## ABHILASHI

### GROUP OF INSTITUTIONS

NER CHOWK, TEHSIL BALH, DISTT. MANDI (H.P.)-175008

## Brief History of Abhilashi Group of Institutions

Abhilashi Educational Society, Ner Chowk was established on 21 May, 2001 by Late Sh. T.R. Abhilashi ji who was a great visionary and socialist. Abhilashi Group of Institutions, Ner Chowk, Distt. Mandi H.P., managed by Abhilashi Educational Society and Genius Educational Society is a Group of top private technological institutions in the state of Himachal Pradesh. The Group has successfully achieved many mile stones in varied areas of Education by establishing several educational institutions namely T. R. Abhilashi Memorial Institute of Engg. & Technology, Abhilashi College of Education, Abhilashi Institute of Management Studies, Abhilashi College of Pharmacy, Abhilashi P.G. Institute of Sciences, Genius International Public School (Affiliated to CBSE, New Delhi), Chail Public School, Chailchowk (Affiliated to CBSE, New Delhi), Abhilashi College of Nursing and a world class Abhilashi University, Chail Chowk, Distt. Mandi. These aforesaid institutions have produced brilliant results during previous years and the students of these institutions / Colleges have achieved a number of ranks in first top ten positions in examinations of H.P. University, Shimla, H.P. Technical University, Hamirpur, AMRU, Nerchowk, SPU, Mandi, H.P. Takniki Shiksha Board, Dharamshala and CBSE, New Delhi.

Presently Abhilashi Group of Institutions is a trusted name in the field of education and is the biggest educational group in the state of Himachal Pradesh. Abhilashi Group of Institutions has developed the world class infrastructure with the best faculty across the country. Today more than 5000 students are getting quality education in different courses and more than 600 staff members are serving in different institutions of the Group. A number of students passed out from this group are serving in public and private sectors in prominent positions including State Civil Services, Assistant Engineers, Junior Engineers from its engineering college and Drug Inspectors and Pharmacists from Abhilashi College of Pharmacy to name a few besides other selections in the globally renowned multi-national companies and Academic Institutions.

In the year 2023, on account of excellent infrastructure, qualified and experienced staff and quality education parameters, Abhilashi College of Education has been accredited by NAAC with **B<sup>+</sup> Grade** and its engineering college T. R. Abhilashi Memorial Institute of Engineering & Technology is accredited by ISO. All the colleges / Institutions run by Abhilashi Group of Institutions are duly recognized and approved by the appropriate authorities i.e. AICTE, NCVT, PCI, NCTE, INC, SNC, NCISM/AYUSH etc. and other regulatory bodies as well as are duly affiliated with Himachal Pradesh University, Shimla, Sardar Patel University, Mandi, Himachal Pradesh Technical University Hamirpur, AMRU Nerchowk, CBSE New Delhi and H.P. Takniki Siksha Board Dharamshala and University Grants Commission, New Delhi.

Abhilashi University located at Chail Chowk of District Mandi established in 2014, approved by UGC and all relevant regulatory bodies, is now the most preferred destination of students for their higher studies. There are more than 45 technical and professional courses available at Abhilashi University. In the year 2022, Abhilashi University was accredited by NAAC with **B<sup>+</sup> Grade**

Abhilashi University has developed worldclass amenities for students like an Auditorium, Gymnasium, incampus Hospital, Medical Centre, ATM, Playground, spacious Hostels etc where students can stay comfortably and focus on their studies. Many extracurricular activities are conducted for the students to give them all round development in their personalities.

*“Abhilashi Group has achieved this height of excellence in the field of Education due to the blessings of Nirankari Baba Sri Hardev Singh Ji Maharaj, Satguru Mata Savinder Hardev Ji and presently Satguru Mata Sudiksha Ji has been pouring her blessings on Abhilashi Group of Institutions”*

## Chairman's/ Chancellor's Message

**Dr. R. K. Abhilashi**

Education is the driving force for effective change in a person, community, society, and nation. It breaks the barriers of caste, creed, ethnicity and religion by training the minds to think logically and differently as well as discovering methods for creating a harmonious and sustainable society with skills, a positive mindset, knowledge and high values of life. Education being so important, therefore, the mission of the Abhilashi University and Abhilashi Group of Institutions is -

“To provide environment for achieving excellence in education through leadership-based, value- based & industry-based curriculum for the overall development of the minds of students for the future development of the nation in turn”.

For any educational institution, the structure of excellence lies in the transitional ability of its faculty and its facilities. I am always in awe of the efforts that our Academic Board puts into developing the team of subject experts at Abhilashi University and Abhilashi Group of Institutions. Our faculties understand our core vision of empowering our future generation to be ethically,

morally and intellectually elite. They practice the art of teaching with a student centered and transformational approach.

The excellent infrastructure available in different institutions of Abhilashi Group of Institutions and Abhilashi University, both educational and extra curricular, magnificently demonstrates the importance of ambiance in facilitating focused learning for our students. The Abhilashi University is one of the leading Universities of north India which has been successfully approved by the 1st Inspection Committee of the University Grants Commission within two years of its inception.

Further, the University has the approval of the University Grants Commission under section 2(f) and Section 22 of the UGC Act, 1956, Central Council of Indian Medicine, Pharmacy Council of India, Bar Council of India, Himachal Pradesh Para Veterinary Council, Indian Association of Physiotherapists and is a member of AIU (Association of Indian Universities).

The various institutions of Abhilashi Group of Institutions offering various technical and professional courses viz. Engineering (Degree & Diploma), ITI, Pharmacy, B.Ed. & D.El.Ed., Nursing, Masters in Basic Science are duly approved by AICTE, NCVT, PCI, NCTE, INC, HPNRC and H.P. Govt.

It is my pleasure to extend warm a welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group. I honestly assure them that they will shine in their career, beat the crowd of this competitive world and realize their cherished missions after completing their education at our University or other Institutions of higher learning.

**Dr. R.K. Abhilashi**  
Chairman/Chancellor

**Abhilashi Group of Institutions/Abhilashi University**

## Managing Director/ Pro-Chancellor's Message

The fast-changing world of tomorrow will be an existing and a challenging place to live, where only people who adapt themselves to the situation, keep pace with upcoming technologies and take the ability to align their ideas, thoughts and way of working to changing situations will survive. At Abhilashi University and Abhilashi Group of Institutions we recognize this need to prepare the students for the challenges of the 21st century and to provide an atmosphere this will encourage them to become lifelong learners and to work in multicultural, ever changing society. As education and knowledge are of paramount significance for the different sections of society, therefore, the Abhilashi Educational Society has developed a hub of educational institutions in and around the Nerchowk and Chailchowk towns of Mandi District (H.P.).

The Majority of the institutions are situated in rural areas so that the students can get a serene, calm, pollution-free academic environment for their studies and innovations may become an asset to society. The other reason for establishing and developing educational institutions in the rural area is the pious mission of the Abhilashi Educational Society to improve the quality of life of the rural people through education, employment and other means of entrepreneurship such as opening hostels, paying guest houses, grocery shops, tea shops and other means of livelihood possible at their thresholds.

The vision of the Abhilashi University and Abhilashi Group of Institutions is “Excellence in professional and technical education through dedication and innovative research”. Thus, to achieve this mission, the Abhilashi University as well as the Abhilashi Group of Institutions have adopted a very high standard of education which is reflected in the recognition of the University by the University Grant Commission Inspection Committee and AICTE Expert Committee and the ratification of the same by the UGC within two years of the establishment of the University.

Further, the standards of the University and institution of Abhilashi Group have also been applauded by the other bodies such as PCI, BCI, CCIM and H.P. State Para Veterinary Council, NCTE, NRC, HPNRC and H.P.Govt.

It is my pleasure to extend a warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group. I honestly assure them that they shall shine in their career and beat the crowd of this competitive world.

**Dr. Lalit Kumar Abhilashi**

Managing Director/ Pro-Chancellor  
Abhilashi Group of Institutions/ Abhilashi University

## Secretary's Message

The Abhilashi Group of Institutions, Ner Chowk, Distt. Mandi has shaped the lives of all the persons who come to its ambit in whatever capacity they have entered. The Group is a fountain head for many of the under privileged students who have the jest to learn but don't have the resources for the same. Here we are providing them the moral as well as monetary support in getting their higher education with us. We take the utmost care of our students who just do not hail from the state of Himachal Pradesh but also other regions of the country viz. Sikkim, Arunachal Pradesh, Manipur, West Bengal, Jharkhand. I assure you that we will not leave any stone unturned to shape your career in the field of Higher Education as we care not only about our current students but our alumni also.

I assure you on the behalf of the Abhilashi Group of Institutions/ Abhilashi University family that we will help you to pursue your objectives of life in the varied social, cultural and economic environment and I am very much sure that you, by your hard work and sincerity, will make Abhilashi Group of Institutions/ Abhilashi University proud.

## Salient Features of Abhilashi Group of Institutions/ Abhilashi University

Abhilashi Group of Institutions strongly believes that monetary constraints should not be an obstacle for a student to have access to quality education. So, the university offers Scholarship Schemes to students on various parameters.

Abhilashi Group carries forward the character of the brand 'Abhilashi' and is committed to the highest standard of academic excellence. It provides the latest technology and learning tools such as state of the art class rooms, modern laboratories and a conducive environment for the students to become top technocrats, professionals, entrepreneurs, leaders or researchers and responsible global citizens.

We have the support of a strong team of faculty members, who whole heartedly put their efforts into motivating the our students and guiding them to progress at every step. In a conducive learning environment at our serene campus, we nurture champions, who, with intellectual brilliance and ethical excellence, emerge out as leaders with a difference.

Choosing an institution for higher education is one of the most significant decisions to shape your career and life. Be flexible in the face of rapid changes in society and technology & ready to -

- Embrace and encourage creative problem solving.
- Facilitate the ability to integrate complex systems and technology.
- Seek partnerships with a variety of engineering and science disciplines, with business, with education leaders, with government and the greater community.
