

## Activities – 2023

### National Dengue Day:

The main objective of organizing “National Dengue Day” was to spread awareness among students and thereby community about the prevention and control of dengue.

The awareness drive on Dengue was started on 16<sup>th</sup> May 2023 by Dr. Abhilash on theme “Fight Dengue, Save Lives” at School of Pharmacy, Abhilashi University, Chailchowk, Mandi, H.P. The students

attended a session of awareness about the control and prevention of dengue.

### World Hypertension Day:

The main objective of organizing “World Hypertension Day” was to spread awareness among students and thereby community about the prevention and control of hypertension.

An expert talk on the occasion of World Hypertension Day on 17<sup>th</sup> May 2023 was given by Mr. Nishant Sharma on theme “Measure Your Blood Pressure Accurately, Control It, Live Longer” at School of

Pharmacy, Abhilashi University, Chail-Chowk, Mandi, H.P. The students attended a session of awareness about the control and prevention of hypertension.

### Teacher’s Day Celebration:

School of Pharmacy celebrated Teacher’s day on 5<sup>th</sup> September, 2023 in honor of Dr. Sarvepalli Radhakrishnan at Abhilashi University. Dr. Sarvepalli Radhakrishnan was a distinguished Indian philosopher, scholar, and the second President of India. Dr. Radhakrishnan's birthday is observed as Teachers' Day because he believed in the importance of education and the role of teachers in shaping the future of the nation.

Students gave a fantastic performance on stage just for their teachers. Students from class D. Pharm-1st to M. Pharm 4th Semester were present and exhibited their talents as a treat to the teachers. The students from Pharmacy courses expressed their thankfulness to their teachers.

## World Pharmacist's Day:

World's Pharmacist Day was celebrated by School of Pharmacy, Abhilashi University. The event was organized on 25<sup>th</sup> September, 2023. "World Pharmacists Day" is celebrated annually on September 25<sup>th</sup>. This day is dedicated to honor and recognize the vital role that pharmacists play in healthcare systems and in improving patient outcomes.

Pharmacists are healthcare professionals who are experts in the field of medicines. They play a critical role in ensuring the safe and effective use of medications by dispensing prescription drugs, counseling patients on their proper use, and working as part of the healthcare team to manage and optimize medication therapy. World Pharmacists Day provides an opportunity to acknowledge and celebrate their contributions. "Pharmacists Strengthening Health System" was the theme for World Pharmacists Day.

The event started with the lighting of lamps by the Chief Guest- Hon'ble Vice- Chancellor Prof. H.S. Banyal. The Dean- Sh. Dev Prakash Dahiya delivered an enlightening speech on this occasion. Various events like poster, rangoli, singing, quiz and dance competitions are conducted by the Students. The event was concluded by Vote of Thanks by Dr. Chinu, H.O.D, School of Pharmacy. The programme was ended with the National Anthem.
