

Activities – 2023

HOLI CELEBRATION (7/3/2023): Holi the festival of Colours is not about getting rid of the waste and negative energies from our lives and homes but much more. Holi is also celebrated as a pledge day when one takes account of their shortcomings and accepts your flaws and mistakes and promises oneself not to repeat them and overcome them.

UNIVERSITY ON THE PATH OF THEORY TO PRACTICAL (4/03/2023): Students have started their itinerary with a visit to the Kullu Valley in which Manali is situated is often referred to as the "Valley of the Gods". An old village in the town has an ancient temple dedicated to the sage Manu. They learned about the history of that place and the culture of the local people. Such a tour is very helpful for the implementation of the theoretical approach in a practical way.

GURU SERIES TALK (27/03/2023): The role of a teacher is not just limited to delivering a lecture, he plays an important role in educating, inspiring, and guiding them to become responsible. A teacher is a person who can motivate and assure the students that by learning and doing, they can achieve everything. Dr. Neetu Sharma, Head of Department, Zoology, Abhilashi University has delivered a guest lecture on the topic ' Scope of Zoology in the different fields' at Govt. Degree College Basa(Gohar), District Mandi

FEST 'PARIVARTAN 2k23' (14-15 April 2023): Parivartan 2k23, the Annual Fest of Abhilashi University in itself is a whole tradition, a culture that every Abhilashian lives through. With top-notch celebrity performances to the best of sponsors, there was nothing that didn't add splendor to the gig. A major chunk of credit goes to our sponsors, our stall associates, our event partners, and not to the extremely supportive Management. The two-day long extravaganza had a plethora of activities, competitions, and many enthralling performances which led to ending both days with the most hyped star-studded nights. The event was inaugurated by Nivedita Sood, ADC cum Project Director. The main University grounds were hustling with exhibitions and lip-smacking delicious food of all cuisines. The closing ceremony of the event was graced by the PWD, Youth Services & Sports Minister of Himachal Pradesh Shri Vikramaditya Singh. Thus, it will be correct to say that Parivartan 2k23 was a blockbuster, being one of the biggest fests organized at Abhilashi University this season.

DEPARTMENT OF ZOOLOGY CELEBRATED WORLD MALARIA DAY (25/04/2023): World Malaria Day is celebrated by the Department of Zoology, Abhilashi University. The day is marked under the theme “Time to deliver Zero Malaria: invest, innovate, implement” On this occasion, the Head of the Department. Dr. Neetu Sharma highlighted the importance of a responsibility to end malaria and to make a malaria-free world..

“GROW FOOD NOT TOBACCO” (31/05/2023): An awareness program for Faculty Staff and Students on the occasion of ‘World No Tobacco’ sponsored by Brahma Kumaris under the Ministry of Social Justice and Empowerment. All the participants took a pledge to stay away from tobacco and raise awareness in society about the dangers of consuming tobacco.

LET NATURE BE YOUR TEACHER (12/09/2023): Nature is a great teacher. It imparts valuable lessons about life and survival. From changing seasons to the simple life cycle of a plant, nature teaches us to adapt and grow. School of Education along with mentor Dr. Ankita Chaudhary took the first-hand experience of learning with nature they observed how nature’s everything is in symmetry viz. flowers, leaves, and trees. poetry of William Wordsworth was recited in the lap of nature.

HINDI DIWAS CELEBRATED IN UNIVERSITY (14/9/2023): Dr. Navdeep Sharma, School of Basic Sciences in his lecture advised the students and staff about the use of Hindi in their day-to-day communication and to make the language easily understandable. The day was marked by competition in quizzes, declamations, and poster making which a large number of students participated. Prizes were distributed to the winners of the contest. Dean, Faculty of Education, Basic Sciences and Humanities, Dr Promila Abhilashi appreciated the efforts of the staff and students.

TRIBUTE TO THE 'VEERS' AS PART OF CELEBRATING 77TH INDEPENDENCE DAY:

A heartfelt tribute to India's freedom fighters and a celebration of 77 years of independence concluded its 5-day program under the banner of "Meri Maati Mera Desh" with the event "Veeron Ka Vandan." The program, which commenced on August 11 at the University, unfolded with the Panch Pran pledge. Both students and staff members passionately pledged their dedication to transforming India into a developed nation by 2047. NSS volunteers actively participated in planting saplings of indigenous trees. Throughout the 5-day journey, the department brimmed with activity. "Maati Ko Naman," a respectful tribute to the soil, was followed by intellectually stimulating competitions such as quizzes, singing, speeches, and essay writing, which engaged NSS volunteers fervently.

LECTURE ON SOFT SKILLS (6/10/2023):

Soft skills are essential for success in the workplace, both for employees and employers. They are the social abilities that enable us to interact effectively with others, and they play a vital role in our ability to communicate, collaborate, and solve problems. These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity, and Leadership, etc. speaker Dr Ankita Chaudhary said students unlike hard skills that are learned, soft skills are similar to emotions or insights that allow people to "read" others. These are much harder to learn, at least in a traditional classroom. They are also much harder to measure and evaluate.

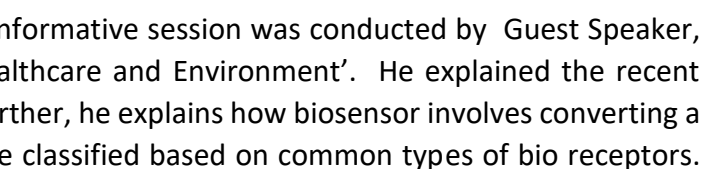

FRAGRANCE OF HEENA SPREAD IN THE UNIVERSITY (31/10/2023):

The Mehendi Competition was a vibrant and culturally enriching event that successfully achieved its objectives of promoting traditional art, fostering creativity, enhancing dexterity, and building cultural appreciation among students. It also served as a platform for students to express their artistic talents and connect with their cultural heritage through the intricate and colorful designs of Mehendi. This competition exemplified the commitment of the University to holistic education, emphasizing the importance of preserving cultural traditions and promoting artistic expression alongside academic pursuits.

LECTURE DELIVERED ON BIOSENSOR (4/11/2023):

An informative session was conducted by Guest Speaker, Dr. Dhanjai on the topic 'Biosensor: Application to Healthcare and Environment'. He explained the recent advancements in Biosensors with real-time examples. Further, he explains how biosensor involves converting a chemical flow of information into electric signals and are classified based on common types of bio receptors.

Then he elaborated wide range of applications of biosensors as medical applications, industrial applications, environmental applications, military applications, and drug development. Hon'ble Vice Chancellor, of Abhilashi University added that such kind of guest lecture will help students to think out of the box. Further, he appreciated the efforts of Dr. Promila Abhilashi, Dean Faculty of Education, Basic Sciences and Humanities, and the organizing team.

ABHILASHI UNIVERSITY LIT UP WITH DIYA (9/11/2023):

Diwali is a festival of lights & symbolizes the spiritual “victory of light over darkness, good over evil, and knowledge over ignorance. The name ‘Deepavali’ literally means an ‘array of lights’. Students threw light on the importance of Diwali by preparing colorful rangolis in different parts of the university. Through Rangoli, students were told that the festival of Diwali is a festival of happiness, and it should be celebrated together with the whole family.

TIME FLIES BY TOO FAST, VISIT AN OLD AGE HOME BEFORE IT'S PAST (27/09/2023):

School of Education, Abhilashi University's visit to Krishna Lalit Old Age Home was an unforgettable lesson. There we learnt more about true life and sharing and caring. There are many recreational facilities available to them and these facilities were properly used by them. However, all of them were lonely and carving for love and affection. We spoke to them, shared our love and they sang songs for us. Some of our Students danced for them. They also started dancing with us. They shared their sadness and personal stories with us. However, the care shown to them by the helping hands at the home was indeed inspiring. Finally, we left with a heavy heart.

EXPOSURE VISIT: UNITY IN DIVERSITY (7/11/2023):

Student started their journey from theory to practical in English literature along with subject experts. students visited the bhimakali temple first and then the Gurudwara Guru Gobind Singh ji Mandi. The place hosts some historical relics and students felt the religious unity in both the place. How people are serving the humanity. Students also contributed there.
