmacy (Allopathy)
Diploma in Pharmacy (Ayurveda) ♦ Diploma in Pharmacy (Allopathy) ♦ 2 Years Veterinary Pharmacist Training Course
B.Sc. (Hons) Agriculture ♦ M.Sc. (Zoology, Chemistry, Mathematics) ♦ MA (Education) ♦ B. Tech. (CE, CSE) ♦ M. Tech. (CE)
Ph.D. (Zoology, Chemistry, Pharmacology, Pharmaceutics, Pharmaceutical Chemistry, Education, Management) ♦ M.B.A. ♦ BA.LLB

**“ We should indulge in God
remembrance every moment. ”**

We should always remember the formless God. We must never forget the presence of formless God. It is generally said that God remembrance is not mere recitation. Yes, that's true and we don't have to indulge in recitation. But we must feel his presence every moment. We are not bound by any particular time or place for God remembrance. But like when our mobile phones do not get any signals, we use land line phones to make a call, similarly, if one feels that he/she is lacking in 'Sumiran' then one should sit with family members for 'Sumiran'. Don't think that you were not told that earlier. In fact, it was not told but one should remain consciously aware about paying attention to 'Sumiran' in any way so that our faith should remain firm and unwavering. God remembrance leads to large heartedness as well as broad-mindedness that saves us from unnecessary complications. 'Sumiran' opens the door to progress.

Founder of Abhilashi Group of Institutions

AN EMINENT EDUCATIONIST

AND SOCIAL REFORMER

WITH A VISION OF

INSTITUTIONAL BUILDING

AND ACADEMIC

EXCELLENCE.

Late Sh. T.R. Abhilashi Ji
(24 Oct., 1940 to 15 Dec., 2005)

Abhilashi University at ChailChowk, Mandi is established by the Government of Himachal Pradesh vide “Abhilashi University (Establishment & Regulation) Act, 2014”. Abhilashi University is a Government recognized University with a right to confer degrees as per Section 2(f) and 22(1) of the UGC Act, 1956. The campus of the University is located at ChailChowk near Mandi (H.P.) and surrounded by lush green fields, pine and oak forests thus becomes an ideal place for study in a clean health-oriented environment. The aforesaid was the forethought for the Abhilashi Educational Society selecting such a beautiful location for the University. There are a number of places worth visiting nearby the University such as Nachan Valley, Jeeuni Valley, Janjehli Valley, Balh Valley, Sundernagar and Mandi towns. One can also enjoy snowfall once a while during the winter season. The fresh and pollution free air of this region keeps the minds of the students fresh and help them to concentrate on their studies and beat the crowd.

The management of the University, Abhilashi Educational Society, is a pioneer in managing private educational institutions in the state of Himachal Pradesh. The foundation stone of the Society was laid by Late Sh. Tulsi Ram Abhilashi Ji on May 21, 2001.

The students and their parents have put faith in the quality education imparted by efficient and dedicated faculty of institutions managed by Abhilashi Educational Society for the last 16 years. The Society is presently running many educational institutions of basic and technical education in the region. It includes: Abhilashi PG College of Education at Nerchowk, Mandi established in 2003 and running JBT, B.Ed., M.Ed.; Abhilashi Institute of Management Studies, Nerchowk, since 2005 imparting education in BBA, BCA and MBA; Abhilashi College of Pharmacy, Tanda, Balt, Mandi from 2006 and onwards admitting students for B. Pharmacy Degree Programme; Abhilashi Institute of Life Sciences and PG Sciences, Nerchowk, Mandi admitting students for graduate and master programs in Bio-Tech. and Micro-Biology since 2007 and from academic session 2010-11 onwards for M.Sc. Physics, Chemistry and Botany; T.R. Abhilashi Memorial Institute of Engineering and Technology (TRAMIET) established in 2009 for imparting education in the Diploma, B. Tech. and M. Tech programme in different disciplines of engineering and technology. Since 2015 Abhilashi College of Nursing at Nerchowk is imparting education in B.Sc. Nursing, GNM, ANM and Post-Basic Nursing courses.

Vision

Excellence in professional and technical education through dedication and innovative research.

Our Mission

- To provide environment for achieving excellence in education.
- To create and generate conditions for quality education.
- To impart quality education through value-based & industry-based curriculum.
- To strengthen in humanistic, social and moral values.
- To plant education and qualities of leadership in minds of students for future development of the nation.

From Chancellor's Desk

Education is the driving force for effecting change in a person, community, society, and nation. It breaks the barriers of caste, creed, ethnicity and religion by training the minds to think logically; envision, innovate, invent and discover methods for creating a harmonious and sustainable society with skills, positive mindset, knowledge and high values of life. Education being so important, therefore, the mission of the Abhilashi University is “To provide environment for achieving excellence in education through leadership-based, value- based & industry-based curriculum for the overall development of the minds of students for the future development of the nation in turn”.

To achieve the above mission, the University is proactively hiring a highly qualified faculty and developing innovative as well as research oriented infrastructure with an academic atmosphere where the overall personality of the students can be developed in such a way that they have cutting edge in knowledge, skills, innovations, analysis and in independent thinking.

The Abhilashi University is one of leading Universities of north India which has been successfully approved by the First Inspection Committee of the University Grants Commission within two years of its inception. Further, the University has the approval of University Grants Commission under section 2(f) and Section 22 of UGC Act, 1956, Central Council of Indian Medicine, Pharmacy Council of India, Bar Council of India, Himachal Pradesh Para Veterinary Council and Indian Association of Physiotherapists.

It is my pleasure to extend warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group and I honestly assure them that they will shine in their career, beat the crowd of this competitive world and realize their cherished missions after completing their education from our University and other Institutions of higher learning.

Dr. R.K. Abhilashi
Chancellor

विद्या ददाति विनयम्

From Pro-Chancellor's Desk

The education is the source of emancipation from the shackles of social, moral, physical and metaphysical evils. It enlightens the individual and helps him/her in developing the capability of creativity, critical analysis, independent thinking, transforming the quality of human life and professional freedom.

As education and knowledge are of paramount significance for the different sections of the society, therefore, the Abhilashi Educational Society has developed a hub of educational institutions in and around the Nerchowk town of Mandi District (H.P.). Majority of the institutions are situated in the rural area so that the students can get a serene, calm, pollution-free academic environment for concentrating in their studies, innovating and becoming an asset to the society. The other reason for situating and developing the educational institutions in the rural area, is the pious mission of the Abhilashi Educational Society to improve the quality of life of the rural people by education, employment and other means of entrepreneurship such as opening hostels, paying guest houses, grocery shops, tea shops and other means of livelihood possible at their thresholds.

The vision of the Abhilashi University is “Excellence in professional and technical education through dedication and innovative research”. Thus to achieve this mission, the University has adopted a very high standard of education which gets reflected through the recognition of the University by the University Grant Commission Inspection Committee and AICTE Expert Committee and the ratification of the same by the UGC within a period of two years of the establishment of the University. Further, the standard of the University has also been applauded by the other bodies such as PCI, BCI, CCIM and H.P. State Para Veterinary Council.

It is my pleasure to extend warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group and I honestly assure them that they shall shine in their career and beat the crowd of this competitive world.

Er. L. K. Abhilashi
Pro-Chancellor

विद्या ददाति विनयम्

Vice-Chancellor's Message

Professor Amar Singh Guleria (B. 1950) has served Agro-Economic Research Centre, Himachal Pradesh University, Shimla (1973-1977); Indian Institute of Management, Ahmadabad, IIMA (1978-1983); Department of Economics, Himachal Pradesh University, Shimla (1983-92); and Population Research Centre, Himachal Pradesh University, Shimla (1992-93). Till his retirement, Dr. Guleria worked as Professor and Head of the Economics Department at Himachal Pradesh University (CES), Shimla (1993-2010). Thereafter, he joined the Abhilashi Group of Institutions (AGI) and continued to be the Director of Abhilashi Institute of Management Studies (AIMS), Nerchowk, Mandi (2010-2014). He also worked as Director (TRAMIET) and Group Director of AGI in 2015. Professor Guleria was a founder Dean of Studies and Director Research of the Abhilashi University, Mandi (2014 -2017). Currently, Professor Guleria is the Vice-Chancellor of Abhilashi University, Chail-Chowk, Mandi (HP).

Higher education is considered as a vehicle of social, economic, political, cultural transformation and growth & development, Education which one receives after 12th standard in colleges, universities, institutes and deemed universities is higher education that includes diploma, undergraduate, postgraduate and doctoral degree study programmes. The 21st century is going to be the knowledge century and economic growth will be linked with human resources, development, gross enrolment ratio in higher education which is important indicator of development, In India It is 15% as compared to USA (89%), Russia (76%), UK (59%), France (55%), Malaysia (40%) and China (24%). Further, there are vast discrepancies in this regard amongst women, SC, ST, rural and urban populations. This is a challenge as well as opportunity to establish educational institutions especially in the private sector to provide and improve higher education system in India. The large population in the age group of 15-24 years in India is the prospective entrants in higher education. The number of institutions required to achieve GER 30 % or above in higher education has to be increased tremendously and government alone cannot achieve this task and thus the private sector has a big role to play. Universities which have adequate infrastructure for teaching and research, well qualified and innovative faculty, academic and industrial collaborations at national and global level will be in demand. Active dialogue among academia, industry, government and all stakeholders is inevitable to address the challenges in higher education and grab the opportunities to make our country a knowledge hub or power in the world. Abhilashi University is an attempt in this direction which was established in 2014 and dully approved by UGC. University is located In Himachal Pradesh with in North-west Himalayan region. The end product of education at Abhilashi university create and train human resource to protect the interest of man and nature we inspire and ignite mind of graduate , post graduate and scholar of eminence to fuel unprecedented growth & development to wipe out poverty, hunger, disease, unemployment , enormous pollutions and advance the frontiers of knowledge, shrink the boundaries of ignorance and ensure happiness all around. The University has excellent lecture halls, laboratories, seminar halls, tutorial rooms, computer labs, play grounds, hostels and well equipped hospital of Abhilashi Ayurvedic College & Research Institute with highly professionally qualified team of doctors, faculty members and supporting staff. The University has fully Wi-Fi campus. Therefore, to ensure better career and bright future with appropriate placement, I welcome the students, parents and new entrants for their choice and association with Abhilashi University.

Pror. A. S. Guleria
Vice-Chancellor

Message from the Desk of Registrar

The employability and employment depend upon the type of education imparted to the future workforce by the Universities. Currently the education is planned fully balanced in terms of quantity and quality, skills and abilities, knowledge and perception, information and technology & attitude and aptitude for providing useful stakeholders for the future.

As the scope and responsibilities of Universities are expanding more rapidly due to borderless world, it is imperative for the Universities to be ready for imparting latest knowledge to their students by remodelling the curriculum and blending the professional & technological education for the overall academic development of the students for creating excellent skilled workforce for the country. Our University is well equipped in all respects to meet this challenge and achieving the aforesaid by employing highly qualified faculty and following the interactive teaching & learning techniques which multiply the world changing ideas.

Abhilashi University was established in the year 2014 and it has progressed very well. However, the University has earned its name in the country. The university will equip all the students with the wisdom to lead their lives in a righteous and responsible manner. It will offer its students an atmosphere for the development of character with enriched virtues and noble ideals. Hence the system of education in the university will be holistic one which will draw out the knowledge, values and wisdom present in a latent form in the student and synthesis of science and spirituality will be an important component of the whole process. This University will not merely prepare students for earning degrees but will cultivate self-knowledge and self-realization. University education will be integrated harmoniously with ethical, physical, and metaphysical teachings. We will integrate approach of value oriented education through all academic programmes and activities. Our stress will be on character building of the youth and integration of academics with sports, arts, and social service. We will create a spiritual ambience and disciplined environment in the University campus which is the backbone of any civilized society. Efforts will be made to blend contemporary knowledge with inherited values for societal benefit by inculcating the spirit of self-reliance among students. Our Placement Cell has successfully placed large number of our passed out students in the public and private sector jobs. On the whole, we hope all applicants would seek admission at large numbers and get benefitted.

Admission for Session 2018-19

Abhilashi University aims to impart quality education to its students by applying modern scientific techniques. University follows CBCS and Semester System (Annual System for BAMS, BPT and Diploma in Pharmacy) for teaching and evaluation. Each semester of study has minimum requirement of attendance and pass percentages in theory and practical examinations. Each course is defined in terms of credit hours for lectures, tutorials and practical classes. A student is registered to each course in the beginning of the programme. The duration of the course is given under the respective faculty. Each semester will have mid-term and end-term semester examinations.

Admission to academic session 2018-19 will be based on National Level/State Level Entrance Test, Combined Entrance Test (AUCET-2018) and on the basis of marks in qualifying examination.

Documents required at the time of Admission :

The following certificates/ documents (self attested by the candidate) be submitted along with the admission form:

1. Three passport size photographs.
2. Matriculation certificate.
3. 10+2 Examination pass certificate.
4. Detailed marks sheets of all semester of graduation in case student is seeking admission in post graduation programme.
5. SC/ST/OBC certificate, if applicable.
6. Original Character certificate from institution last attended. In case there is a gap in studies character certificate issued by Tehsildar/SDO (C) of the area.
7. Original Migration Certificate. In case it is not available at the time of admission then the student may submit it within one year failing which result of third semester will not be declared.
8. An affidavit in case there is a gap in studies.
9. Copy of Aadhar Card.
10. Low income group candidate may submit income certificate issued by Tehsildar/SDO (C) for scholarship.

Important Dates for AUCET- 2018

Abhilashi University will admit students for the session 2018-19 in the disciplines of Ayurveda, Agriculture and Basic Sciences through Entrance Test AUCET-2018. The examination centres for AUCET-2018 will be at Chailchowk and Gangtok (State of Sikkim).

The schedule of examination is given below:

Course	Last Date of Applications	Date of Entrance Test	Eligibility
BAMS	As per notification of NEET		50% in 10+2 (Medical) with valid NEET score 05% relaxation for SC/ST
B.Sc.(Hons.)Agriculture	20/05/2018	27/05/2018	AUCET are 60% in 10+2 (Science) for Gen. and 55% in 10+2 (Science) for SC/ST
B.A.LLB (5 Years)	30/06/2018	15/07/2018	10+2 50% in 10+2 (Any Stream) for Gen. and 45% in 10+2 (Any Stream) for SC/ST
M.Sc. in Zoology, Chemistry and Mathematics	19/07/2018	22/07/2018	AUCET -2018 or 50% in B.Sc. for Gen. and 45% in B.Sc. for SC/ST
B.P.T	26/05/2018	26/07/2018	AUCET or 50% in 10+2 (Medical) for Gen. and 45% in 10+2 (Medical) for SC/ST
Ph.D. in Zoology, Chemistry, Pharmacy, Education and Engineering	30/07/2018	25/09/2018	M.A./M.Sc./M.Phil./M.Pharm.in related subject.

B. Pharmacy	27/05/2018	–	HPCET or 45% in 10+2 (Science) for Gen. and 40% in 10+2 (Science) for SC/ST
M.B.A.	24/05/2018	–	CMAT/HPCET or 50% in Graduation (Any Stream) for Gen. and 55% in in Graduation (Any Stream) for SC/ST.

1. Admission to other programmes will be made on the basis of merit/ marks obtained in National level/ State level/ Other state level tests conducted by Govt. of Sikkim/ Manipur/ Arunachal Pradesh/ Tripura/ merit in qualifying exam.
2. Lateral Entry candidates will be admitted directly to B.Tech. and B.Pharmacy.
3. MCQ type test will be of two hours duration for each course.

Abhilashi Ayurvedic College and Research Institute

(A Department of Abhilashi University)

Dr. D. K. Mishra
Principal

Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is situated at such a place, the surrounding of which are so picturesque which make it more suitable for teaching and training of Ayurvedic College Education and Research. The surrounding flora is rich in important medicinal plants. Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is running graduation level programme, Bachelor of Ayurvedic Medicine and Surgery (BAMS), which is recognized by Central Council of Indian Medicine (CCIM), Government of India, New Delhi. It is also running BPT and Diploma in Pharmacy (Ayurveda) courses

Abhilashi Ayurvedic College and Research Institute has its own multi-specialty 60 bedded hospital, well furnished pharmacy and herbal garden with more than two hundred species of medicinal plants. In addition to Central Library, Abhilashi Ayurvedic College and Research has its own working library with 9640 books.

Prof. D. K. Mishra completed BAMS from Sampurnanad Sanskrit University, Varanasi and M.D. Kayachikitsa from Institute of Post Graduate Training & Research in Ayurveda, Shyamadas Vidyapeeth, Kolkata. Prof. Mishra has more than 26 years of Teaching and administrative experience. He served as Professor and Vice Principal SGM Ayurvedic College and Hospital, Nandganj, SahariGhaipur, U.P.; Principal SUDC Hoshiarpur; Principal JIAR Jammu; Professor and Vice-Principal at Guru Nanak Ayurvedic College, Gopalpur, Ludhiana, Punjab.

Ayurveda is a system of medicine. When translated from Sanskrit, Ayurveda means 'the science of life'. It provides us the knowledge of how to prevent diseases and to eliminate the root cause if it does occur.

The Aims and Objectives:

1. To promote the growth and development of Ayurveda.
2. To produce graduates who can efficiently serve in Ayurvedic Health Services and also as Ayurvedic Practitioners.
3. To provide health care to patients by specialists of various fields of Ayurveda.
4. To co-ordinate with other State and National Health Services for providing complete health care.
5. To conduct “re-orientation” training programmers for Ayurvedic Physicians.
6. Programme and activities
 - i) Blood Donation Camps.
 - ii) Conference, Seminars and workshops on various health related issues.
 - iii) Swachta Abhiyan.

Bachelor of Ayurvedic Medicine and Surgery, B.A.M.S.

Abhilashi Ayurvedic College and Research Institute is running Bachelor of Ayurvedic Medicine and Surgery (BAMS) programme on the annual system of teaching and evaluation.

Duration: Five and half years including Compulsory Rotatory internship of one year.

Seats: 60

Eligibility & Admission Criteria:

Admission in BAMS Course will be done on the basis of merit in NEET and qualifying examination with minimum 50% in 10+2 (Medical) with valid NEET score 05% relaxation for SC/ST.

School of Agriculture

Agriculture plays an important role in the life of mankind from early civilization. It was the key development in the rise of sedentary human civilization, whereby farming of domesticated species created food surpluses that nurtured the development of civilization. It gained modernization with the passage of time. Modern agricultural practices are increasingly turning out to be knowledge based and hence gaining expertise in them is exceedingly important. Industrial agriculture based on large-scale monoculture farming has now become the dominant agricultural methodology.

India does require agricultural education at all levels so that Indian farmers are better equipped to handle the threats of globalization. There is yearly hike in the budget of agriculture sector in India. However, with the entry of foreign direct investment (FDI) in the agriculture sector, many MNC's have forayed into the segment with dozens of agro-products. Subsequently this has resulted as a threat to Indian farmers who lack professional expertise to deal with the issue in more sophisticated way. Hence the need of the hour is to give agricultural education a high priority. India is yet to emerge as a significant trade partner in the world agriculture market. There are exciting opportunities for youth in agriculture and many graduates in rural sectors follow career in farming, the management of agriculture and other rural businesses, consultancy and advisory roles to business firms in private or public sectors. There are also significant career opportunities in the area of food production and supply management including consumer research through manufacturing, distribution and the industries supporting agriculture and horticulture. The agriculture courses have immense opportunities under the "Start-up Scheme" launched up by Hon'ble Prime Minister of India.

School of Agriculture has been established in Abhilashi University under Faculty of Science in 2014. This school is offering B.Sc. (Hons.) Agriculture (4-year course spread over 8 semesters) with an intake capacity of 120 students. Under the co-education system, the students are admitted to the course after an entrance test conducted by the university.

After going through common and elective courses in Agriculture during the degree programme, we have in the course curriculum an exposure of the students in complete rural settings where the students will go and live along with farm families in the villages and have the first-hand experience of their living, agricultural practices, difficulties and expectations. Students will be attached to an agriculture based industry in order to acquaint themselves with post-harvest processing of agriculture produce and link agriculture production with industry. The student shall also be registered for opting two modules for skill development and entrepreneurship.

The school has highly qualified teachers, well equipped laboratories, class rooms and well laid out terraced student's farm representing typical hilly terrain. Occasional snowfall during the winter adds to the beauty of the university campus and places it at a location which is marginal to temperate as well as sub-tropical agro climatic conditions, thus enabling teaching and research under both the situations.

The practicals of the students training are backed by thorough field training and exposure at farmer's fields. The students are encouraged to participate in co-curricular activities, sports events and other cultural activities of local and national/international significance.

A group of 3-4 students is allotted a piece of land where they are required to raise the seasonal field and vegetable crops. The inputs are provided by the university and the students are required to raise the crops under the guidance of respective teachers. They are evaluated on the basis of field record and yield of crops. This provides them a good practical exposure.

Course: B.Sc. (Hons.) Agriculture

Duration: Four years (8 semesters)

Seats: 120

Eligibility: Candidates having passed 10+2 with science and secured not less than 60% marks in aggregate for general category and 55% for SC/ST who have qualified AUCET-2018. Candidates securing 50% marks in aggregate for general category (40% for SC/ST) who have appeared in state level entrance test conducted by CSKHPKV, Palampur or Dr. Y.S. Parmar University of Horticulture and Forestry, Nauni (Solun).

Admission: Admission will be made on the basis of merit in entrance examination conducted by Abhilashi University (AUCET-2018) or CSKHPKV, Palampur or Dr. Y.S.Parmar UHF, Nauni (Solun).

School of Basic Science

Basic sciences are the backbone of research in health, industry, water, earth and space. School of Basic Sciences offers graduate, postgraduate and doctorate programmes. The school is offering postgraduate degrees in the subjects of Chemistry, Mathematics and Zoology. In the Ph.D. program students have been enrolled in the departments of Chemistry and Zoology. The different departments of School of Basic Sciences have well equipped laboratories and classrooms. More emphasis is laid on the on-hand training to the students. Educational visits to curriculum oriented places and industries are undertaken during the program.

Course: M.Sc. Zoology
Duration: 2 years (Four semesters)
Seat: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Zoology as one of the subjects of study with 50% marks (45% for SC/ST)
Admission: Merit in the AUCET-2018.

Course: M.Sc. Chemistry
Duration: 2 years (Four semesters)
Seat: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Mathematics as one of the subjects of study with 50% marks (45% for SC/ST)
Admission: Merit in the AUCET-2018.

Course: M.Sc. Mathematics
Duration: 2 years (Four semesters)
Seat: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Mathematics as one of the subjects of study with 50% marks (45% for SC/ST)
Admission: Merit in the AUCET-2018.

Course: Ph.D. Zoology
Duration: 3 years
Seat: 4
Eligibility: A candidate who has passed Master degree/ M.Phil. in Zoology from a recognized university with 55% marks (50% for SC/ST) or NET/ SLET.
Admission: Merit in the AUCET-2018.

Course: Ph.D. Chemistry
Duration: 3-5 years
Seat: 2
Eligibility: A candidate who has passed Master degree/ M.Phil. in Chemistry from a recognized university with 55% marks (50% for SC/ST) or NET/ SLET.
Admission: Merit in the AUCET-2018.

Faculty of Education

School of Education

School of Education, Abhilashi University ensures to provide the better quality teaching fraternity to the State and the Nation. As a teacher is considered to be builder of the nation so in this tune role of good teacher becomes of paramount importance. Abhilashi University offers Two years M.A. Education and Ph.D. Education Programme to the future teachers.

Course: M.A. Education

Duration: 2 years

Seat: 40

Eligibility:

Admission: Merit in the AUCET-2018 and as per the marks in qualifying examinations.

Course: Ph.D. Education

Duration: 3-5 years

Seat: 2

Eligibility: A candidate who has passed Master degree/ M.Phil. in Education from a recognized university with 55% marks (50% for SC/ST) or NET.

Admission: Merit in the AUCET-2018.

विद्या ददाति विनयम्

Faculty of Pharmacy

School of Pharmacy

School of Pharmacy is approved by PCI. Pharmacy is the science and technique of preparing and dispensing medicines. It is a health profession that links health sciences with chemical and biological sciences and aims to ensure the safe and effective use of medicines. The scope of pharmacy profession includes more traditional roles such as compounding and dispensing medicines to health care and clinical services, reviewing medications for safety and efficacy and providing drug information. Pharmacists are experts on drug therapy and are primary health care professionals who optimize use of medication for the benefit of patients and society. The teaching and learning process at Abhilashi University is designed to produce right combination of skills, knowledge and attitude.

Under-Graduate Programme

Bachelor of Pharmacy, B.Pharm.

Duration: 4 Years

Seats: 60

Eligibility: Admission will be made on the merit of HPCET or 45% in 10+2 (Science) for Gen. and 40% in 10+2 (Science) for SC/ST.

Lateral Entry: Passed Diploma in Pharmacy (Allopathy) examination from PCI approved institution with 45% marks for General and 40% for SC/ST category candidates.

Diploma in Pharmacy (Allopathy) (D. Pharmacy)

Duration: 2 years.

Seats: 60

Eligibility: Candidates having passed (10+2) with science examination/equivalent examination conducted by the recognized education Board/University. The eligible candidate should fulfil the minimum entry level qualifications prescribed by PCI or any other qualification approved by the PCI.

Post- Graduate Programme

Master in Pharmacy

(Pharmaceutics, Pharmaceutical Chemistry & Pharmacology)

Duration: 2 years (4 semesters).

Seats: Pharmaceutics 06, Pharmaceutical Chemistry 09, Pharmacology 12

Eligibility: The admission to M Pharmacy degree course shall be made on the basis of merit of valid GPAT score. In case the seats remain vacant after exhausting the merit of GPAT, the vacant seats will be filled up on the basis of merit of HPCET. In case the seats still remain vacant after exhausting the merit of National level test and HPCET, the seats will be filled up on the basis of merit of B. Pharmacy degree awarded by the recognized University having minimum 55% for Gen and 50% for (SC/ST).

Research Degree Programme:

Ph.D. in Pharmacy

(Pharmaceutics, Pharmaceutical Chemistry and Pharmacology)

Seats: Pharmaceutics (01), Pharmaceutical Chemistry (01), Pharmacology (02)

Eligibility: A candidate with 55% marks (50% for ST/SC) at Master level in concern specialization. The admission shall be through AUCET-2018 except those who have qualified UGC-NET/CSIR (JRF, NET)/SLET/GPAT/direct awardees of DST/ICMR/DRDO/INSPIRE and other state or central level fellowship.

School of Veterinary Science

The School of Veterinary Sciences was established in 2016 with an objective to provide trained professionals for holistic development and improvement of animal wealth of Himachal Pradesh.

Objectives:

1. Supplement the state demand of veterinary Pharmacist
2. Improvement in total productivity of livestock to improve socio- economic status of livestock entrepreneurs.
3. To develop, update and standardise package of practices concerning feeding, management, reproduction and poultry production technology.

Course: 2 Year Veterinary Pharmacist Training Course
Duration: 2 Years
Seats: 65
Eligibility: Candidates Having Passed 10+2/equivalent examination in any stream conducted by recognized education board / university / council with 60% marks

Admission: Admission will be made on the basis of merit.

Infrastructure:

Classroom: Two

Laboratory: Three

1. Anatomy

2. Gynecology & Andrology

3. Physiology & Biochemistry

IMPORTANT DATES FOR ADMISSIONS IN TWO YEARS VETERINARY PHARMACIST TRAINING COURSE

1.	Last Date of Receipt of Applications	05/05/2018
2.	Date of Notification of Final Selection List	20/05/2018
3.	Date of Counselling	26/05/2018
4.	Date of Admission	26/05/2018 to 31/05/2018
5.	Admission from waiting list in case of vacant seats – 2 nd round of counselling will be held for the candidates placed on the waiting list for seeking admissions against vacant seats.	15/06/2018
6.	Start of session / Communication of Classes	01/07/2018

In case of candidates who is seeking admissions against reserved seats for Scheduled Caste/ Scheduled Tribes or Other Backward Classes including their sub-categories as mentioned above in the table, a certificate belonging in that particular category, issued by the competent authority should be attached.

Note: In case no candidates is available in the sub-category of particular reserve category then the seat will be converted in the given General/Reserve category and further if no candidate is available in the given particular reserve category then the seat will be considered for the General Category. Students who have appeared in 10+2 examinations & whose results are awaited also may apply but will be required to produce the worksheet at the time of counselling.

RESERVATION & DISTRIBUTION OF SEATS

As per State Government Policy Tabled as Under:

1.	Class IV employees to be sponsored by the Animal Husbandry Department	12%
2.	General Quota	78%
3.	Management Quota	10%
Total		100 %

Sr. No.	Category	Percentage (%)
1.	General (General include Def, FF, PWD, IRDP)	55
2.	Schedule Tribe	05
3.	OBC (include Def, FF, PWD, IRDP)	18
4.	Schedule Caste (include Def, FF, PWD, IRDP)	22

Faculty:

Sr. No.	Name	Designation
1.	Dr. M.R Masand	Associate Professor
2.	Dr. Tarun Thakur	Assistant Professor
3.	Dr. Neelam Thakur	Assistant Professor
4.	Dr. Monika Sharma	Assistant Professor
5.	Dr. Akshima Dogra	Assistant Professor
	Dr. Insha Kouser Kalem	Assistant Professor

Faculty of Engineering and Management

School of Engineering

School of Engineering was established in 2014 with the objective to provide high quality education in major engineering disciplines from undergraduate to post-graduate levels through a creative balance of academic, professional, and extracurricular programmes. The mission of the School of Engineering is to make the graduates morally conscious and highly competent engineers, conduct internationally recognized research, and provide quality professional and community services. The School of Engineering has well-qualified and committed faculty members, supporting staff and modern infrastructure in the form of elegant and smart classrooms, spacious laboratories, latest machinery and equipment. Students are encouraged to participate in co-curricular and extra-curricular activities to acquire leadership qualities. The Department emphasizes on modern laboratories to cater to the needs of academic and research activities. It is well equipped with computational facilities and resources both in terms of hardware and software.

At present, there are Two departments in the School of Engineering: –

Civil Engineering and
Computer Science Engineering

The School of Engineering is running the following academic programmes:

Undergraduate Programs:

1. Bachelor of Technology (B. Tech.) in Civil Engineering (Intake -60 Seats)
2. Bachelor of Technology (B. Tech.) in Computer Science & Engineering (Intake -60 Seats)

Course Duration: 4 Years (8 Semesters)

Postgraduate Program:

Master of Technology (M. Tech.) in Civil Engineering (Intake -18 Seats)

Course Duration: 2 Years (4 Semesters)

Laboratory Facility:

The School of Engineering has the following laboratory facility in different departments:

- **Civil Engineering:** Soil Mechanics, Surveying, Environmental Engg., Civil Engg. Software, Structural Analysis, Transportation, Building Construction Material, Physics Lab., Chemistry Lab.
- **Computer Science & Engineering:** Computer Centre, Operating Systems & Data Structures Laboratory, C, C++, Java, Unix, Matlab, Physics Lab., Chemistry Lab.

Eligibility and Admission Criteria for Undergraduate Programs:

The candidate must have passed 10+2 examination with 45% marks for general category (40% marks for SC/ST category) from a recognized Board of Education with Non-Medical.

Lateral Entry:

For the candidates seeking admission in B. Tech II year through Lateral Entry must have passed Diploma course in appropriate branch of Engineering with 45% marks for general category (40% marks for SC/ST category) or B.Sc. with 45% marks for general category (40% marks for SC/ST category) having passed 10+2 examination with Mathematics as one of the subjects will be admitted on merit basis.

Eligibility and Admission Criteria for Postgraduate Program:

The candidate should have passed B. Tech. examination in the respective branch of engineering with minimum entry level qualification prescribed by AICTE.

Admission:

Admission will be made on the basis of merit of Gate/State/HPPUMA Entrance Examination or 60% marks for general category (55% marks for SC/ST category) in the qualifying examination conducted by the recognized University.

School of Management

In the changing global scenario the importance of management has increased in our life. Applying the critical thoughts in management one can live a better and comfortable life.

The aim of School of Management is to produce the graduates & Post graduates morally conscious and competent entrepreneurs conduct internationally recognized research, provide quality professional and community services. Our School of Management is delivering education to the students to meet the standards of corporate world. The well qualified and dedicated faculty of the School is endeavouring towards this goal of the School. The School is equipped with modern infrastructure in the form of smart class rooms and spacious laboratories with computational facilities. The students are guided by the faculty members to participate in co-curricular and extra-curricular activities to develop to leadership qualities. The School offers graduate, postgraduate and doctorate programmes as follows:-

Master of Business Administration (MBA)

Duration: 2 years (4 semesters)

Seats: 40

Eligibility and Admission: The candidate must have passed graduation level examination in any discipline from a recognized University. The admission to the course shall be made on the basis of merit of National/State level entrance examination (HPCET) CAT, CMAT, MAT or 60% marks for general category (55% marks for SC/ST category) in the Bachelor Degree of examination conducted by the recognized University.

Doctor of Philosophy (Ph.D) Management:-

Duration: Three Years (6 Semesters)

Seats: 30

Eligibility and Admission: The candidate must have passed MBA/M.Com. Examination from a recognized University with 55% marks for general category (50% marks for SC/ST category).

List of Teaching Staff School Management

Sr. No.	Name of Faculty	Designation
1.	Dr. Jyoti Sondhi	Professor
2.	Dr. Jatinder Kaur	Associate Professor
3.	Mrs. Kanchan Sharma	Assistant Professor
4.	Mr. Manish	Assistant Professor

School of Law

Course: B.A. LLB (5 Years Integrated Course)
Duration: 5 years (10 semesters)
Seat: 60
Eligibility: 10+2 in any stream with 50% marks for general and 45% marks for SC/ST category.
Admission: Admission will be based on the merit of AUCET-2018.

S.No	Name of Faculty	Designation	Qualification
1.	Dr. Narender Gupta	Prof.	Ph. D., LLM
3.	Dr. Anup Kumar	Assoc. Prof.	Ph.D., M.Phil
4.	Dr. Umesh Kumar	Asst. Prof.	M.A., M.Phil, Ph.D.
5.	Mr. Rajesh Kumar	Asst. Prof.	LLB, LLM
6.	Mr. Manjeet Singh	Asst. Prof.	LLB, LLM
7.	Mr. Bodh Raj	Asst. Prof.	M.A., M. Phil
8.	Mr.Gaurav Sharma	Asst. Prof.	M.A. English

School of Education

Course: M.A. (Education)
Duration: 2 years (Four Semesters)
Seats : 40
Eligibility: A candidate who has passed bachelor's degree in any stream from recognized university with 50% marks (45% for SC/ST). In addition, 10% weightage on the marks obtained in B.Ed. examination will be given to the candidate possessing B.Ed. degree from recognized university.
Admission: Admission will be made on the basis of merit of AUCET-2017.

S. No.	Name of Faculty	Designation	Qualification
1.	Dr. Promila	Professor	M.Ed., M.Phil., Ph.D.
2.	Dr. Rajesh Kumar	Assistant Professor	M.Ed., M.Phil., Ph.D.

4.	End Semester Practical Examination	May 30 - June 02, 2019
5.	End Semester Theory Examination	June 04-30, 2019
6.	Summer Break	July 01-31, 2019
7.	Declaration of Results	July 20, 2019

For Annual System courses the annual examination will be along with the even semester end semester examination. The rest remains the same.

Mentoring

The University has adopted Mentoring System. Faculty members act as mentors of the students. 20 students of each course placed under each mentor. The mentor will monitor:

- i) The academic progress and attendance record of the students.
- ii) To have the contact Nos. of students, their parents / guardians and inform them about the academic progress, attendance, good qualities and drawbacks of the students, if any regularly.
- iii) Behaviour of students in the classroom, hostel as well as in the University or any other noticeable activity of the student will be conveyed to the parents.

Internal Quality Assurance Committee (IQAC)

In pursuance to the Section 25 of the Abhilashi University (Establishment and Regulation) Act the university has constituted Internal Quality Assurance Committee (IQAC) for ensuring and monitoring quality education in the university.

Sikkim Cell

The University has constituted cell for the welfare of the Sikkim's students where students can post their grievances on University website portal.

Fee

Fee for different courses will be as approved by the Government of Himachal Pradesh for the session 2018-19 and the details be provided to the students at the time of admission.

Refund of Fee

Fee once paid is not refundable. If a student withdraws his/her admission before the last date of admission and the seat gets filled with wait listed candidate then the entire fee collected from the student, after a deduction of the processing fee of Rs. 1000/- (One thousand only) shall be refunded.

Scholarship Schemes

Tuition fee waiver will be provided to H.P School Education Board topper in the class in first year of the course. All scholarship schemes of Central Government, H.P. Government and other State Governments for higher education are made available to the students.

Reservation in Admissions

At least 25 percent seats for admission to each course shall be reserved for students who are Bonafide Himachalis and the remaining 75% seats open to all over India and abroad. Seats for admission in the University, for the students belonging to Scheduled Castes, Scheduled Tribes and Other Backward Classes, Handicapped students and BPL/IRDP shall be reserved as per policy of the State Government.

The 10% (ten percent) seats shall be reserved for the Himachali Bonafide BPL/IRDP candidates as per the provisions made by various Regulatory Bodies.

Eco-Clubs

These clubs play very important role in creating environmental awareness among the students. They undertake various eco-friendly activities motivate students to keep the environment neat and clean by minimization of waste production, proper disposal of waste, effective use of water and undertaking plantation of trees. They also organize Quiz, Essay and Painting competitions regarding various environmental issues and educate the students about the reuse of waste material and preparation of useful products out of the waste.

National Service Scheme (NSS)

The University has been given permission by the Govt. of Himachal Pradesh for establishment of One Unit (comprising of 100 volunteers) of National Service Scheme (NSS) in the University. The unit carried various activities and participated in Swachhta Abhiyaan helping locals in cashless transaction knowledge and some volunteers also attended water sports competition held at Pong Dam, District Kangra, H.P.

Dean Students Welfare

The office of Dean Students Welfare co-ordinates various activities for the welfare of the students. It aims at social harmony and peace in the campus and makes good citizens of India in addition to good academicians. DSW allots hostel accommodation to students, supervises sports and cultural activities of the students and also organizes debates, declamation contests and quiz competition programs. The office also organizes different cultural and academic tours for students during holidays.

Hostel

'Hostel is home away from home'. At the end of each academic day a student feels completely exhausted and requires recharge of physical and mental energy. All these call for a comfortable residential accommodation which provides the necessary ambience for group interaction and learning situations, for achieving academic excellence.

University has constructed well-furnished separate hostels for boys and girls. It is accepted that the quality and availability of lodging is a major concern to all the students, and due to this our University has given them first class facilities which include the following:

1. Separate hostels for boys and girls.
2. Well furnished, spacious, clean with excellent hygienic, modern style rooms.
3. Lodging is divided into single or double or triple sharing rooms.
4. Rooms are properly ventilated, spacious and equipped with separate beds, study tables and cupboards.
5. Each floor has facility for clean bathrooms and toilets.
6. Hot water is provided through solar heating system.
7. 24-hour water and power facility.
8. Common room with all amenities like television, newspapers and magazines.
9. Wi-Fi facility.
10. Mess facility managed by dedicated teams of employees for cooking and sanitation.
11. Highly dedicated security personnel who ensure proper security to students.
12. Round the clock security of the campus and the hostel managed by a private agency.

Admission

1. Students seeking admission to the hostel will have to apply to the Warden of the hostel (Boys/Girls) at the time of admission in the University.
2. The names of the candidates approved by Dean Students Welfare will be conveyed to the Warden.
3. The selected students will have to take admission in the hostel allotted to them within the stipulated time by paying the requisite fee in the accounts branch of the university.
4. After depositing the fee by the student, Warden will allot room to the student in the hostel. Once the hostel admission is over, Warden will submit the list of hostel boarders to Dean Students Welfare.

Hostel Charges

According to H.P. Govt. norms.

Hostel Rules and Regulations

General Rules:

1. The hostel authorities will not be responsible for any loss/damage of private property such as cash/mobile phone/scooter/motorcycle and other valuables. The residents are advised to get their vehicles insured against loss, theft and fire.
2. When the student vacates his/her room, he/she will hand over to the Warden all hostel furniture and other property issued to him/her failing which he/she will be liable to pay the entire cost of materials issued.
3. Any violation of rules and regulations will be subject to strict disciplinary action and parents of the ward will be informed accordingly. Disciplinary action includes any or all of the following penalties in accordance with the nature and seriousness of the offence:-
 - a. Payment for the repair or replacement of the article(s) damaged.
 - b. Suspension from the hostel for a specified period of time or expulsion from the Hostel/University.
4. A student admitted to hostel cannot withdraw from the hostel during the session 2018-19 i.e. up to July 2019.
5. Hostel is compulsory for BAMS students.

Note: Orders/decisions notified from time to time by the Hon'ble Vice-Chancellor/Dean Students Welfare/Warden will be binding on the residents.

Attendance and Leave Rules

1. The gates of the hostels will close and open at fixed time. Schedule will be put up on the notice board and the students will strictly adhere to it.
2. A resident shall, under all circumstances, take written permission from the Warden before leaving the hostel overnight. He/she shall sign the register maintained for the purpose at the hostel gate.
3. In the event, the University decides to increase the timings of library and other facilities, the University will make adequate arrangements for girl students.
4. The names of the residents absenting themselves without permission for three days or more may be struck off from the rolls of the hostel and possession of their rooms will be taken by the Warden.

Behaviour & Discipline

All residents shall have their meals in dining hall in the hostel. No resident will take his/her food to his/her room except in case of ill health and with the permission of the Warden. Students will maintain perfect discipline, harmony and peaceful atmosphere in the hostel and refrain from the following:

1. Teasing, maltreating or indulging in any sort of ragging.
2. Stealing or pilfering Hostel/University or the property of other students.
3. Unruly conduct or rowdism.
4. Writing on the walls or other parts of the hostel buildings or sticking of posters or distribution of unauthorized handbill or notices.
5. Making noise and/or creating other disturbances, including the use of electronic or radios, in such manner as to disturb others.
6. Participating or causing others to participate in disturbances of any kind or behaving or causing others to behave in such a way so as to bring the Hostel/School/University into disrepute.
7. Changing rooms and transfer any furniture from one room to another without the prior permission of the hostel Warden.
8. Causing any damage to hostel/University property.
9. Using of electric heater, rod, and electric press etc.
10. Smoking, consumption of alcoholic drink, using drugs or any other intoxicating substances. Any resident found indulging in such practices shall be fined heavily and will be asked to vacate the hostel without any notice.
11. Acts of indiscipline, misbehaviour, gambling, or possession of weapons in the hostel premises including room. A resident guilty of any of these violations shall be liable to expulsion or any other punishment deemed fit by the authorities. In case a student is expelled from the hostel his/her case for allotment of room in the hostel will only be considered after two semesters.

Facilities :

For Physically Challenged Persons

Physically challenged persons are also the part and parcel of the society and they contribute towards the development of the country. In Abhilashi University ramps are constructed for access to each block. In addition tricycles, wheel chairs, walking sticks, crutches and hearing aids are provided by the University. There is an elevator installed in the Administrative Block.

Medical Facility

Abhilashi University has 60 bedded Abhilashi Hospital on the campus with efficient medical and paramedical staff and well equipped laboratory facilities for clinical investigations of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG, Panchkarma and Ksharasutra etc. Hospital also provides OPD and IPD emergency facilities for the students, employees and the public.

Transportation

Transportation from nearby areas (around 30 KM from the University) are provided to the students.

Transportation charges per semester to be paid by the students at the time of admission for availing the University bus services as follows:

Transportation charges per semester from different places are as under:-

Name of Station	Transportation Charges	Name of Station	Transportation Charges	Name of Station	Transportation Charges

			Chatrokhari chowk	Rs. 10,000/-		
Padhru & Piplu	Rs. 4,000/-	Chail Chowk	Rs. 2,000/-	Mairamasit	Rs. 10,000/-	
				Mandi	Rs. 10,000/-	

Parking Facility

The University has a big parking area to provide space and protection to the two wheelers and four wheelers of the students and employees of the University.

Library

Books are the food for the students. Abhilashi University has a fully equipped library which runs on automated software. It is housed in its own building and located centrally in the campus. It feeds to all types of readers by getting issued the books whereas journals, magazines and copies of the articles are for consultation in the library. The University library is equipped with the text books, reference books and research journals of different subjects. Access to online journals is through INFLIBNET and DELNET. The new relevant books are being added to the library stock regularly. The regular timings of the library are extended as per the demands of the students. Another unit of library has been opened in the Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University). Library is opened from 10 am to 6 pm daily, except Sundays and national holidays. All the students, employees and authorities of the University are the members of the library.

Digital Library

Digital library has twenty four terminals with internet facility.

University Canteen

Canteen is the ideal place for the staff and the students to refresh after the busy classes schedule. Abhilashi University has a canteen being managed by a private party. University has provided the necessary infrastructure required for the canteen. Canteen is supervised by the University canteen committee. The canteen provides food and snacks to students and staff at nominal rates.

Placement Cell

Placement of the students in corporate world is the priority of Abhilashi University. The University makes all efforts to provide the best possible placement to its students in corporate houses not only in Himachal Pradesh but also in other parts of India. For this University has established 'placement cell' for interacting with the corporate world. The cell is making efforts to provide the best quality placement to all the students under the visionary leadership of Hon'ble Vice-Chancellor of the University.

Abhilashi University insured record 100% placement of its B. Pharmacy & MBA passing out students in various National and International Companies (session 2017-18) as per detail given below:-

Computer Labs

In addition to separate computer facilities available in each department, there are two central computer laboratories well equipped with advanced computing systems to provide free internet access to all the students. The computers are of advanced configuration and latest software available for good training facilities. The entire campus is connected through internet facility. The multimedia computers in the campus provide a good facility for the students and employees and make a best quality learning and innovative teaching environment.

Conference Hall and Seminar Hall

Abhilashi University has two conference halls which are well equipped with modern facilities. They are used as per the needs of the students and staff members for various purposes like presentations and discussions. The academic life in Abhilashi University goes beyond the curriculum and for such activities a centrally located seminar hall is available. It provides an ideal platform for guest lectures, seminar presentation for and by students, cultural and other functions of the University.

University Auditorium

University auditorium with seating capacity of 1500 is in the process of completion. The auditorium will be equipped with all the modern facilities.

Wi-Fi Facility

The campus is equipped with Wi-Fi facility. Each student has access to internet through his/her id and password.

Sports Facility

Sports activities make the body healthy and strong. University provides sports facilities of both the types, indoors and outdoors games on the campus. There is big playground of 5,000 m² area.

Extension Programme

Agriculture

Extension education is a two way process. The School of Agriculture actively involved in extension programme and the farmers of the region are educated about the latest technologies in Agriculture. In order of achieve this, farmers training camps are held in the villages, farmers day depicting the latest technologies are organized at the campus through exhibitions, live exhibits, lectures from experts and entertaining the questions from participating farmers. In the reciprocal process, the experts visit farmer fields to study their problems first hand. The students, as a part of their course curriculum, visit farmers in the rural areas in the villages and acquaint themselves with their problems. In addition, the students go on educational tours to neighbouring Agricultural Universities, Research centres and modern farms to acquaint themselves about the latest developments in the field of Agricultural Education.

Pharmacy

To facilitate the link between University and community various extension activities for the welfare of the society in large scale is regularly being conducted through its Pharmacy awareness programmes, providing knowledge on different medically important herbs and their uses and also provide platform in organizing regional and national level workshops, seminars, conferences, newsletters and symposia.

Abhilashi Ayurvedic College and Research Institute

Abhilashi Ayurvedic College and Research Institute is also carrying out the extension of Ayurvedic knowledge to public of the area by adopting village under “Swatch Bharat Mission”. Further, the public is also made aware regarding hygiene, sanitation, preventive and precautionary treatment. Furthermore, monthly health camps, blood donation camps and ksharsutra camps for treating the piles patients are also being organized.

Entrepreneurship

Entrepreneurship is the activity of risk taking and deliberately allocating the resources to exploit opportunities in order to maximize the financial return. It is the process of risk taking and deal with uncertainty. In entrepreneurship we have to plan a good business model. The entrepreneurship leads to economic growth of the organization which is must for its sustainability. Abhilashi University is making efforts in the entrepreneurship as starting the agriculture farm for the supply of agricultural products, Pharmacy for medicinal products. An Ayurvedic Hospital at Chailchowk is already being run by the University.

Grievance Redressal Cells

To make into notice of any grievance of students and employees and its redressal in the University, cells have been constituted. These are: Women Grievances Redressal Cell, SC/ST Grievances Cell and Sikkim Students Grievances Cell.

Jurisdiction

In case of any dispute, decision of the Registrar of Abhilashi University will be final and the territorial jurisdiction for any legal action shall be limited to Chachyot, Distt. Mandi, (H.P.) only.

Anti-Ragging

As per the ruling of Honourable Supreme Court of India, ragging is a cognizable offence and banned in Abhilashi University. Those who are found guilty of participation in or abatement to ragging can be:

1. Suspended/Expelled from the University.
2. Rusted from the University up-to two years.
3. Fine up to Rs. 25,000/-.
4. Face rigorous imprisonment up-to three years.

All necessary steps are taken by the University authorities to curb any incident(s) of ragging in the campus. The senior students are made to sign an undertaking that they will abstain from indulging in ragging. Anti-ragging committee and squads are formed in the University to keep a strict vigil over student activities in the campus. Surprise checks are carried out in the hostels from time to time to monitor the activities of students. Anti-ragging posters and banners are displayed at various locations on the campus to dissuade senior students from participating in menace of ragging. Each student of the University submits online application and undertaking not to indulge in any kind of ragging during his/her tenure in the University.

**“ We should indulge in God
remembrance every moment. ”**

We should always remember the formless God. We must never forget the presence of formless God. It is generally said that God remembrance is not mere recitation. Yes, that's true and we don't have to indulge in recitation. But we must feel his presence every moment. We are not bound by any particular time or place for God remembrance. But like when our mobile phones do not get any signals, we use land line phones to make a call, similarly, if one feels that he/she is lacking in 'Sumiran' then one should sit with family members for 'Sumiran'. Don't think that you were not told that earlier. In fact, it was not told but one should remain consciously aware about paying attention to 'Sumiran' in any way so that our faith should remain firm and unwavering. God remembrance leads to large heartedness as well as broad-mindedness that saves us from unnecessary complications. 'Sumiran' opens the door to progress.

ABHILASHI UNIVERSITY - AN INTRODUCTION

Abhilashi University at Chail Chowk, Mandi is established by the Government of Himachal Pradesh vide "Abhilashi University (Establishment & Regulation) Act, 2014". Abhilashi University is a Government recognized University with a right to confer degrees as per Section 2(f) and 22(1) of the UGC Act, 1956. The campus of the University is located at Chail Chowk near Mandi (H.P) and surrounded by lush green fields, pine and oak forests thus becomes an ideal place for study in a clean health-oriented environment. The aforesaid was the forethought for the Abhilashi Educational Society selecting such a beautiful location for the University. There are a number of places worth visiting nearby the University such as Nachan Valley, Jecuni Valley, Janjehli Valley, Balh Valley, Sundernagar and Mandi towns. One can also enjoy snowfall once a while during the winter season. The fresh and pollution free air of this region keeps the minds of the students fresh and help them to concentrate on their studies and beat the crowd.

The management of the University, Abhilashi Educational Society, is a pioneer in managing private educational institutions in the state of Himachal Pradesh. The foundation stone of the Society governed by Late Sh. Tulsiram Abhilashi Ji on May 21, 2001.

The students and their parents have put faith in the quality education imparted by efficient and dedicated faculty of institutions managed by Abhilashi Educational Society for the last 19 years. The Society is presently running many educational institutions of basic and technical education in the region. It includes: Abhilashi College of Education at Nerchowk, Mandi established in 2003 and running D.El.Ed and B.Ed., Abhilashi College of Pharmacy, Nerchowk, Tehsil Balh, Distt. Mandi from 2006 onwards and admitting students for B. Pharmacy Degree Programme; Abhilashi P.G. Institute of Sciences at Nerchowk, Tehsil Balh, Distt. Mandi offering M.Sc. Courses in Physics, Chemistry and Botany, T.R. Abhilashi Memorial Institute of Engineering and Technology (TRAMIET) established in 2009 by imparting education in the B. Tech. and Diploma programme in different disciplines of engineering and technology. Abhilashi College of Nursing at Tanda, P.O. Balt, Distt Mandi is imparting education in B.Sc. Nursing, GNM, ANM and Post-Basic B.Sc. Nursing courses.

Vision

Excellence in professional and technical education through dedication and innovative research.

Our Mission

- To provide environment for achieving excellence in education.
- To create and generate conditions for quality education.
- To impart quality education through value-based & industry-based curriculum.
- To strengthen in humanistic, social and moral values.
- To plant education and qualities of leadership in minds of students for future development of the nation.

From Chancellor's Desk

Education is the driving force for effecting change in a person, community, society, and nation. It breaks the barriers of caste, creed, ethnicity and religion by training the minds to think logically; envision, innovate, invent and discover methods for creating a harmonious and sustainable society with skills, positive mindset, knowledge and high values of life. Education being so important, therefore, the mission of the Abhilashi University is "To provide environment for achieving excellence in education through leadership-based, value-based & industry-based curriculum for the overall development of the minds of students for the future development of the nation in turn".

For any University, the structure of excellence lies in the transitional ability of its faculty and its facility. I am always in awe of the efforts that our academic board puts into developing the team of subject matter expert at Abhilashi University. My faculty colleagues understand our core vision of empowering our future generation to be ethically, morally and intellectual elite. They practice the art of teaching with a student centered and transformational approach. The excellent infrastructure at the University both educational and extracurricular, magnificently demonstrates the importance of ambience in facilitating focused learning for our students

The Abhilashi University is one of leading Universities of north India which has been successfully approved by the 1st Inspection Committee of the University Grants Commission within two years of its inception. Further, the University has the approval of University Grants Commission under section 2(f) and Section 22 of UGC Act, 1956 and a member of AIU (Association of Indian Universities), Central Council of Indian Medicine, Pharmacy Council of India, Bar Council of India, Himachal Pradesh Para Veterinary Council and Indian Association of Physiotherapists.

It is my pleasure to extend warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group and I honestly assure them that they will shine in their career, beat the crowd of this competitive world and realize their cherished missions after completing their education from our University and other Institutions of higher learning.

Dr. R.K. Abhilashi
The Chancellor

From Pro-Chancellor's Desk

The fast changing world of tomorrow will be an existing and a challenging place to live, where only people who adopt themselves to the situation, keep pace with upcoming technologies and take the ability to align their ideas, thoughts and way of working to changing situation will survive. At Abhilashi university we recognize this need to prepare the students for the challenges of the 21st century and to provide an atmosphere which will encourage them to become lifelong learners and to work in multi cultural, ever changing society.

As education and knowledge are of paramount significance for the different sections of the society, therefore, the Abhilashi Educational Society has developed a hub of educational institutions in and around the Nerchowk town of Mandi District (H.P.). Majority of the institutions are situated in the rural area so that the students can get a serene, calm, pollution-free academic environment for concentrating in their studies, innovating and becoming an asset to the society. The other reason for situating and developing the educational institutions in the rural area, is the pious mission of the Abhilashi Educational Society to improve the quality of life of the rural people by education, employment and other means of entrepreneurship such as opening hostels, paying guest houses, grocery shops, tea shops and other means of livelihood possible at their thresholds.

The vision of the Abhilashi University is "Excellence in professional and technical education through dedication and innovative research". Thus to achieve this mission, the University has adopted a very high standard of education which gets reflected through the recognition of the University by the University Grant Commission Inspection Committee and AICTE Expert Committee and the ratification of the same by the UGC within a period of two years of the establishment of the University. Further, the standard of the University has also been applauded by the other bodies such as PCI, BCI, CCIM and H.P. State Para Veterinary Council.

It is my pleasure to extend warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group and I honestly assure them that they shall shine in their career and beat the crowd of this competitive world.

Dr. L. K. Abhilashi
Pro-Chancellor

Vice-Chancellor's Message

Professor Amar Singh Guleria (B. 1950) Graduated from Punjab University (1970), Post Graduation, and Ph.D. from newly emerged Himachal Pradesh University, Shimla (1972, 1988). Dr. Guleria has served, Himachal Pradesh University, Shimla (1973-1977); Indian Institute of Management, Ahmadabad, IIMA (1978-1983); and Himachal Pradesh University, Shimla as Professor in Economics (1983-2010). Thereafter, he joined the Abhilashi Group of Institutions (AGI) and continued to be the Director of Abhilashi Institute of Management Studies (AIMS), Nerchowk, Mandi (2010-2014). He also worked as Director (TRAMIET) and Group Director of AGI in 2015. Professor Guleria was a founder Dean of Studies and Director Research of the Abhilashi University, Mandi (2014 -2017). Currently, Professor Guleria is a Vice-Chancellor of Abhilashi University, Chail-Chowk, Mandi (HP).

Prof. A. S. Guleria
Vice-Chancellor

Higher education is considered as a vehicle of social, economic, political, cultural transformation and growth & development, Education which one receives after 12th standard in colleges, universities, institutes and deemed universities is higher education that includes diploma, undergraduate, postgraduate and doctoral degree study programmes. The 21 century is going to be the knowledge century and economic growth will be linked with human resources, development, gross enrolment ratio in higher education which is important indicator of development, Further, there are vast discrepancies in this regard amongst women, SC, ST, rural and urban populations. This is a challenge as well as opportunity to establish educational institutions especially in the private sector to provide and improve higher education system in India. The large population (15-24 years) in India are prospective entrants in higher education. The number of institutions required to achieve GER 30% or above in higher education has to be increased tremendously and government alone cannot achieve this task and thus the private sector has a big role to play. Universities which have adequate infrastructure for teaching and research, well qualified and innovative faculty, academic and industrial collaborations at national and global level will be in demand. Active dialogue among academia, industry, government and all stakeholders is inevitable to address the challenges in higher education and grab the opportunities to make our country a knowledge hub or power in the world. Abhilashi University is an attempt in this direction which was established in 2014 and duly approved by UGC. University is located In Himachal Pradesh within North-west Himalayan region. The end product of education at Abhilashi university create and train human resource to protect the interest of man and nature we inspire and ignite mind of graduate, post graduate and scholar of eminence to fuel unprecedented growth & development to wipe out poverty, hunger, disease, unemployment, enormous pollution and advance the frontiers of knowledge, shrink the boundaries of ignorance and ensure happiness all around. The University has excellent auditorium, conference halls, lecture halls, laboratories, seminar halls, tutorial rooms, computer labs, play grounds, hostels and well equipped hospital of Abhilashi Ayurvedic College & Research Institute with highly professionally qualified team of doctors, faculty members and supporting staff. The University has fully Wi-Fi campus. Therefore, to ensure better career and bright future with appropriate placement, I welcome the students, parents and new entrants for their choice and association with Abhilashi University.

Message from the Desk of Registrar

“Somewhere, something incredible is waiting to be known.”

-Carl Sagan

I came across this amazing quote quite suddenly when I was looking for some information in the internet and realized how relevant it is for all of us: children, parents and teachers. There is never any point in the life of a person when he can sit back and say. *“There is nothing more to learn, I can relax with the comforting thought that the universe around me is an open book. I know it all.”*

Education is not just about the subjects that are learnt and taught in educational institutions. Becoming educated is not restricted to being initially in school and then in college, gathering certificates and feeling proud of oneself. It is a lifelong exercise that can be unbelievably exciting if only we wish to jump onto the train of experience and take a trip to every conceivable place on the earth. Now we know that this cannot be done literally, so how do we manage it, first in school/college life and then as we go on through the journey of life?

First, we all have to be on the same page: children, teachers and parents have to understand that education is not restricted to lessons taught in the classroom from text books. Parents and teachers must encourage students to ask as many questions as they can. For it is in wanting to know that will result in actually getting to know.

The thirst for knowledge is not restricted to the student only but it is also essential for a parent and a teacher to keep adding to their own knowledge bank by keeping their eyes and ears open and by reading as much as possible and ensuring that children develop these habits as well. As Isaac Asimov said;

“I received the fundamentals of my education in school, but that was not enough. My real education, the superstructure, the details, the true architecture, I got out of the public library. For an impoverished child whose family could not afford to buy books, the library was the open door to wonder and achievements, and I can never be sufficiently grateful that I had the wit to charge through that and make the most of it.”

Besides all of the above, that add to children becoming truly educated, educational institutions and teachers must ensure that children have a society of enriching experiences. Surprisingly, these experiences develop a child's creativity and imagination and lead to something that is often thought to be more important than knowledge. Creativity and imagination make children grow up to be productive adults who then arrive as citizens of the world ready to make their own great contribution to mankind.

I welcome you to the **Abhilashi University**, an institution where we help you to shape your future and help you in achieving the destination of the life which you want to achieve. I assure you that at Abhilashi University we will not leave any stone un-turned in making your dream come true. At last I will like to add a few words of Albert Einstein-

“Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world, and all there ever will be to know and understand.”

Admission for Session 2019-20

Abhilashi University aims to impart quality education to its students by applying modern scientific techniques. University follows CBCS and Semester System (Annual System for BAMS and Diploma in Pharmacy) for teaching and evaluation. Each semester of study has minimum requirement of attendance and pass percentages in theory and practical examinations. Each course is defined in terms of credit hours for lectures, tutorials and practical classes. A student is registered to each course in the beginning of the programme. The duration of the course is given under the respective faculty. Each semester will have mid-term and end-term semester examinations.

Admission to academic session 2019-20 will be based on National Level/State Level Entrance Test, Combined Entrance Test (AUCET-2019) and on the basis of marks in qualifying examination.

Documents required at the time of Admission :

The following certificates/documents (self attested by the candidate) be submitted along with the admission form:

1. Three passport size photographs.
2. Matriculation certificate.
3. 10+2 Examination pass certificate.
4. Detailed marks sheets of all semester of graduation in case student is seeking admission in post graduation programme.
5. SC/ST/OBC certificate, if applicable.
6. Original Character certificate from institution last attended. In case there is a gap in studies character certificate issued by Tehsildar/SDO (C) of the area.
7. Original Migration Certificate. In case it is not available at the time of admission then the student may submit it within one year failing which result of third semester will not be declared.
8. An affidavit in case there is a gap in studies.
9. Copy of Aadhar Card.
10. Low income group candidate may submit income certificate issued by Tehsildar/SDO (C) for scholarship.

Abhilashi University has the following Faculties, Schools & Departments

Sr. No.	Faculty	School	Courses
1.	Ayurveda	Abhilashi Ayurvedic College	BAMS D. Pharmacy Ayurveda
2.	Science	Agriculture	B.Sc. (Hons) Agriculture M.Sc. Agriculture (Entomology & Plant Pathology)
		Basic Sciences	M.Sc. (Zoology & Mathematics) Ph.D in Zoology
3.	Pharmacy	Pharmacy	D. Pharmacy (Allopathy) B. Pharmacy (Practice) B. Pharmacy (Allopathy) M. Pharmacy (Pharmaceutics) M. Pharmacy (Pharmaceutical Chemistry) Ph. D. (Pharmaceutical Science)
		Veterinary Science	Two Year Veterinary Pharmacist Training Course
4.	Engineering & Management	Engineering	B. Tech (CSE)
		Management	DCA (1 year) PGDCA (1 year) BBA MBA Ph.D. (Management)
5.	Humanities	Education & Sciences	M.A. Education Diploma in Arts & Craft 4 Years Integrated B.A. B.Ed., B.Sc. B.Ed. M.A. Fine Arts Ph.D. Education
6.	Language	Foreign Language	Certificate Courses in 1) French 2) German 3) Spanish

Important Dates for AUCET- 2019

Abhilashi University will admit students for the session 2019-20 in the disciplines of Ayurveda, Agriculture and Basic Sciences through Entrance Test AUCET-2019. The examination centres for AUCET-2019 will be at Chailchowk and Gangtok (State of Sikkim).

The schedule of examination is given below:

Sl. No.	Name of Course	Eligibility	Last date for submission of applications	Date of Entrance Test
01	BAMS	50% with valid NEET Score. 5% Relaxation for SC/ST	30/07/2019	05/05/2019 NEET
02	B.Tech (CSE)	JEE/ HPCET Or 50% in 10+2 (Non-Medical) for Gen. & 45% in 10+2 (Non-Medical) for SC/ST	30/04/2019	06/04/2019 to 20/04/2019
03	B. Pharmacy	50% in 10+2 (Science) for Gen. & 45% in 10+2 (Science) for SC/ST	30/06/2019	–
04	MBA	CMAT/ HPCET Or 50% in Graduation for Gen. & 45% in Graduation for SC/ST	15/07/2019	–
05	B.Sc. (Hons) Agriculture	AUCET Or 50% in 10+2 (Science)	15/05/2019	19/05/2019
06	2 years Veterinary Pharmacist Training Course	10+2 (Any Stream) with 60%	30/04/2019	On the Basis of merit of Qualifying Examination
07	4 Years Integrated BA BEd, B.Sc. B.Ed	AUCET Or 50% in 10+2 (Medical) for Gen. & 45% in 10+2 (Medical) for SC/ST	30/05/2019	02/06/2019
08	M.Sc. in Mathematics & Zoology	AUCET Or 50% in B.Sc. for Gen. & 45% in B.Sc. for SC/ST	30/07/2019	04/08/2019
09	MA Education, MA Fine Arts	Graduation with 50% marks	30/07/2019	On the Basis of merit of Qualifying Examination
10	Diploma in Arts & Craft (Drawing Master)	10+2 any stream	30/07/2019	
11	BBA, DCA	10+2 any stream	30/07/2019	
12	PGDCA	Graduation any stream	30/07/2019	
13	M.Sc. Agriculture (Ento. & Plant Patho.)	B.Sc. Agriculture	30/07/2019	04/08/2019
14	B. Pharmacy (Practice)	D. Pharm & 2 Years Experience	03/07/2019	–
15	D. Pharmacy (Allopathy)	10+2 (Non-Med./ Med.)	30/07/2019	On the Basis of merit of Qualifying Examination
16	D. Pharmacy (Ayurveda)	10+2 any stream	30/07/2019	

- Admission to other programmes will be made on the basis of merit/ marks obtained in National level/ State level/ Other state level tests conducted by Govt. of Sikkim/ Manipur/ Arunachal Pradesh/ Tripura/ merit in qualifying exam.
- Lateral Entry candidates will be admitted directly to B.Tech. and B.Pharmacy.
- MCQ type test will be of two hours duration for each course.

RAGGING IS STRICTLY PROHIBITED

Abhilashi Ayurvedic College and Research Institute

(A Department of Abhilashi University)

Dr. D. K. Mishra
Principal

Prof. D. K. Mishra completed BAMS from Sampurnanand Sanskrit University, Varanasi and M.D. Kayachikitsa from Institute of Post Graduate Training & Research in Ayurveda, Shyamadas Vaidya Shastra Peeth, Kolkata. Prof. Mishra has more than 28 years of Teaching and administrative experience. He has served as Professor and Vice Principal SGM Ayurvedic College and Hospital, Nandganj, Sahari Ghaipur, U.P.; Principal SUDAC Hoshiarpur; Principal JIAR Jammu; Professor and Vice-Principal at Guru Nanak Ayurvedic College, Gopalpur, Ludhiana, Punjab.

Ayurveda is a system of medicine. When translated from Sanskrit, Ayurveda means 'the science of life'. It provides us the knowledge of how to prevent diseases and to eliminate the root cause.

Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is situated at such a place, the surrounding of which are so picturesque which make it more suitable for teaching and training of Ayurvedic Education and Research. The surrounding flora is rich in important medicinal plants. Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is running graduation level programme, Bachelor of Ayurvedic Medicine and Surgery (BAMS), which is recognized by Central Council of Indian Medicine (CCIM), Government of India, New Delhi. It is also running Diploma in Pharmacy (Ayurveda) course.

Abhilashi Ayurvedic College and Research Institute has its own multi-specialty 60 bedded hospital, well furnished pharmacy and herbal garden with more than two hundred species of medicinal plants. In addition to Central Library, Abhilashi Ayurvedic College and Research Institute has its own working library with more than 10000 plus books.

RAGGING IS STRICTLY PROHIBITED

The Aims and Objectives:

1. To promote the growth and development of Ayurveda.
2. To produce graduates who can efficiently serve in Ayurvedic Health Services and also as Ayurvedic Practitioners.
3. To provide health care to patients by specialists of various fields of Ayurveda.
4. To co-ordinate with other State and National Health Services for providing complete health care.
5. To conduct "re-orientation" training programmers for Ayurvedic Physicians.
6. Programme and activities
 - i) Blood Donation Camps.
 - ii) Conference, Seminars and workshops on various health related issues.
 - iii) Swachta Abhiyan.

Bachelor of Ayurvedic Medicine and Surgery, B.A.M.S.

Abhilashi Ayurvedic College and Research Institute is running Bachelor of Ayurvedic Medicine and Surgery (BAMS) programme on the annual system of teaching and evaluation.

Duration: Five and half years including Compulsory Rotatory internship of one Year.

Seats: 60

Eligibility & Admission Criteria:

Admission in BAMS Course will be done on the basis of merit in NEET and qualifying examination with minimum 50% in 10+2 (Medical) with valid NEET score 05% relaxation for SC/ST.

Diploma in Pharmacy (Ayurveda):

Duration: 2 Years.

Seat: 60

Eligibility: A candidate who has passed 10+2.

Admission: The admission will be made on the basis of marks in the qualifying examination.

Hospital

Abhilashi University has its own 60 bedded multispecialty hospital. It provides the basic facilities for clinical training and research for BAMS students. The hospital has well equipped Operation Theater and a labour room. The Panchkarma and Ksharsutra facilities are well established. The hospital has laboratory investigation facilities of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG etc. Hospital has sufficient numbers of staff members i.e. Medical Specialists, Medical officers and other supporting staff as per CCIM norms.

Faculty of Science

School of Agriculture

Dr. S.S. Masand
Dean, Agriculture & Science

Professor S. S. Masand has served CSKHPKV, Palampur (H.P.) for more than 35 years and retired from the post of Principal Scientist in 2008. During his tenure of service, Prof. Masand has gained wide experience in teaching, research and extension in the field of agriculture. Since 2014, he has been serving Abhilashi University as professor of Soil Science. Currently Prof. Masand is the Dean, Faculty of Science, Abhilashi University, Chail-Chowk (Mandi).

In agriculture, there is a wide scope for youth to experience plenty of opportunities in public sector, rural sector, farming, consultancy and advisory roles in business firms in private and public sectors etc. The agriculture courses have immense opportunities under the 'Start up Scheme' launched up by Hon' ble Prime minister of India. Therefore, we welcome large number of youth to opt graduation courses in agriculture at Abhilashi University.

Agriculture is the science and art of cultivating plants and live stock for economic purposes. It plays an important role in the life of mankind from early civilization. It was the key development in the rise of sedentary human civilization, whereby farming of domesticated species created food surpluses that nurtured the development of civilization. It gains modernization with the passage of time. Modern Agricultural practices are increasingly turning out to be knowledge based and hence gaining expertise in them is exceedingly important. Industrial agriculture based on large-scale monoculture farming has now become the dominant agricultural methodology.

India does require agricultural education at all levels so that Indian farmers are better equipped to handle the threats of globalization. There is yearly hike in the budget of agriculture sector in India. However, with the entry of foreign direct investment (FDI) in the agriculture sector, many MNC's have forayed into the segment with dozens of agro-products; subsequently this has resulted as a threat to Indian farmers who lack professional expertise to better deal with the issue. Hence the need of the hour is to give agricultural education a high priority. India is yet to emerge as a significant trade partner in the world agriculture market. There are exciting opportunities for youth in agriculture and many graduates in rural sectors follow career in farming, the management of agriculture and other rural businesses, consultancy and advisory roles to business firms in private or public sectors. There are also significant career opportunities in the area of food production and supply management including consumer research through manufacturing, distribution and the industries supporting agriculture and horticulture. The agriculture courses have immense opportunities under the "Startup Scheme" launched up by Hon'ble Prime minister of India.

School of Agriculture has been established in Abhilashi University under Faculty of Science in 2014. This school is offering B.Sc. (Hons.) Agriculture (4-year course spread over 8 semesters) with an intake capacity of 120 students. Under the co-education system, the students are admitted to the course after an entrance test conducted by the university.

After going through common and elective courses in Agriculture, Animal Husbandry and Basic Sciences during the degree programme, we have in the course curriculum a six week exposure of the students in complete rural settings where the students will go and live along with farm families in the villages and have the first-hand experience of their living, agricultural practices, difficulties and expectations. Students will be attached to an agriculture based industry in order to acquaint themselves with post-harvest processing of agriculture produce and link agriculture production with industry.

The school has highly qualified teachers, well equipped laboratories, class rooms and well laid out terraced student's farm representing typical hilly terrain. Occasional snowfall during the winter adds to the beauty of the university campus and places it at a location which is marginal to temperate as well as sub-tropical agro climatic conditions, thus enabling teaching and research under both the situations.

The practicals of the students training are backed by thorough field training and exposure at farmer's fields. The students are encouraged to participate in co-Curricular activities, sports events and other cultural activities of local and national/international significance. The exposure of students is also backed by educational tour to different parts of the country.

A group of 3-4 students is allotted a piece of land where they are required to raise the seasonal field and vegetable crops. The inputs are provided by the University and the students are required to raise the crops under the guidance of respective teachers. They are evaluated on the basis of field record and stand of crops.

This provides them a good practical exposure.

Course: B.Sc. (Hons.) Agriculture

Duration: Four years (8 semesters)

Seats: 120

Eligibility: Candidates having passed 10+2 with science and secured not less than 50% marks in aggregate for general category and 45% for SC/ST who have qualified AUCBT-2019. Candidates securing 50% marks in aggregate for general category (40% for SC/St categories) who have appeared in state level entrance test conducted by CSK Himachal Pradesh University, Palampur or Dr. Y.S. Parmar University of Horticulture and Forestry, Nauni (Solan).

Admission: Admission will be made on the basis of merit of entrance examination conducted by Abhilashi University (AUCBT-2019) or CSK HPKV Palampur or Dr. Y.S. Parmar UHF Nauni (Solan).

NEW COURSES

Course: M.Sc. Agriculture (Plant Pathology)

Duration: Two years (4 semesters)

Seats: 6

Eligibility: B.Sc. (Hons.) Agriculture/ Horticulture/ Forestry/ Sericulture/ B.Sc. Agriculture/ Horticulture/ Forestry/ Sericulture (4/ 5/ 6 years programmes only) with minimum 50% marks.

Admission: Admission will be made on the basis of merit of entrance examination conducted by Abhilashi University (AUCBT-2019) or CSK HPKV Palampur or Dr. Y.S. Parmar UHF Nauni (Solan).

Course: M.Sc. Agriculture (Entomology)

Duration: Two years (4 semesters)

Seats: 8

School of Basic Science

Basic sciences are the backbone of research in health, industry, water, earth and space. School of Basic Sciences offers graduate, postgraduate and doctorate programmes. The school is offering postgraduate degrees in the subjects of Mathematics and Zoology. In the Ph.D. program students have been enrolled in the departments of Zoology. The different departments of School of Basic Sciences have well equipped laboratories and classrooms. More emphasis is laid on the on-hand training to the students. Educational visits to curriculum oriented places and industries are undertaken during the program.

Course: M.Sc. Zoology
Duration: 2 years (Four semesters)
Seat: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Zoology as one of the subjects of study with 50% marks (45% for SC/ST)
Admission: Merit in the AUCET-2019.

Course: M.Sc. Mathematics
Duration: 2 years (Four semesters)
Seat: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Mathematics as one of the subjects of study with 50% marks (45% for SC/ST)
Admission: Merit in the AUCET-2019.

Course: Ph.D. Zoology
Duration: 3 years
Seat: 4
Eligibility: A candidate who has passed Master degree/ M.Phil. in Zoology from a recognized university with 55% marks (50% for SC/ST) or NET/ SLET.
Admission: Merit in the AUCET-2019.

Faculty of Humanity & Education

School of Humanity & Education

School of Humanity & Education, Abhilashi University ensures to provide the better quality teaching fraternity to the State and the Nation. As a teacher is considered To be builder of the nation so in this tune role of good teacher becomes of paramount importance.

Course: 4 years integrated B.A. B.Ed.
Duration: 4 years
Seat: 50
Eligibility: 10+2 any stream
Admission: Merit in the AUCET-2019 and as per the marks in qualifying examinations.

Course: 4 years integrated B.Sc. B.Ed.
Duration: 4 years
Seat: 50
Eligibility: 10+2 (Science)
Admission: Merit in the AUCET-2019 and as per the marks in qualifying examinations.

Course: M.A. Fine Arts
Duration: 2 years
Seat: 30
Eligibility: Graduate any stream
Admission: Merit in the AUCET-2019 and as per the marks in qualifying examinations.

Course: M.A. Education
Duration: 2 years
Seat: 40
Eligibility: Graduation or equivalent in respective field
Admission: Merit in the AUCET-2019 and as per the marks in qualifying examinations.

Course: Diploma in Arts & Craft (Drawing Master)
Duration: 2 years
Seat: 50
Eligibility: 10+2 any stream
Admission: Merit in the AUCET-2019 and as per the marks in qualifying examinations.

Course: Ph.D. Education
Duration: 3 -5years
Seat: 06
Eligibility: A candidate who has passed Master degree/ M.Phil. in Education From a recognized university with 55% marks (50% for SC/ST) Or NET.
Admission: Merit in the AUCET-2019.

Faculty of Pharmacy

School of Pharmacy

Prof.(Dr.) Amit Chaudhary has a commendable track record in academics. He also served as Director & Dean in various known colleges and universities. He has actively engaged for a long period in teaching and administration.

Prof.(Dr.) Amit Chaudhary
Dean, School of Pharmacy

He has published various research papers in reputed national & international journals. He has many years of exposure in research & development. He gives an enormous weight age to both theoretical & practical aspect of teaching courses as stipulated in the curriculum of D.Pharm, B.Pharm, M.Pharm and Ph.D programmes of P.C.I and UGC.

I am pleased to present before you the information brochure of the School of Pharmacy, Abhilashi University, Himachal Pradesh. The school of pharmacy started in 2014 with Bachelor of Pharmacy Courses is now turning out high quality D. Pharm, B. Pharm, Pharmacy Practice, M. Pharm, Ph.D students. The school of pharmacy has dedicated, highly qualified, experienced and efficient faculty to guide students and to impart quality education, and has also excellent Laboratories with State-of-art equipment's and machinery as per the norms of PCI and UGC New Delhi. The school of pharmacy provides very rich knowledge platform for our students to develop overall personality and self-confidence. The University Campus is totally free from ragging and un-ethical practices.

The quality processes have been highly appreciated by various regulatory bodies including the Pharmacy Council of India (PCI) and UGC. In a short span, our campus has made significant progress in the field of technical education, research and development. This has been achieved by outstanding student participation in various activities ably supported by highly qualified and motivated faculty, a world-class infrastructure and virtual learning system - Blackboard available at the campus, 24 X 7 access to e-library and scientific wealth through Wi-Fi. Credit goes to our beloved Chancellor sir Dr. R. K. Abhilashi and his team who made it possible. Residential campus gives us flexibility to groom disciplined future professionals, nurturing their life values and hidden talents and strengthening their inherent good qualities. This includes co-curricular and extracurricular activities round the year. Sports also has its own place in the campus life of students with well-maintained courts, facilities and professional coaches. Soft skills & communication skills are the integral parts of the curriculum. We believe in the holistic development of our students. Our alumni are well placed, accomplished professionals, affectionate about their Alma Mater, and always been a part of Campus's exaltation. We whole heartily welcome to our new students in coming academic year for the seat of learning.

School of Pharmacy is approved by PCI. Pharmacy is the science and technique of preparing and dispensing medicines. It is a health profession that links health Sciences with chemical and biological sciences and aims to ensure the safe and effective use of medicines. The scope of pharmacy profession includes more traditional Roles such as compounding and dispensing medicines to health care and clinical services, reviewing medications for safety and efficacy and providing drug Information. Pharmacists are experts on drug therapy and are primary health care professionals who optimize use of medication for the benefit of patients and society. The teaching and learning process at Abhilashi University is designed to produce right combination of skills, knowledge and attitude.

RAGGING IS STRICTLY PROHIBITED

Under-Graduate Programme

B.Pharmacy (Allopathy)

Duration: 4 Years
Seats: 60

Eligibility: Admission will be made on the merit of HPCET or 45% in 10+2 (Science) for Gen. and 40% in 10+2 (Science) for SC/ST.

Lateral Entry: Passed Diploma in Pharmacy (Allopathy) examination from PCI approved institution with 45% marks for General and 40% for SC/ST category candidates.

B. Pharmacy (Practice)*

Duration: 2 Years
Seats: 40

Eligibility: (1) A pass in Diploma course in Pharmacy from an institution approved by the Pharmacy Council of India.
(2) A registered Pharmacist. (3) A minimum of four years of Pharmacy Practice experience in Community or hospital Pharmacy

Lateral Entry: Passed Diploma in Pharmacy (Allopathy) examination from PCI approved institution with 45% marks for General and 40% for SC/ST category candidates.

Diploma in Pharmacy (Allopathy)

Duration: 2 years.
Seats: 60

Eligibility: Candidates having passed (10+2) with science examination /Equivalent examination conducted by the recognized education Board/University. The eligible candidate should fulfil the minimum Entry level qualifications prescribed by PCI or any other Qualification approved by the PCI.

Post- Graduate Programme

Master in Pharmacy (Pharmaceutics & Pharmaceutical Chemistry)

Duration: 2 years (4 semesters)
Seats: Pharmaceutics 06, Pharmaceutical Chemistry 09

Eligibility: The admission to M Pharmacy degree course shall be made on the basis of merit of valid GPAT score. In case the seats remain vacant after exhausting the merit of GPAT, the vacant seats will be filled up on the basis of merit of HPCET. In case the seats still remain vacant after exhausting the merit of National level test and HPCET, the seats will be filled up on the basis of merit of B. Pharmacy degree awarded by the recognized University having minimum 55% for Gen and 50% for (SC/ST).

Research Degree Programme:

Ph.D. in Pharmacy (Pharmaceutical Sciences)

Seats: Pharmaceutical Sciences 05
Eligibility: A candidate with 55% marks (50% for ST/SC) at Master level in Concern specialization. The admission shall be through AUCET-2019 except those who have qualified UGC- NET/CSIR (JRF, NET) /SLET/GPAT/direct awardees of DST/ICMR/DRDO/INSPIRE and other state or central level Fellowship.

Faculty of Engineering and Management

School of Engineering

School of Engineering was established in 2014 with the objective to provide high quality education in major engineering disciplines from undergraduate to post graduate levels through a creative balance of academic, professional, and extracurricular programmes. The mission of the School of Engineering is to make the graduates morally conscious and highly competent engineers, conduct internationally recognized research, and provide quality professional and community services. The School of Engineering has well-qualified and committed faculty members, supporting staff and modern infrastructure in the form of elegant and smart classrooms, spacious laboratories, latest machinery and equipment. Students are encouraged to participate in co-curricular and extra-curricular activities to acquire leadership qualities. The Department emphasizes on modern laboratories to cater to the needs of academic and research activities. It is well equipped with computational facilities and resources both in terms of hardware and software.

RAGGING IS STRICTLY PROHIBITED

The School of Engineering is running the following academic programmes:

Undergraduate Programs:

Bachelor of Technology (B. Tech.) in Computer Science & Engineering (Intake -60 Seats)

Course Duration: 4 Years (8 Semesters)

Laboratory Facility:

- **Computer Science & Engineering:** Computer Centre, Operating Systems & Data Structures Laboratory, C, C++, Java, Unix, Matlab, Physics Lab., Chemistry Lab.

Eligibility and Admission Criteria for Undergraduate Programs:

The candidate must have passed 10+2 examination with 45% marks for general category (40% marks for SC/ST category) from a recognized Board of Education with Non- Medical.

Lateral Entry:

For the candidates seeking admission in B. Tech II year through Lateral Entry must have passed Diploma course in appropriate branch of Engineering with 45% marks for general category (40% marks for SC/ST category) or B.Sc. with 45% marks for general category (40% marks for SC/ST category) having passed 10+2 examination with Mathematics as one of the subjects will be admitted on merit basis.

School of Management

In the changing global scenario the importance of management has increased in our life. Applying the critical thoughts in management one can live a better and comfortable life.

The aim of School of Management is to produce the graduates & Post graduates morally conscious and competent entrepreneurs conduct internationally recognized research, provide quality professional and community services. Our School of Management is delivering education to the students to meet the standards of corporate world. The well qualified and dedicated faculty of the School is endeavouring towards this goal of the School. The School is equipped with modern infrastructure in the form of smart class rooms and spacious laboratories with computational facilities. The students are guided by the faculty members to participate in co-curricular and extra-curricular activities to develop to leadership qualities. The School offers graduate, postgraduate and doctorate programmes as follows:-

Master of Business Administration (MBA)

Duration: 2 years (4 semesters)

Seats: 40

Eligibility and Admission: The candidate must have passed graduation level examination in any discipline from a recognized University. The admission to the course shall be made on the basis of merit of National/State level entrance examination (HPCET) CAT, CMAT, MAT or 60% marks for general category (55% marks for SC/ST category) in the Bachelor Degree of examination conducted by the recognized University.

Doctor of Philosophy (Ph.D) Management:-

Duration: Three Years (6 Semesters)

Seats: 04

Eligibility and Admission: The candidate must have passed MBA/M.Com. Examination from a recognized University with 55% marks for general category (50% marks for SC/ST category).

Bachelor of Business Administration (BBA)

Duration: 3 Years (6 semesters)

Seats: 40

Eligibility and Admission: The candidate must have passed 10+2 examination in any discipline from a recognized University

DCA (Diploma in computer application)

Intake: 40

Course Duration: One Year

Eligibility and Admission: The candidate must have 10+2 examination from a recognized Board of Education in any stream.

Post Graduate Diploma in Computer Application (PGDCA)

Intake: 40

Course Duration: One Year

Eligibility and Admission: The candidate must have passing any Graduate Degree in any stream from a recognized University/ College).

1.	Admission, Registration & Teaching	February 01, 2020
2.	Mid-Term-I Examination	March 15-17, 2020
3.	Mid-Term-II Examination	May 15-17, 2020
4.	End Semester Practical Examination	May 20-23, 2020
5.	End Semester Theory Examination	June 15-20, 2020
6.	Summer Break	July 01-31, 2020
7.	Declaration of Results	July 20, 2020

For Annual System courses the annual examination will be along with the even semester end semester examination. The rest remains the same.

Mentoring

The University has adopted Mentoring System. Faculty members act as mentors of the students. 20 students of each course placed under each mentor. The mentor will monitor:

- i) The academic progress and attendance record of the students.
- ii) To have the contact Nos. of students, their parents / guardians and inform them about the academic progress, attendance, good qualities and drawbacks of the students, if any regularly.
- iii) Behaviour of students in the classroom, hostel as well as in the University or any other noticeable activity of the student will be conveyed to the parents.

Internal Quality Assurance Committee (IQAC)

In pursuance to the Section 25 of the Abhilashi University (Establishment and Regulation) Act the university has constituted Internal Quality Assurance Committee (IQAC) for ensuring and monitoring quality education in the university.

Sikkim Cell

The University has constituted cell for the welfare of the Sikkim's students where students can post their grievances on University website portal.

Fee

Fee for different courses will be as approved by the Government of Himachal Pradesh for the session 2019-20 and the details be provided to the students at the time of admission.

Refund of Fee

Fee once paid is not refundable. If a student withdraws his/her admission before the last date of admission and the seat gets filled with wait listed candidate then the entire fee collected from the student, after a deduction of the processing fee of Rs. 1000/- (One thousand only) shall be refunded.

Scholarship Schemes

Tuition fee waiver will be provided to H.P School Education Board topper in the class in first year of the course. All scholarship schemes of Central Government, H.P. Government and other State Governments for higher education are made available to the students.

Reservation in Admissions

At least 25 percent seats for admission to each course shall be reserved for students who are Bonafide Himachalis and the remaining 75% seats open to all over India and abroad. Seats for admission in the University, for the students belonging to Scheduled Castes, Scheduled Tribes and Other Backward Classes, Handicapped students and BPL/IRDP shall be reserved as per policy of the State Government.

The 10% (ten percent) seats shall be reserved for the Himachali Bonafide BPL/IRDP candidates as per the provisions made by various Regulatory Bodies.

Proposed Fee structure in r/o of Abhilashi University, Chailchowk, Tehsil Chachyot, District Mandi H.P.

Eco-Clubs

These clubs play very important role in creating environmental awareness among the students. They undertake various eco-friendly activities motivate students to keep the environment neat and clean by minimization of waste production, proper disposal of waste, effective use of water and undertaking plantation of trees. They also organize Quiz, Essay and Painting competitions regarding various environmental issues and educate the students about the reuse of waste material and preparation of useful products out of the waste.

National Service Scheme (NSS)

The University has been given permission by the Govt. of Himachal Pradesh for establishment of One Unit (comprising of 100 volunteers) of National Service Scheme (NSS) in the University. The unit carried various activities and participated in Swachhta Abhiyaan helping locals in cashless transaction knowledge and some volunteers also attended water sports competition held at Pong Dam, District Kangra, H.P.

Dean Students Welfare

The office of Dean Students Welfare co-ordinates various activities for the welfare of the students. It aims at social harmony and peace in the campus and makes good citizens of India in addition to good academicians. DSW allots hostel accommodation to students, supervises sports and cultural activities of the students and also organizes debates, declamation contests and quiz competition programs. The office also organizes different cultural and academic tours for students during holidays.

RAGGING IS STRICTLY PROHIBITED

Hostel

'Hostel is home away from home'. At the end of each academic day a student feels completely exhausted and requires recharge of physical and mental energy. All these call for a comfortable residential accommodation which provides the necessary ambience for group interaction and learning situations, for achieving academic excellence.

University has constructed well-furnished separate hostels for boys and girls. It is accepted that the quality and availability of lodging is a major concern to all the students, and due to this our University has given them first class facilities which include the following:

1. Separate hostels for boys and girls.
2. Well furnished, spacious, clean with excellent hygienic, modern style rooms.
3. Lodging is divided into single or double or triple sharing rooms.
4. Rooms are properly ventilated, spacious and equipped with separate beds, study tables and cupboards.
5. Each floor has facility for clean bathrooms and toilets.
6. Hot water is provided through solar heating system.
7. 24-hour water and power facility.
8. Common room with all amenities like television, newspapers and magazines.
9. Wi-Fi facility.
10. Mess facility managed by dedicated teams of employees for cooking and sanitation.
11. Highly dedicated security personnel who ensure proper security to students.
12. Round the clock security of the campus and the hostel managed by a private agency.

RAGGING IS STRICTLY PROHIBITED

Admission

1. Students seeking admission to the hostel will have to apply to the Warden of the hostel (Boys/Girls) at the time of admission in the University.
2. The names of the candidates approved by Dean Students Welfare will be conveyed to the Warden.
3. The selected students will have to take admission in the hostel allotted to them within the stipulated time by paying the requisite fee in the accounts branch of the university.
4. After depositing the fee by the student, Warden will allot room to the student in the hostel. Once the hostel admission is over, Warden will submit the list of hostel boarders to Dean Students Welfare.

Hostel Charges

According to H.P. Govt. norms.

Hostel Rules and Regulations

General Rules:

1. The hostel authorities will not be responsible for any loss/damage of private property such as cash/mobile phone/scooter/motorcycle and other valuables. The residents are advised to get their vehicles insured against loss, theft and fire.
2. When the student vacates his/her room, he/she will hand over to the Warden all hostel furniture and other property issued to him/her failing which he/she will be liable to pay the entire cost of materials issued.
3. Any violation of rules and regulations will be subject to strict disciplinary action and parents of the ward will be informed accordingly. Disciplinary action includes any or all of the following penalties in accordance with the nature and seriousness of the offence:
 - a. Payment for the repair or replacement of the article(s) damaged.
 - b. Suspension from the hostel for a specified period of time or expulsion from the Hostel/University.
4. A student admitted to hostel cannot withdraw from the hostel during the session 2019-20 i.e. up to July 2020.
5. Hostel is compulsory for BAMS students.

Note: Orders/decisions notified from time to time by the Hon'ble Vice-Chancellor/Dean Students Welfare/Warden will be binding on the residents.

Attendance and Leave Rules

1. The gates of the hostels will close and open at fixed time. Schedule will be put up on the notice board and the students will strictly adhere to it.
2. A resident shall, under all circumstances, take written permission from the Warden before leaving the hostel overnight. He/she shall sign the register maintained for the purpose at the hostel gate.
3. In the event, the University decides to increase the timings of library and other facilities, the University will make adequate arrangements for girl students.
4. The names of the residents absenting themselves without permission for three days or more may be struck off from the rolls of the hostel and possession of their rooms will be taken by the Warden.

RAGGING IS STRICTLY PROHIBITED

Behaviour & Discipline

All residents shall have their meals in dining hall in the hostel. No resident will take his/her food to his/her room except in case of ill health and with the permission of the Warden. Students will maintain perfect discipline, harmony and peaceful atmosphere in the hostel and refrain from the following:

1. Teasing, maltreating or indulging in any sort of ragging.
2. Stealing or pilfering Hostel/University or the property of other students.
3. Unruly conduct or rowdism.
4. Writing on the walls or other parts of the hostel buildings or sticking of posters or distribution of unauthorized handbill or notices.
5. Making noise and/or creating other disturbances, including the use of electronic or radios, in such manner as to disturb others.
6. Participating or causing others to participate in disturbances of any kind or behaving or causing others to behave in such a way so as to bring the Hostel/School/University into disrepute.
7. Changing rooms and transfer any furniture from one room to another without the prior permission of the hostel Warden.
8. Causing any damage to hostel/University property.
9. Using of electric heater, rod, and electric press etc.
10. Smoking, consumption of alcoholic drink, using drugs or any other intoxicating substances. Any resident found indulging in such practices shall be fined heavily and will be asked to vacate the hostel without any notice.
11. Acts of indiscipline, misbehaviour, gambling, or possession of weapons in the hostel premises including room. A resident guilty of any of these violations shall be liable to expulsion or any other punishment deemed fit by the authorities. In case a student is expelled from the hostel his/her case for allotment of room in the hostel will only be considered after two semesters.

RAGGING IS STRICTLY PROHIBITED

Facilities :

For Physically Challenged Persons

Physically challenged persons are also the part and parcel of the society and they contribute towards the development of the country. In Abhilashi University ramps are constructed for access to each block. In addition tricycles, wheel chairs, walking sticks, crutches and hearing aids are provided by the University. There is an elevator installed in the Administrative Block.

Medical Facility

Abhilashi University has 60 bedded Abhilashi Hospital on the campus with efficient medical and paramedical staff and well equipped laboratory facilities for clinical investigations of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG, Panchkarma and Ksharasutra etc. Hospital also provides OPD and IPD emergency facilities for the students, employees and the public.

Transportation

Transportation from nearby areas (around 30 KM from the University) are provided to the students.

Transportation charges per semester to be paid by the students at the time of admission for availing the University bus services as follows:

Transportation charges per semester from different places are as under:-

Name of Station	Transportation Charges	Name of Station	Transportation Charges	Name of Station	Transportation Charges
Gutkar, Chakkar, Bagla & Kanaid	Rs. 8000/-	Nagchala & Lunapani		Bhangrotu	Rs. 6500/-

			Chatrokhari Chowk		
Padhru & Piplu	Rs. 4000/-	Chail Chowk		Mairamasit	Rs. 10000/-
				Mandi	Rs. 10000/-

Parking Facility

The University has a big parking area to provide space and protection to the two wheelers and four wheelers of the students and employees of the University.

Library

Books are the food for the students. Abhilashi University has a fully equipped library which runs on automated software. It is housed in its own building and located centrally in the campus. It feeds to all types of readers by getting issued the books whereas journals, magazines and copies of the articles are for consultation in the library. The University library is equipped with the text books, reference books and research journals of different subjects. Access to online journals is through INFLIBNET and DELNET. The new relevant books are being added to the library stock regularly. The regular timings of the library are extended as per the demands of the students. Another unit of library has been opened in the Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University). Library is opened from 10 am to 6 pm daily, except Sundays and national holidays. All the students, employees and authorities of the University are the members of the library.

Digital Library

Digital library has twenty four terminals with internet facility.

University Canteen

Canteen is the ideal place for the staff and the students to refresh after the busy classes schedule. Abhilashi University has a canteen being managed by a private party. University has provided the necessary infrastructure required for the canteen. Canteen is supervised by the University canteen committee. The canteen provides food and snacks to students and staff at nominal rates.

RAGGING IS STRICTLY PROHIBITED

Placement Cell

The Placement Cell of Abhilashi University continually liaisons with industry, R&D organizations and management organizations, with the foresight of Training, Career-Guidance, Internship/Project, and Campus Placements. The Placement Cell works closely in line with the policies of the Institute and tries to coherently match the interests of students with an appropriate job profile. The number of students placed through the campus interviews is continuously rising. We have been successful in maintaining our high placement statistics over the years and the fact that our students bear the recession blues with record breaking placements itself is a testimony to our quality. Our ingenious alumni have set new standards in the corporate world through their estimable contributions and it is my firm conviction that we will continue that legacy in the years to come. The Training and placement Cell is committed to provide all possible assistance to its students in their efforts to find employment. This commitment is demonstrated by the existence of a full time professor in charge along with team of professors from every single department. Along with studies, the students are also prepared for various platforms through mock interviews and lectures within their course work. The benefits of this assistance are reflected in the preparation of students who were able to secure lucrative and esteemed positions in recent years. The Training & Placement service operates year round to facilitate contacts between companies and graduates. Staffs are available to respond to student's question and concern of all kinds. The aim is to ensure that students have the information and skills necessary for an effective job search. Abhilashi University ensures the record of 100% placement of its students from various streams.

Objectives of Training and Placement office

- Separate cell has been established with one full time staff In-charge for placement in order to guide students to approach companies.
- Developing the students to meet the Industries recruitment process.
- To motivate students to develop Technical knowledge and soft skills in terms of career planning, goal setting
- Aiming to Place the maximum number of students through campus & off-campus interviews conducted by the top companies
- To motivate students aspire for higher studies and guiding them to take competitive exams

Career Development Programs organized by Training and Placement Cell

- Personality Development Program & Communication Skills Program
- Group Discussion Practice & Entrepreneurship Development Program
- Mock Interview Sessions & In plant Training
- Conducting Industry to Institute Convergence expert interaction sessions
- Public Sector Competitive Exams Training and Industry Internship Programs

Computer Labs

In addition to separate computer facilities available in each department, there are two central computer laboratories well equipped with advanced computing systems to provide free internet access to all the students. The computers are of advanced configuration and latest software available for good training facilities. The entire campus is connected through internet facility. The multimedia computers in the campus provide a good facility for the students and employees and make a best quality learning and innovative teaching environment.

Conference Hall and Seminar Hall

Abhilashi University has two conference halls which are well equipped with modern facilities. They are used as per the needs of the students and staff members for various purposes like presentations and discussions. The academic life in Abhilashi University goes beyond the curriculum and for such activities a centrally located seminar hall is available. It provides an ideal platform for guest lectures, seminar presentation for and by students, cultural and other functions of the University.

University Auditorium

University auditorium with seating capacity of 1500 is now in working. The auditorium will be equipped with all the modern facilities.

Wi-Fi Facility

The campus is equipped with Wi-Fi facility. Each student has access to internet through his/her id and password.

Sports Facility

Sports activities make the body healthy and strong. University provides sports facilities of both the types, indoors and outdoors games on the campus. There is big playground of 5,000 m² area.

Extension Programme

Agriculture

Extension education is a two way process. The School of Agriculture actively involved in extension programme and the farmers of the region are educated about the latest technologies in Agriculture. In order of achieve this, farmers training camps are held in the villages, farmers day depicting the latest technologies are organized at the campus through exhibitions, live exhibits, lectures from experts and entertaining the questions from participating farmers. In the reciprocal process, the experts visit farmer fields to study their problems first hand. The students, as a part of their course curriculum, visit farmers in the rural areas in the villages and acquaint themselves with their problems. In addition, the students go on educational tours to neighbouring Agricultural Universities, Research centres and modern farms to acquaint themselves about the latest developments in the field of Agricultural Education.

Pharmacy

To facilitate the link between University and community various extension activities for the welfare of the society in large scale is regularly being conducted through its Pharmacy awareness programmes, providing knowledge on different medically important herbs and their uses and also provide platform in organizing regional and national level workshops, seminars, conferences, newsletters and symposia.

Abhilashi Ayurvedic College and Research Institute

Abhilashi Ayurvedic College and Research Institute is also carrying out the extension of Ayurvedic knowledge to public of the area by adopting village under "Swatch Bharat Mission". Further, the public is also made aware regarding hygiene, sanitation, preventive and precautionary treatment. Furthermore, monthly health camps, blood donation camps and ksharsutra camps for treating the piles patients are also being organized.

Entrepreneurship

Entrepreneurship is the activity of risk taking and deliberately allocating the resources to exploit opportunities in order to maximize the financial return. It is the process of risk taking and deal with uncertainty. In entrepreneurship we have to plan a good business model. The entrepreneurship leads to economic growth of the organization which is must for its sustainability. Abhilashi University is making efforts in the entrepreneurship as starting the agriculture farm for the supply of agricultural products, Pharmacy for medicinal products. An Ayurvedic Hospital at Chailchowk is already being run by the University.

Grievance Redressal Cells

To make into notice of any grievance of students and employees and its redressal in the University, cells have been constituted. These are: Women Grievances Redressal Cell, SC/ST Grievances Cell and Sikkim Students Grievances Cell.

Jurisdiction

In case of any dispute, decision of the Registrar of Abhilashi University will be final and the territorial jurisdiction for any legal action shall be limited to Chachyot, Distt. Mandi, (H.P) only.

Anti-Ragging

As per the ruling of Honourable Supreme Court of India, ragging is a cognizable offence and banned in Abhilashi University. Those who are found guilty of

participation in or abatement to ragging can be:

1. Suspended/Expelled from the University.
2. Rasticated from the University up-to two years.
3. Fine up to Rs. 25,000/-.
4. Face rigorous imprisonment up-to three years.

All necessary steps are taken by the University authorities to curb any incident(s) of ragging in the campus. The senior students are made to sign an undertaking that they

will abstain from indulging in ragging. Anti-ragging committee and squads are formed in the University to keep a strict vigil over student activities in the campus.

Surprise checks are carried out in the hostels from time to time to monitor the activities of students. Anti-ragging posters and banners are displayed at various locations

on the campus to dissuade senior students from participating in menace of ragging. Each student of the University submits online application and undertaking not to

indulge in any kind of ragging during his/her tenure in the University. All the students need to submit an affidavit regarding anti-ragging from either www.antiragging.com or amanmovement.org

Download ANU MOVEMENT App

**“ We should indulge in God
remembrance every moment. ”**

We should always remember the formless God. We must never forget the presence of formless God. It is generally said that God remembrance is not mere recitation. Yes, that's true and we don't have to indulge in recitation. But we must feel his presence every moment. We are not bound by any particular time of place for God remembrance. But like when our mobile phones do not get any signals, we use land line phones to make a call, similarly, if one feels that he/she is lacking in '**Sumiran**' then one should sit with family members for '**Sumiran**'. Don't think that you were not told that earlier. In fact, it was not told but one should remain consciously aware about paying attention to '**Sumiran**' in any way so that our faith should remain firm and unwavering. God remembrance leads to large heartedness as well as broad-mindedness that saves us from unnecessary complications. '**Sumiran**' opens the door to progress.

ABHILASHI UNIVERSITY - AN INTRODUCTION

Abhilashi University at ChailChowk, Mandi is established by the Government of Himachal Pradesh vide “Abhilashi University (Establishment & Regulation) Act, 2014”. Abhilashi University is a Government recognized University with a right to confer degrees as per Section 2(f) and 22(1) of the UGC Act, 1956. The campus of the University is located at ChailChowk near Mandi (H.P.) and surrounded by lush green fields, pine and oak forests thus becomes an ideal place for study in a clean health-oriented environment. The aforesaid was the forethought for the Abhilashi Educational Society selecting such a beautiful location for the University. There are a number of places worth visiting nearby the University such as Nachan Valley, Jeeuni Valley, Janjehli Valley, Balh Valley, Sundernagar and Mandi towns. One can also enjoy snowfall once a while during the winter season. The fresh and pollution free air of this region keeps the minds of the students fresh and help them to concentrate on their studies and beat the crowd.

The management of the University, Abhilashi Educational Society, is a pioneer in managing private educational institutions in the state of Himachal Pradesh. The foundation stone of the Society was laid by Late Sh. Tulsi Ram Abhilashiji on May 21, 2001.

The students and their parents have put faith in the quality education imparted by efficient and dedicated faculty of institutions managed by Abhilashi Educational Society for the last 16 years. The Society is presently running many educational institutions of basic and technical education in the region. It includes: Abhilashi PG College of Education at Nerchowk, Mandi established in 2003 and running D.El.Ed and B.Ed., Abhilashi College of Pharmacy, Nerchowk, Tehsil Balt, Distt. Mandi from 2006 and onwards admitting students for B. Pharmacy Degree Programme; Abhilashi P.G. Institute of Sciences at Nerchowk, Tehsil Balt, Distt. Mandi offering M.Sc. Courses in Physics, Chemistry and Botany, T.R. Abhilashi Memorial Institute of Engineering and Technology (TRAMIET) established in 2009 imparting education in the B. Tech. and Diploma programme in different disciplines of engineering and technology. Abhilashi College of Nursing at Tanda, P.O. Balt, Distt Mandi is imparting education in B.Sc. Nursing, GNM, ANM and Post-Basic B.Sc. Nursing courses.

Vision

Excellence in professional and technical education through dedication and innovative research.

Our Mission

- To provide environment for achieving excellence in education.
- To create and generate conditions for quality education.
- To impart quality education through value-based & industry-based curriculum.
- To strengthen in humanistic, social and moral values.
- To plant education and qualities of leadership in minds of students for future development of the nation.

FROM THE DESK OF CHANCELLOR'S

Education is the driving force for effecting change in a person, community, society, and nation. It breaks the barriers of caste, creed, ethnicity and religion by training the minds to think logically; envision, innovate, invent and discover methods for creating a harmonious and sustainable society with skills, positive mindset, knowledge and high values of life. Education being so important, therefore, the mission of the Abhilashi University is “To provide environment for achieving excellence in education through leadership-based, value- based & industry-based curriculum for the overall development of the minds of students for the future development of the nation in turn”.

For any University, the structure of excellence lies in the transitional ability of its faculty and its facility. I am always in awe of the efforts that our academic board puts into developing the team of subject matter expert at Abhilashi University. My faculty colleagues understand our core vision of empowering our future generation to be ethically, morally and intellectual elite. They practice the art of teaching with a student centered and transformational approach. The excellent infrastructure at the University both educational and extracurricular, magnificently demonstrates the importance of ambience in facilitating focused learning for our students

The Abhilashi University is one of leading Universities of north India which has been successfully approved by the 1st Inspection Committee of the University Grants Commission within two years of its inception. Further, the University has the approval of University Grants Commission under section 2(f) and Section 22 of UGC Act, 1956 and a member of AIU (Association of Indian Universities), Central Council of Indian Medicine, Pharmacy Council of India, Bar Council of India, Himachal Pradesh Para Veterinary Council and Indian Association of Physiotherapists.

It is my pleasure to extend warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group and I honestly assure them that they will shine in their career, beat the crowd of this competitive world and realize their cherished missions after completing their education from our University and other Institutions of higher learning.

Dr. R.K. Abhilashi
The Chancellor

FROM THE DESK OF PRO-CHANCELLOR'S

The fast changing world of tomorrow will be an existing and a challenging place to live, where only people who adopt themselves to the situation, keep face with upcoming technologies and take the ability to align their ideas, thoughts and way of working to changing situation will survive. At Abhilashi university be recognize this need to prepare the students for the challenges of the 21st century and to provide an atmosphere which will encourage them to become lifelong learners and to work in multi cultural, ever changing society.

As education and knowledge are of paramount significance for the different sections of the society, therefore, the Abhilashi Educational Society has developed a hub of educational institutions in and around the Nerchowk town of Mandi District (H.P.). Majority of the institutions are situated in the rural area so that the students can get a serene, calm,

pollution-free academic environment for concentrating in their studies, innovating and becoming an asset to the society. The other reason for situating and developing the educational institutions in the rural area, is the pious mission of the Abhilashi Educational Society to improve the quality of life of the rural people by education, employment and other means of entrepreneurship such as opening hostels, paying guest houses, grocery shops, tea shops and other means of livelihood possible at their thresholds.

The vision of the Abhilashi University is “Excellence in professional and technical education through dedication and innovative research”. Thus to achieve this mission, the University has adopted a very high standard of education which gets reflected through the recognition of the University by the University Grant Commission Inspection Committee and AICTE Expert Committee and the ratification of the same by the UGC within a period of two years of the establishment of the University. Further, the standard of the University has also been applauded by the other bodies such as PCI, BCI, CCIM and H.P. State Para Veterinary Council.

It is my pleasure to extend warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group and I honestly assure them that they shall shine in their career and beat the crowd of this competitive world.

Admission for Session 2020-21

Abhilashi University aims to impart quality education to its students by applying modern scientific techniques. University follows CBCS and Semester System (Annual System for BAMS, BPT and Diploma in Pharmacy) for teaching and evaluation. Each semester of study has minimum requirement of attendance and pass percentages in theory and practical examinations. Each course is defined in terms of credit hours for lectures, tutorials and practical classes. A student is registered to each course in the beginning of the programme. The duration of the course is given under the respective faculty. Each semester will have mid-term and end-term semester examinations.

Admission to academic session 2020-21 will be based on National Level/State Level Entrance Test, Combined Entrance Test (AUCET-2020) and on the basis of marks in qualifying examination.

Documents required at the time of Admission :

The following certificates/documents (self attested by the candidate) be submitted along with the admission form:

1. Three passport size photographs.
2. Matriculation certificate.
3. 10+2 Examination pass certificate.
4. Detailed marks sheets of all semester of graduation in case student is seeking admission in post graduation programme.
5. SC/ST/OBC certificate, if applicable.
6. Original Character certificate from institution last attended. In case there is a gap in studies character certificate issued by Tehsildar/SDO (C) of the area.
7. Original Migration Certificate. In case it is not available at the time of admission then the student may submit it within one year failing which result of third semester will not be declared.
8. An affidavit in case there is a gap in studies.
9. Copy of Aadhar Card.
10. Low income group candidate may submit income certificate issued by Tehsildar/SDO (C) for scholarship.

Abhilashi University has the following Faculties, Schools & Departments

S.No	Faculty	Courses
1.	Faculty of Ayurveda	BAMS B.P.T. D. Pharmacy (Ayurveda) B.Sc. MLT Certificate Course in Ksharasutra Certificate in Diabetic Foot Management
2.	Faculty of Agriculture	B. Sc. (Hons.) Agriculture M.Sc. Agriculture (Plant Pathology/ Entomology/ Agronomy) Diploma in Agriculture

Important Dates for AUCET- 2020

Abhilashi University will admit students for the session 2020-21 in the disciplines of Ayurveda, Agriculture and Basic Sciences through Entrance Test AUCET-2020. The examination centres for AUCET-2020 will be at Chailchowk and Gangtok (State of Sikkim).

The schedule of examination is given below:

S.No	Courses	Eligibility	Last date for Application	Date of Test
1.	BAMS	50% with valid NEET Score, 5% Relaxation for SC/ST	30/07/2020 for AU Quota	NEET on 03/05/2020
2.	M. Tech. (CSE, CE & ME)	GATE/B. Tech	10/06/2020	HPCET or AUCET 14/06/2020
	M. Pharmacy Pharmaceutics/ Pharmaceutical Chemistry/ Pharmacognosy	GPAT/ B. Pharmacy with 55% (50% for Reserve Category)		
	MBA	HPCET/MAT/CAT or 50% for Gen & 45% for Res	20/05/2020	JEE/HPCET 10/05/2020 or AUCET 24/05/2020 HPCET 10/05/2020 or AUCET 24/05/2020
	B. Tech. (CSE)	10+2(Non-Med.) with JEE/ HPCET or 45% for Gen./40% for Reserved (w/o HPCET/ JEE)		
	B. Pharmacy (Allopathy)	10+2 (Science) with HPCET or 45% for Gen and 40% for res. category (w/o HPCET)		
3.	B.Sc. MLT	10+2 Medical	20/05/2020	AUCET 24/05/2020
	B.P.T.	10+2 (Medical)	30/06/2020	AUCET 15/07/2020
	B. Sc. (Hons.) Agriculture	10+2 (Science) & appeared in entrance test of CSKHPKV, or 50% for Gen. & 45% for Res in 10+2 (Science)		
	4 Years Integrated B. Sc. B. Ed.	10+2 (Science)		
	4 Years Integrated B. A. B. Ed.	10+2 any stream		
	M.Sc.Agriculture (Plant Pathology/ Entomology/ Agronomy)	B. Sc. Agriculture/ Horticulture		
4.	Ph. D. Education/ Zoology/ Management/ Pharmaceutical Sciences/ Computer Engineering/ Mechanical Engineering	P.G. in appropriate discipline with minimum 55% marks	31/01/2019	AURPET 16/02/2020
5.	2 Years Veterinary Pharmacists Training Course	10+2 Any Stream with 60% marks	30/04/2020	On the basis of Merit in the Qualifying Examination
6.	M. Sc. Mathematics	B.A./B.Sc. in Relevant Subject	30/07/2020	
	M. Sc. Zoology	B.Sc. in Relevant Subject		
	M. A. Education	Graduate any stream		
	M.A. Economics	Any Graduate		
	PGDCA	Any graduate		
	D. Pharmacy (Ayurveda)	10+2 (Any Stream)		
	D. Pharmacy (Allopathy)	10+2 (Science)		
	Diploma in Arts & Craft	10+2 any stream		
	Diploma in Agriculture	10+2 any stream		
	Certificate Course in Ksharasutra	BAMS/ MBBS		
	Certificate in Diabetic Foot Management	B.Sc. Nursing/ Dietetics/ B.P.T.		

- Admission to other programmes will be made on the basis of merit/ marks obtained in National level/ State level/ Other state level tests conducted by Govt. of Sikkim/ Manipur/ Arunachal Pradesh/ Tripura/ merit in qualifying exam.
- Lateral Entry candidates will be admitted directly to B.Tech. and B.Pharmacy.
- MCQ type test will be of two hours duration for each course.

Abhilashi Ayurvedic College and Research Institute

(A Department of Abhilashi University)

Dr. D. K. Mishra
Principal

Prof. D. K. Mishra completed BAMS from Sampurnanad Sanskrit University, Varanasi and M.D. Kayachikitsa from Institute of Post Graduate Training & Research in Ayurveda, Shyamadas Vidyapeeth, Kolkata. Prof. Mishra has more than 26 years of Teaching and administrative experience. He served as Professor and Vice Principal SGM Ayurvedic College and Hospital, Nandganj, SahariGhaipur, U.P.; Principal SUDC Hoshiarpur; Principal JIAR Jammu; Professor and Vice-Principal at Guru Nanak Ayurvedic College, Gopalpur, Ludhiana, Punjab.

Ayurveda is a system of medicine. When translated from Sanskrit, Ayurveda means 'the science of life'. It provides us the knowledge of how to prevent diseases and to eliminate the root cause if it does occur.

Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is situated at such a place, the surrounding of which are so picturesque which make it more suitable for teaching and training of Ayurvedic College Education and Research. The surrounding flora is rich in important medicinal plants. Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is running graduation level programme, Bachelor of Ayurvedic Medicine and Surgery (BAMS), which is recognized by Central Council of Indian Medicine (CCIM), Government of India, New Delhi. It is also running BPT and Diploma in Pharmacy (Ayurveda) courses

Abhilashi Ayurvedic College and Research Institute has its own multi-specialty 60 bedded hospital, well furnished pharmacy and herbal garden with more than two hundred species of medicinal plants. In addition to Central Library, Abhilashi Ayurvedic College and Research has its own working library with 9640 books.

RAGGING IS STRICTLY PROHIBITED

The Aims and Objectives:

1. To promote the growth and development of Ayurveda.
2. To produce graduates who can efficiently serve in Ayurvedic Health Services and also as Ayurvedic Practitioners.
3. To provide health care to patients by specialists of various fields of Ayurveda.
4. To co-ordinate with other State and National Health Services for providing complete health care.
5. To conduct “re-orientation” training programmers for Ayurvedic Physicians.
6. Programme and activities
 - i) Blood Donation Camps.
 - ii) Conference, Seminars and workshops on various health related issues.
 - iii) Swachta Abhiyan.

Bachelor of Ayurvedic Medicine and Surgery, B.A.M.S.

Abhilashi Ayurvedic College and Research Institute is running Bachelor of Ayurvedic Medicine and Surgery (BAMS) programme on the annual system of teaching and evaluation.

Duration: Five and half years including Compulsory Rotatory internship of one year.

Seats: 60

Eligibility & Admission Criteria:

Admission in BAMS Course will be done on the basis of merit in NEET and qualifying examination with minimum 50% in 10+2 (Medical) with valid NEET score 05% relaxation for SC/ST.

Diploma in Pharmacy (Ayurveda):

Duration: 2 Years.

Seat: 60

Eligibility: A candidate who has passed 10+2.

Admission: The admission will be made on the basis of marks in the qualifying examination.

RAGGING IS STRICTLY PROHIBITED

Hospital

Abhilashi University has its own 60 bedded multispecialty hospital. It provides the basic facilities for clinical training and research for BAMS students. The hospital has well equipped Operation Theater and a labour room. The Panchkarma and Ksharsutra facilities are well established. The hospital has laboratory investigation facilities of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG etc. Hospital has sufficient numbers of staff members i.e. Medical Specialists, Medical officers and other supporting staff as per CCIM norms.

Physiotherapy Department:

Abhilashi University has its own Physiotherapy department in the multispecialty hospital. It provides the basic facilities for clinical training for B.P.T. students. The department has all required equipment and modalities. The hospital has laboratory investigation facilities of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG etc. Hospital has sufficient number of staff members i.e. Medical Specialists, Medical officers and other supporting staff.

Bachelor in Physiotherapy, B.P.T

Duration: 4 Years teaching and 6 months internship.

Seat: 30

Eligibility: A candidate who has passed (10+2) examination (PCB) or equivalent from a recognized board of education with 50% marks (45% for SC/ST).

Admission: The eligible candidates have to appear in the Entrance Test conducted by Abhilashi University (AUCET-2018). The admission will be made on the merit basis of the Entrance test.

RAGGING IS STRICTLY PROHIBITED

Faculty of Science

School of Agriculture

Dr. S.S. Masand

Dean, Agriculture & Science

Professor S. S. Masand has served CSKHPKV, Palampur (H.P.) for more than 35 years and retired from the post of Principal Scientist in 2008. During his tenure of service, Prof. Masand has gained wide experience in teaching, research and extension in the field of agriculture. Since 2014, he has been serving Abhilashi University as professor of Soil Science. Currently Prof. Masand is the Dean, Faculty of Science, Abhilashi University, Chail-Chowk (Mandi).

In agriculture, there is a wide scope for youth to experience plenty of opportunities in public sector, rural sector, farming, consultancy and advisory roles in business firms in private and public sectors etc. The agriculture courses have immense opportunities under the 'Start up Scheme' launched up by Hon' ble Prime minister of India. Therefore, we welcome large number of youth to opt graduation courses in agriculture at Abhilashi University.

Agriculture is the science and art of cultivating plants and live stock for economic purposes. It plays an important role in the life of mankind from early civilization. It was the key development in the rise of sedentary human civilization, whereby farming of domesticated species created food surpluses that nurtured the development of civilization. It gains modernization with the passage of time. Modern Agricultural practices are increasingly turning out to be knowledge based and hence gaining expertise in them is exceedingly important. Industrial agriculture based on large-scale monoculture farming has now become the dominant agricultural methodology.

India does require agricultural education at all levels so that Indian farmers are better equipped to handle the threats of globalization. There is yearly hike in the budget of agriculture sector in India. However, with the entry of foreign direct investment (FDI) in the agriculture sector, many MNC's have forayed into the segment with dozens of agro-products; subsequently this has resulted as a threat to Indian farmers who lack professional expertise to better deal with the issue. Hence the need of the hour is to give agricultural education a high priority. India is yet to emerge as a significant trade partner in the world agriculture market. There are exciting opportunities for youth in agriculture and many graduates in rural sectors follow career in farming, the management of agriculture and other rural businesses, consultancy and advisory roles to business firms in private or public sectors. There are also significant career opportunities in the area of food production and supply management including consumer research through manufacturing, distribution and the industries supporting agriculture and horticulture. The agriculture courses have immense opportunities under the "Startup Scheme" launched up by Hon'ble Prime minister of India.

School of Agriculture has been established in Abhilashi University under Faculty of Science in 2014. This school is offering B.Sc. (Hons.) Agriculture (4-year course spread over 8 semesters) with an intake capacity of 120 students. Under the co-education system, the students are admitted to the course after an entrance test conducted by the university.

After going through common and elective courses in Agriculture, Animal Husbandry and Basic Sciences during the degree programme, we have in the course curriculum a six week exposure of the students in complete rural settings where the students will go and live along with farm families in the villages and have the first-hand experience of their living, agricultural practices, difficulties and expectations. Students will be attached to an agriculture based industry in order to acquaint themselves with post-harvest processing of agriculture produce and link agriculture production with industry.

The school has highly qualified teachers, well equipped laboratories, class rooms and well laid out terraced student's farm representing typical hilly terrain. Occasional snowfall during the winter adds to the beauty of the university campus and places it at a location which is marginal to temperate as well as sub-tropical agro climatic conditions, thus enabling teaching and research under both the situations.

The practicals of the students training are backed by thorough field training and exposure at farmer's fields. The students are encouraged to participate in co-Curricular activities, sports events and other cultural activities of local and national/international significance. The exposure of students is also backed by educational tour to different parts of the country.

A group of 3-4 students is allotted a piece of land where they are required to raise the seasonal field and vegetable crops. The inputs are provided by the University and the students are required to raise the crops under the guidance of respective teachers. They are evaluated on the basis of field record and stand of crops. This provides them a good practical exposure.

Course: B.Sc. (Hons.) Agriculture
 Duration: Four years (8 semesters)
 Seats: 120
 Eligibility: Candidates having passed 10+2 with science and secured not less than 60% marks in aggregate for general category and 55% for SC/ST who have qualified AUCET-2018. Candidates securing 50% marks in aggregate for general category (40% for SC/ST) who have appeared in state level entrance test conducted by CSKHPKV, Palampur or Dr. Y.S. Parmar University of Horticulture and Forestry, Nauni (Solan).
 Admission: Admission will be made on the basis of merit in entrance examination conducted by Abhilashi University (AUCET-2018) or CSKHPKV, Palampur or Dr. Y.S.Parmar UHF, Nauni (Solan).

Course:	M.Sc. Agriculture (Plant Pathology)	Course:	M.Sc. Agriculture (Entomology)

School of Basic Science

Basic sciences are the backbone of research in health, industry, water, earth and space. School of Basic Sciences offers graduate, postgraduate and doctorate programmes. The school is offering postgraduate degrees in the subjects of Mathematics and Zoology. In the Ph.D. program students have been enrolled in the departments of Zoology. The different departments of School of Basic Sciences have well equipped laboratories and classrooms. More emphasis is laid on the on-hand training to the students. Educational visits to curriculum oriented places and industries are undertaken during the program.

Course: M.Sc. Zoology
Duration: 2 years (Four semesters)
Seat: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Zoology as one of the subjects of study with 50% marks (45% for SC/ST)
Admission: Merit in the AUCET-2020.

Course: M.Sc. Mathematics/ M.A. Mathematics
Duration: 2 years (Four semesters)
Seat: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Mathematics as one of the subjects of study with 50% marks (45% for SC/ST)
Admission: Merit in the AUCET-2020.

Course: Ph.D. Zoology
Duration: 3 years
Seat: 4
Eligibility: A candidate who has passed Master degree/ M.Phil. in Zoology from a recognized university with 55% marks (50% for SC/ST) or NET/ SLET.
Admission: Merit in the AUCET-2020.

Faculty of Pharmacy

School of Pharmacy

Prof. (Dr.) Amit Chaudhary
Dean, School of Pharmacy

Prof. (Dr.) Amit Chaudhary has a commendable track record in academics. He also served as Director & Dean in various known colleges and universities. He has actively engaged for a long period in teaching and administration.

He has published various research papers in reputed national & international journals. He has many years of exposure in research & development. He gives an enormous weight age to both theoretical & practical aspect of teaching courses as stipulated in the curriculum of D.Pharm, B.Pharm, M.Pharm and Ph.D programmes of P.C.I and UGC.

I am pleased to present before you the information brochure of the School of Pharmacy, Abhilashi University, Himachal Pradesh. The school of pharmacy started in 2014 with Bachelor of Pharmacy Courses is now turning out high quality D. Pharm, B. Pharm, Pharmacy Practice, M. Pharm, Ph.D students. The school of pharmacy has dedicated, highly qualified, experienced and efficient faculty to guide students and to impart quality education, and has also excellent Laboratories with State-of-art equipment's and machinery as per the norms of PCI and UGC New Delhi. The school of pharmacy provides very rich knowledge platform for our students to develop overall personality and self-confidence. The University Campus is totally free from ragging and un-ethical practices.

The quality processes have been highly appreciated by various regulatory bodies including the Pharmacy Council of India (PCI) and UGC.

In a short span, our campus has made significant progress in the field of technical education, research and development. This has been achieved by outstanding student participation in various activities ably supported by highly qualified and motivated faculty, a world-class infrastructure and virtual learning system - Blackboard available at the campus, 24 X 7 access to e-library and scientific wealth through Wi-Fi. Credit goes to our beloved Chancellor sir Dr. R. K Abhilashi and his team who made it possible. Residential campus gives us flexibility to groom disciplined future professionals, nurturing their life values and hidden talents and strengthening their inherent good qualities.

This includes co-curricular and extracurricular activities round the year. Sports also has its own place in the campus life of students with well-maintained courts, facilities and professional coaches. Soft skills & communication skills are the integral parts of the curriculum. We believe in the holistic development of our students. Our alumni are well placed, accomplished professionals, affectionate about their Alma Mater, and always been a part of Campus's exaltation. We whole heartily welcome to our new students in coming academic year for the seat of learning.

School of Pharmacy is approved by PCI. Pharmacy is the science and technique of preparing and dispensing medicines. It is a health profession that links health Sciences with chemical and biological sciences and aims to ensure the safe and effective use of medicines. The scope of pharmacy profession includes more traditional Roles such as compounding and dispensing medicines to health care and clinical services, reviewing medications for safety and efficacy and providing drug Information. Pharmacists are experts on drug therapy and are primary health care professionals who optimize use of medication for the benefit of patients and society. The teaching and learning process at Abhilashi University is designed to produce right combination of skills, knowledge and attitude.

We whole heartily welcome to our new students in coming academic year for the seat of learning.

Wishing you all a very successful and knowledgeable Academic year 2020-21

RAGGING IS STRICTLY PROHIBITED

Under-Graduate Programme

Bachelor of Pharmacy, B.Pharm.

Duration: 4 Years

Seats: 60

Eligibility: Admission will be made on the merit of HPCET or 45% in 10+2 (Science) for Gen. and 40% in 10+2 (Science) for SC/ST.

Lateral Entry: Passed Diploma in Pharmacy (Allopathy) examination from PCI approved institution with 45% marks for General and 40% for SC/ST category candidates.

B. Pharmacy (Practice)*

Duration: 2 Years

Seats: 40

Eligibility: (1) A pass in Diploma course in Pharmacy from an institution approved by the Pharmacy Council of India.
(2) A registered Pharmacist. (3) A minimum of four years of Pharmacy Practice experience in Community or hospital Pharmacy

Lateral Entry: Passed Diploma in Pharmacy (Allopathy) examination from PCI approved institution with 45% marks for General and 40% for SC/ST category candidates.

Diploma in Pharmacy (Allopathy)

Duration: 2 years.

Seats: 60

Eligibility: Candidates having passed (10+2) with science examination/equivalent examination conducted by the recognized education Board/University. The eligible candidate should fulfil the minimum entry level qualifications prescribed by PCI or any other qualification approved by the PCI.

Post- Graduate Programme

Master in Pharmacy (Pharmaceutics, Pharmaceutical Chemistry & Pharmacognosy)

Duration: 2 years (4 semesters).

Seats: Pharmaceutics 06, Pharmaceutical Chemistry 09, Pharmacognosy 15

Eligibility: The admission to M Pharmacy degree course shall be made on the basis of merit of valid GPAT score. In case the seats remain vacant after exhausting the merit of GPAT, the vacant seats will be filled up on the basis of merit of HPCET. In case the seats still remain vacant after exhausting the merit of National level test and HPCET, the seats will be filled up on the basis of merit of B. Pharmacy degree awarded by the recognized University having minimum 55% for Gen and 50% for (SC/ST).

Research Degree Programme:

Ph.D. in Pharmacy (Pharmaceutical Sciences)

Seats: Pharmaceutical Sciences 06

Eligibility: A candidate with 55% marks (50% for ST/SC) at Master level in concern specialization. The admission shall be through AUCET-2020 except those who have qualified UGC-NET/CSIR (JRF, NET)/SLET/GPAT/direct awardees of DST/ICMR/DRDO/INSPIRE and other state or central level fellowship.

Faculty of Pharmacy

Sr. No.	Name of Faculty	Designation
01.	Dr. Amit Chaudhary	Professor - Dean
02.	Dr. C D Khadse	Professor
03.	Mr. Kapil Kumar Verma	Associate Professor
04.	Mr. Priyankul Palia	Associate Professor
05.	Mrs. Shalini Thakur	Associate Professor
06.	Mr. Abhishek Soni	Associate Professor
07.	Mrs. Chinu Kumari	Associate Professor
08.	Mrs. Sunita Devi	Assistant Professor
09.	Mr. Sunny Dhiman	Assistant Professor

School of Veterinary Science

The School of Veterinary Sciences was established in 2016 with an objective to provide trained professionals for holistic development and improvement of animal wealth of Himachal Pradesh.

Objectives:

1. Supplement the state demand of veterinary Pharmacist
2. Improvement in total productivity of livestock to improve socio- economic status of livestock entrepreneurs.
3. To develop, update and standardise package of practices concerning feeding, management, reproduction and poultry production technology.

Course:	2 Year Veterinary Pharmacist Training Course
Duration:	2 Years
Seats:	65
Eligibility:	Candidates Having Passed 10+2/equivalent examination in any stream conducted by recognized education board / university / council with 60% marks

Admission: Admission will be made on the basis of merit.

Infrastructure:

Classroom: Two

Laboratory: Three

1. Anatomy
2. Gynecology & Andrology
3. Physiology & Biochemistry

Live Stock Farm: One

Boys /Girls Common Room

Multipurpose Hall

Pharmacy: One

Computer Lab

Library

Course

First Year		
Semester	Paper	Course Title
First	1.	Elementary Animal Husbandry (AUVS-111)
	2.	Elementary Livestock Handling (AUVS-112)
	3.	Elementary Animal Nutrition (AUVS-113)
	4.	Basic Computer Applications (AUVS-114)
	5.	Elementary Anatomy & Physiology of Animals (AUVS-115)
	6.	Basic Clinical Pathology & Lab Techniques (AUVS-116)
Second	1.	Elementary Pharmacology (AUVS-121)
	2.	Elementary Poultry Sciences (AUVS-122)
	3.	Elementary Animal Husbandry Extension (AUVS-123)
	4.	Elementary Animal Reproduction (AUVS-124)
	5.	Elementary Andrology & Artificial Insemination (AUVS-125)
	6.	Elementary Veterinary Epidemiology & Public Health (AUVS-126)

Second Year		
Semester	Paper	Course Title
Third	1.	Introduction to Animal Diseases & Management (AUVS-211)
	2.	Elementary Parasitology (AUVS-212)
	3.	Veterinary Hospital Maintenance (AUVS-213)
	4.	Elementary Veterinary Medicine (AUVS-214)
	5.	Elements of Wound Care & Management (AUVS-215)
Fourth	Practical Training	
	1.	Cattle Farm
	2.	Poultry Farm
	3.	Sheep Farm
	4.	Sperm Station
	5.	DI Lab
6.	Veterinary Hospital	

IMPORTANT DATES FOR ADMISSIONS IN TWO YEARS VETERINARY PHARMACIST TRAINING COURSE

1.	Last Date of Receipt of Applications	30/04/2020
2.	Date of Notification of Final Selection List	08/05/2020
3.	Date of Counselling	08/05/2020
4.	Date of Admission	08/05/2020 to 11/05/2020
5.	Admission from waiting list in case of vacant seats – 2 nd round of counselling will be held for the candidates placed on the waiting list for seeking admissions against vacant seats.	25/05/2020
6.	Start of session / Communication of Classes	01/06/2020

In case of candidates who is seeking admissions against reserved seats for Scheduled Caste/ Scheduled Tribes or Other Backward Classes including their sub-categories as mentioned above in the table, a certificate belonging in that particular category, issued by the competent authority should be attached.

Note: In case no candidates is available in the sub-category of particular reserve category then the seat will be converted in the given General/Reserve category and further if no candidate is available in the given particular reserve category then the seat will be considered for the General Category. Students who have appeared in 10+2 examinations & whose results are awaited also may apply but will be required to produce the worksheet at the time of counselling.

RESERVATION & DISTRIBUTION OF SEATS

As per State Government Policy Tabled as Under:

1.	Class IV employees to be sponsored by the Animal Husbandry Department	12%
2.	General Quota	78%
3.	Management Quota	10%
Total		100 %

Sr. No.	Category	Percentage (%)
1.	General (General include Def, FF, PWD, IRDP)	55
2.	Schedule Tribe	05
3.	OBC (include Def, FF, PWD, IRDP)	18
4.	Schedule Caste (include Def, FF, PWD, IRDP)	22

Faculty:

Sr. No.	Name	Designation
1.	Dr. M.R Masand	Associate Professor
2.	Dr. Tarun Thakur	Assistant Professor
3.	Dr. Neelam Thakur	Assistant Professor
4.	Dr. Monika Sharma	Assistant Professor
5.	Dr. Akshima Dogra	Assistant Professor
6.	Dr. Insha Kouser Kalem	Assistant Professor

School of Engineering

School of Engineering was established in 2014 with the objective to provide high quality education in major engineering disciplines from undergraduate to post-graduate levels through a creative balance of academic, professional, and extracurricular programmes. The mission of the School of Engineering is to make the graduates morally conscious and highly competent engineers, conduct internationally recognized research, and provide quality professional and community services. The School of Engineering has well-qualified and committed faculty members, supporting staff and modern infrastructure in the form of elegant and smart classrooms, spacious laboratories, latest machinery and equipment. Students are encouraged to participate in co-curricular and extra-curricular activities to acquire leadership qualities. The Department emphasizes on modern laboratories to cater to the needs of academic and research activities. It is well equipped with computational facilities and resources both in terms of hardware and software.

Undergraduate Programmes

Bachelor of Technology (B. Tech.) in Computer Science & Engineering (Intake -40 Seats)

Course Duration: 4 Years (8 Semesters)

Eligibility and Admission for Undergraduate Programmes:

The candidate must have passed 10+2 (Non-Med) examination with JEE/HPCET or 45% marks for general category and 40% marks for SC/ST category (w/o HPCET) from a recognized Board of Education.

Lateral Entry:

For the candidates seeking admission in B. Tech II year through Lateral Entry must have passed Diploma course in appropriate branch of Engineering with 45% marks for general category (40%marks for SC/ST category) or B.Sc. with 45% marks for general category (40%marks for SC/ST category) having passed 10+2 examination with Mathematics as one of the subjects will be admitted on merit basis.

PGDCA (Post Graduate Diploma in Computer Application)

Intake: 40 seats

Course Duration: 1 Year (2 Semesters)

Eligibility and Admission for PGDCA:

The candidate must have passed Graduate Degree from a recognized University/ College in any stream.

Postgraduate Programmes:

Master of Technology (M. Tech.) in Computer Science	(Intake -15 Seats)
Master of Technology (M. Tech.) in Civil Engineering	(Intake -15 Seats)
Master of Technology (M. Tech.) in Mechanical Engineering	(Intake -15 Seats)

Course Duration: 2 Years (4 Semesters)

Eligibility and Admission Criteria for Postgraduate Programs:

The candidate should have passed B. Tech. examination in the respective branch of engineering with minimum entry level qualification prescribed by AICTE.

Admission:

Admission will be made on the basis of merit of GATE/Entrance Examination or 60% marks for general category (55% marks for SC/ST category) in the qualifying examination conducted by the recognized University.

Doctor of Philosophy (Ph.D):

Doctor of Philosophy in Computer Science	(Intake - 02 Seats)
Doctor of Philosophy in Mechanical Engineering	(Intake - 02 Seats)

Course Duration: 3 Years (6 Semesters)

Eligibility and Admission Criteria for Postgraduate Programs:

Ph.D. is a full time regular course of study pursued by regular attendance in classes and seminars. A candidate seeking admission to the Ph. D. course must have at least 55% marks in the subject concerned at Master's level.

Laboratory Facility:

Computer Science & Engineering: Computer Centre, [Operating Systems & Data Structures Laboratory](#), C, C++, Java, Unix, MATLAB, Physics Lab, Chemistry Lab.

Civil Engineering: Transportation Lab, Structural Engg. Lab, Geo-Technical Engg. Lab, Environmental Engg. Lab, Concrete Lab, Survey Lab, Hydraulics Flow Lab.

Mechanical Engineering: Heat and Mass Transfer Lab, Refrigeration & Air Conditioning Lab, I.C. Engine Lab, Fluid Mechanics Lab, CAD Lab.

School of Management

In the changing global scenario the importance of management has increased in our life. Applying the critical thoughts in management one can live a better and comfortable life.

The aim of School of Management is to produce the graduates & Post graduates morally conscious and competent entrepreneurs conduct internationally recognized research, provide quality professional and community services. Our School of Management is delivering education to the students to meet the standards of corporate world. The well qualified and dedicated faculty of the School is endeavouring towards this goal of the School. The School is equipped with modern infrastructure in the form of smart class rooms and spacious laboratories with computational facilities. The students are guided by the faculty members to participate in co-curricular and extra-curricular activities to develop to leadership qualities. The School offers graduate, postgraduate and doctorate programmes as follows:-

Master of Business Administration (MBA)

Duration: 2 years (4 semesters)

Seats: 40

Eligibility and Admission: The candidate must have passed graduation level examination in any discipline from a recognized University. The admission to the course shall be made on the basis of merit of National/State level entrance examination (HPCET) CAT, CMAT, MAT or 60% marks for general category (55% marks for SC/ST category) in the Bachelor Degree of examination conducted by the recognized University.

Doctor of Philosophy (Ph.D) Management:-

Duration: Three Years (6 Semesters)

Seats: 30

Eligibility and Admission: The candidate must have passed MBA/M.Com. Examination from a recognized University with 55% marks for general category (50% marks for SC/ST category).

List of Teaching Staff School Management

Sr. No.	Name of Faculty	Designation
1.	Dr. Jyoti Sondhi	Professor

Tentative Academic Calender for the Session 2020-21

ODD SEMESTER		
Sr. No.	Activity	Date
1.	Admission, Registration & Teaching	August 01, 2020
2.	Mid-Term-I Examination	September 14-16, 2020
3.	Mid-Term-II Examination	November 23-25, 2020
4.	End Semester Practical Examination	November 27-30, 2020
5.	End Semester Theory Examination	December 01-30, 2020
6.	Winter Break	January 01-31, 2021
7.	Declaration of Results	January 20, 2021

EVEN SEMESTER		
Sr. No.	Activity	Date
1.	Admission, Registration & Teaching	February 01, 2021
2.	Mid-Term-I Examination	March 15-17, 2021
3.	Mid-Term-II Examination	May 25-28, 2021
4.	End Semester Practical Examination	May 30 - June 02, 2021
5.	End Semester Theory Examination	June 04-30, 2021
6.	Summer Break	July 01-31, 2021
7.	Declaration of Results	July 20, 2021

For Annual System courses the annual examination will be along with the even semester end semester examination. The rest remains the same.

Mentoring

The University has adopted Mentoring System. Faculty members act as mentors of the students. 20 students of each course placed under each mentor. The mentor will monitor:

- i) The academic progress and attendance record of the students.
- ii) To have the contact Nos. of students, their parents / guardians and inform them about the academic progress, attendance, good qualities and drawbacks of the students, if any regularly.
- iii) Behaviour of students in the classroom, hostel as well as in the University or any other noticeable activity of the student will be conveyed to the parents.

Internal Quality Assurance Committee (IQAC)

In pursuance to the Section 25 of the Abhilashi University (Establishment and Regulation) Act the university has constituted Internal Quality Assurance Committee (IQAC) for ensuring and monitoring quality education in the university.

Sikkim Cell

The University has constituted cell for the welfare of the Sikkim's students where students can post their grievances on University website portal.

Fee

Fee for different courses will be as approved by the Government of Himachal Pradesh for the session 2018-19 and the details be provided to the students at the time of admission.

Refund of Fee

Fee once paid is not refundable. If a student withdraws his/her admission before the last date of admission and the seat gets filled with wait listed candidate then the entire fee collected from the student, after a deduction of the processing fee of Rs. 1000/- (One thousand only) shall be refunded.

Scholarship Schemes

Tuition fee waiver will be provided to H.P School Education Board topper in the class in first year of the course. All scholarship schemes of Central Government, H.P. Government and other State Governments for higher education are made available to the students.

Reservation in Admissions

At least 25 percent seats for admission to each course shall be reserved for students who are Bonafide Himachalis and the remaining 75% seats open to all over India and abroad. Seats for admission in the University, for the students belonging to Scheduled Castes, Scheduled Tribes and Other Backward Classes, Handicapped students and BPL/IRDP shall be reserved as per policy of the State Government.

The 10% (ten percent) seats shall be reserved for the Himachali Bonafide BPL/IRDP candidates as per the provisions made by various Regulatory Bodies.

**Tentitive Fee structure and Eligibility in r/o of Abhilashi University,
Chailchowk, Tehsil Chachyot, District Mandi H.P.**

Courses	Eligibility	Duration (In Years)	Fees
B. Tech. (CSE)	10+2(Non-Med.)with 45 % for Gen and 40 % reserve Category	04	45000/- per sem
D. Pharmacy (Ayurveda)	10+2 (pass Any Stream)	02	25000/- per sem

B.Sc. MLT	10+2 (Medical Science)	3	40000/- per sem
BPT	10+2 (Medical Science)	4.6	40000/- Per Sem

Hostel Fee: -

- Rs. 40,000 (I, III, V, VII Semester)
- Rs. 25,000 (II, IV, VI, VIII Semester)

Eco-Clubs

These clubs play very important role in creating environmental awareness among the students. They undertake various eco-friendly activities motivate students to keep the environment neat and clean by minimization of waste production, proper disposal of waste, effective use of water and undertaking plantation of trees. They also organize Quiz, Essay and Painting competitions regarding various environmental issues and educate the students about the reuse of waste material and preparation of useful products out of the waste.

National Service Scheme (NSS)

The University has been given permission by the Govt. of Himachal Pradesh for establishment of One Unit (comprising of 100 volunteers) of National Service Scheme (NSS) in the University. The unit carried various activities and participated in Swachhta Abhiyaan helping locals in cashless transaction knowledge and some volunteers also attended water sports competition held at Pong Dam, District Kangra, H.P.

Dean Students Welfare

The office of Dean Students Welfare co-ordinates various activities for the welfare of the students. It aims at social harmony and peace in the campus and makes good citizens of India in addition to good academicians. DSW allots hostel accommodation to students, supervises sports and cultural activities of the students and also organizes debates, declamation contests and quiz competition programs. The office also organizes different cultural and academic tours for students during holidays.

Hostel

'Hostel is home away from home'. At the end of each academic day a student feels completely exhausted and requires recharge of physical and mental energy. All these call for a comfortable residential accommodation which provides the necessary ambience for group interaction and learning situations, for achieving academic excellence.

University has constructed well-furnished separate hostels for boys and girls. It is accepted that the quality and availability of lodging is a major concern to all the students, and due to this our University has given them first class facilities which include the following:

1. Separate hostels for boys and girls.
2. Well furnished, spacious, clean with excellent hygienic, modern style rooms.
3. Lodging is divided into single or double or triple sharing rooms.
4. Rooms are properly ventilated, spacious and equipped with separate beds, study tables and cupboards.
5. Each floor has facility for clean bathrooms and toilets.
6. Hot water is provided through solar heating system.
7. 24-hour water and power facility.
8. Common room with all amenities like television, newspapers and magazines.
9. Wi-Fi facility.
10. Mess facility managed by dedicated teams of employees for cooking and sanitation.
11. Highly dedicated security personnel who ensure proper security to students.
12. Round the clock security of the campus and the hostel managed by a private agency.

RAGGING IS STRICTLY PROHIBITED

Admission

1. Students seeking admission to the hostel will have to apply to the Warden of the hostel (Boys/Girls) at the time of admission in the University.
2. The names of the candidates approved by Dean Students Welfare will be conveyed to the Warden.
3. The selected students will have to take admission in the hostel allotted to them within the stipulated time by paying the requisite fee in the accounts branch of the university.
4. After depositing the fee by the student, Warden will allot room to the student in the hostel. Once the hostel admission is over, Warden will submit the list of hostel boarders to Dean Students Welfare.

Hostel Charges

According to H.P. Govt. norms.

Hostel Rules and Regulations

General Rules:

1. The hostel authorities will not be responsible for any loss/damage of private property such as cash/mobile phone/scooter/motorcycle and other valuables. The residents are advised to get their vehicles insured against loss, theft and fire.
2. When the student vacates his/her room, he/she will hand over to the Warden all hostel furniture and other property issued to him/her failing which he/she will be liable to pay the entire cost of materials issued.
3. Any violation of rules and regulations will be subject to strict disciplinary action and parents of the ward will be informed accordingly. Disciplinary action includes any or all of the following penalties in accordance with the nature and seriousness of the offence:-
 - a. Payment for the repair or replacement of the article(s) damaged.
 - b. Suspension from the hostel for a specified period of time or expulsion from the Hostel/University.
4. A student admitted to hostel cannot withdraw from the hostel during the session 2018-19 i.e. up to July 2019.
5. Hostel is compulsory for BAMS students.

Note: Orders/decisions notified from time to time by the Hon'ble Vice-Chancellor/Dean Students Welfare/Warden will be binding on the residents.

Attendance and Leave Rules

1. The gates of the hostels will close and open at fixed time. Schedule will be put up on the notice board and the students will strictly adhere to it.
2. A resident shall, under all circumstances, take written permission from the Warden before leaving the hostel overnight. He/she shall sign the register maintained for the purpose at the hostel gate.
3. In the event, the University decides to increase the timings of library and other facilities, the University will make adequate arrangements for girl students.
4. The names of the residents absenting themselves without permission for three days or more may be struck off from the rolls of the hostel and possession of their rooms will be taken by the Warden.

Behaviour & Discipline

All residents shall have their meals in dining hall in the hostel. No resident will take his/her food to his/her room except in case of ill health and with the permission of the Warden. Students will maintain perfect discipline, harmony and peaceful atmosphere in the hostel and refrain from the following:

1. Teasing, maltreating or indulging in any sort of ragging.
2. Stealing or pilfering Hostel/University or the property of other students.
3. Unruly conduct or rowdism.
4. Writing on the walls or other parts of the hostel buildings or sticking of posters or distribution of unauthorized handbill or notices.
5. Making noise and/or creating other disturbances, including the use of electronic or radios, in such manner as to disturb others.
6. Participating or causing others to participate in disturbances of any kind or behaving or causing others to behave in such a way so as to bring the Hostel/School/University into disrepute.
7. Changing rooms and transfer any furniture from one room to another without the prior permission of the hostel Warden.
8. Causing any damage to hostel/University property.
9. Using of electric heater, rod, and electric press etc.
10. Smoking, consumption of alcoholic drink, using drugs or any other intoxicating substances. Any resident found indulging in such practices shall be fined heavily and will be asked to vacate the hostel without any notice.
11. Acts of indiscipline, misbehaviour, gambling, or possession of weapons in the hostel premises including room. A resident guilty of any of these violations shall be liable to expulsion or any other punishment deemed fit by the authorities. In case a student is expelled from the hostel his/her case for allotment of room in the hostel will only be considered after two semesters.

RAGGING IS STRICTLY PROHIBITED

Facilities :

For Physically Challenged Persons

Physically challenged persons are also the part and parcel of the society and they contribute towards the development of the country. In Abhilashi University ramps are constructed for access to each block. In addition tricycles, wheel chairs, walking sticks, crutches and hearing aids are provided by the University. There is an elevator installed in the Administrative Block.

Medical Facility

Abhilashi University has 60 bedded Abhilashi Hospital on the campus with efficient medical and paramedical staff and well equipped laboratory facilities for clinical investigations of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG, Panchkarma and Ksharasutra etc. Hospital also provides OPD and IPD emergency facilities for the students, employees and the public.

Transportation

Transportation from nearby areas (around 30 KM from the University) are provided to the students.

Transportation charges per semester to be paid by the students at the time of admission for availing the University bus services as follows:

Transportation charges per semester from different places are as under:-

Name of Station	Transportation Charges	Name of Station	Transportation Charges	Name of Station	Transportation Charges
Gutkar, Chakkar, Bagla & Kanaid	Rs. 8,000/-	Nagchala & Lunapani	Rs. 7,500/-	Bhangrotu	Rs. 6,500/-
Nerchowk & Dadour	Rs. 6,000/-	Sundernagar	Rs. 9,000/-	Baggi, Lohara & Nalsar Chowk	Rs. 5,000/-
		Chatrokhari chowk	Rs. 10,000/-		
Padhru & Piplu	Rs. 4,000/-	Chail Chowk	Rs. 2,000/-	Mairamasit	Rs. 10,000/-
				Mandi	Rs. 10,000/-

Parking Facility

The University has a big parking area to provide space and protection to the two wheelers and four wheelers of the students and employees of the University.

Library

Books are the food for the students. Abhilashi University has a fully equipped library which runs on automated software. It is housed in its own building and located centrally in the campus. It feeds to all types of readers by getting issued the books whereas journals, magazines and copies of the articles are for consultation in the library. The University library is equipped with the text books, reference books and research journals of different subjects. Access to online journals is through INFLIBNET and DELNET. The new relevant books are being added to the library stock regularly. The regular timings of the library are extended as per the demands of the students. Another unit of library has been opened in the Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University). Library is opened from 10 am to 6 pm daily, except Sundays and national holidays. All the students, employees and authorities of the University are the members of the library.

Digital Library

Digital library has twenty four terminals with internet facility.

University Canteen

Canteen is the ideal place for the staff and the students to refresh after the busy classes schedule. Abhilashi University has a canteen being managed by a private party. University has provided the necessary infrastructure required for the canteen. Canteen is supervised by the University canteen committee. The canteen provides food and snacks to students and staff at nominal rates.

RAGGING IS STRICTLY PROHIBITED

Placement Cell

Placement of the students in corporate world is the priority of Abhilashi University. The University makes all efforts to provide the best possible placement to its students in corporate houses not only in Himachal Pradesh but also in other parts of India. For this University has established 'placement cell' for interacting with the corporate world. The cell is making efforts to provide the best quality placement to all the students under the visionary leadership of Hon'ble Vice-Chancellor of the University.

Abhilashi University insured record 100% placement of its B. Pharmacy & MBA passing out students in various National and International Companies (session 2019-20).

Computer Labs

In addition to separate computer facilities available in each department, there are two central computer laboratories well equipped with advanced computing systems to provide free internet access to all the students. The computers are of advanced configuration and latest software available for good training facilities. The entire campus is connected through internet facility. The multimedia computers in the campus provide a good facility for the students and employees and make a best quality learning and innovative teaching environment.

Conference Hall and Seminar Hall

Abhilashi University has two conference halls which are well equipped with modern facilities. They are used as per the needs of the students and staff members for various purposes like presentations and discussions. The academic life in Abhilashi University goes beyond the curriculum and for such activities a centrally located seminar hall is available. It provides an ideal platform for guest lectures, seminar presentation for and by students, cultural and other functions of the University.

University Auditorium

University auditorium with seating capacity of 1500 is in the process of completion. The auditorium will be equipped with all the modern facilities.

Wi-Fi Facility

The campus is equipped with Wi-Fi facility. Each student has access to internet through his/her id and password.

Sports Facility

Sports activities make the body healthy and strong. University provides sports facilities of both the types, indoors and outdoors games on the campus. There is big playground of 5,000 m² area.

Extension Programme

Agriculture

Extension education is a two way process. The School of Agriculture actively involved in extension programme and the farmers of the region are educated about the latest technologies in Agriculture. In order of achieve this, farmers training camps are held in the villages, farmers day depicting the latest technologies are organized at the campus through exhibitions, live exhibits, lectures from experts and entertaining the questions from participating farmers. In the reciprocal process, the experts visit farmer fields to study their problems first hand. The students, as a part of their course curriculum, visit farmers in the rural areas in the villages and acquaint themselves with their problems. In addition, the students go on educational tours to neighbouring Agricultural Universities, Research centres and modern farms to acquaint themselves about the latest developments in the field of Agricultural Education.

Pharmacy

To facilitate the link between University and community various extension activities for the welfare of the society in large scale is regularly being conducted through its Pharmacy awareness programmes, providing knowledge on different medically important herbs and their uses and also provide platform in organizing regional and national level workshops, seminars, conferences, newsletters and symposia.

Abhilashi Ayurvedic College and Research Institute

Abhilashi Ayurvedic College and Research Institute is also carrying out the extension of Ayurvedic knowledge to public of the area by adopting village under “Swatch Bharat Mission”. Further, the public is also made aware regarding hygiene, sanitation, preventive and precautionary treatment. Furthermore, monthly health camps, blood donation camps and ksharsutra camps for treating the piles patients are also being organized.

Entrepreneurship

Entrepreneurship is the activity of risk taking and deliberately allocating the resources to exploit opportunities in order to maximize the financial return. It is the process of risk taking and deal with uncertainty. In entrepreneurship we have to plan a good business model. The entrepreneurship leads to economic growth of the organization which is must for its sustainability. Abhilashi University is making efforts in the entrepreneurship as starting the agriculture farm for the supply of agricultural products, Pharmacy for medicinal products. An Ayurvedic Hospital at Chailchowk is already being run by the University.

Grievance Redressal Cells

To make into notice of any grievance of students and employees and its redressal in the University, cells have been constituted. These are: Women Grievances Redressal Cell, SC/ST Grievances Cell and Sikkim Students Grievances Cell.

Jurisdiction

In case of any dispute, decision of the Registrar of Abhilashi University will be final and the territorial jurisdiction for any legal action shall be limited to Chachyot, Distt. Mandi, (H.P.) only.

Anti-Ragging

As per the ruling of Honourable Supreme Court of India, ragging is a cognizable offence and banned in Abhilashi University. Those who are found guilty of participation in or abatement to ragging can be:

1. Suspended/Expelled from the University.
2. Rusted from the University up-to two years.
3. Fine up to Rs. 25,000/-.
4. Face rigorous imprisonment up-to three years.

All necessary steps are taken by the University authorities to curb any incident(s) of ragging in the campus. The senior students are made to sign an undertaking that they will abstain from indulging in ragging. Anti-ragging committee and squads are formed in the University to keep a strict vigil over student activities in the campus. Surprise checks are carried out in the hostels from time to time to monitor the activities of students. Anti-ragging posters and banners are displayed at various locations on the campus to dissuade senior students from participating in menace of ragging. Each student of the University submits online application and undertaking not to indulge in any kind of ragging during his/her tenure in the University.
