SECTION B: Program report and reflection

1. Program objectives:

- Mankind delegates **Mr. Rajender Thakur** (Manager HR) came as speaker of day. He discussed about production department i.e. the production department is responsible for converting raw materials and other inputs into finished goods or services. The main role of production is to turn inputs (raw materials) into outputs (finished goods). They will need to carry out inspections and implement suitable quality initiatives.

2. Program description:

- He discussed about their company products. Few are discussed here.
- **Acnestar**- An anti-inflammatory and anti-bacterial, Acnestar Gel is a rapid solution for a flawless acne-free skin. Acnestar Gel is available in 2 pack sizes - 15g & 22g. Acnestar Soap soothes, nourishes and cleanses your skin avoiding the skin from acne. Solution to a radiant and gorgeous skin. Available in a 75g pack size.
- **KABZEND**- KABZEND natural laxative granules are the Ayurvedic based formulation to help in maintaining regular bowel movements to ensure proper cleansing of the body. It is enriched with goodness of 17 herbs to alleviate the problem of constipation.
- **Ring-Out**- Ring-Out offers an effective treatment for ringworms & helps to cure the infections caused by fungi.
- **Gas-O-Fast**- It helps to cure problems like gas, acidity, heartburn & hyperacidity. Its active range comes in different variants of 5g pack such as Jeera, ajwain, & Pudina.
- **Kaloree-1**- An artificial sweetener, is very useful for diabetics and helps to maintain overall fitness for living a healthy lifestyle.
- **Heal-O-Kind**- An all-rounder gel with unique Nanofine technology that heals all types of injuries, wounds, nicks, bruises and burns. Heal-O-Kind has a strong anti-bacterial action that absorbs into the skin for faster and shows scar-less healing. They also told their future target of the company by their production. They advised the students about their future in their company.
- **Zomac -TZ-** It contains **Ciprofloxacin and Tinidazole**. This combination medication contains antibacterial and antidiarrheal agents, prescribed for susceptible infections.
- **Digitran - 250-** API is Digoxin. This medication is a purified cardiac glycoside derived from leaves of digitalis plant, prescribed for congestive heart failure.
- **Domizol**- Domperidone is an antidopaminergic agent, used in treating nausea, vomiting, gastrointestinal problems and Parkinson's disease.
- **Etizola**- It contains Etizolam. This medication is a hypnotic and sedative, prescribed for anxiety, and sleep disorders.
- **Nebimac -H-** It contains Hydrochlorothiazide. This medication is a thiazide diuretic, prescribed for high blood pressure (hypertension) and edema.
- **Domizol**- It contains Omeprazole. This medication is a proton pump inhibitor, prescribed for indigestion, peptic ulcer and gastroesophageal reflux disease.
- **Macprox**- Its main API is Oxaprozin. This medication is a non-steroidal anti-inflammatory drug (NSAID), prescribed for osteoarthritis, rheumatoid arthritis, or juvenile arthritis.
- **Dyamide Plus**- It contains Spironolactone. This medication is a potassium-sparing diuretic, prescribed for hyperaldosteronism, low potassium levels, and for edema (fluid retention) caused by various conditions.

SECTION B: Program report and reflection

1. Program objectives:

Keeping both academic and industrial projects going poses particular challenges. To make these jobs compatible, you need flexibility so that flexibility in advance and the university experience is very good to work in industry.

2. Program description:

Lecture by Mr. Baldev Thakur (Manager HR) Macleod's Pharmaceuticals: Macleod's Company delegate **Mr. Baldev Thakur** (Manager HR) in our School of Pharmacy Abhilashi University, Chail-Chowk, Mandi. He told about research and development department. It refers to innovative activities undertaken by corporations or governments in developing new services or products, or improving existing services or products. Research and development constitutes the first stage of development of a potential new service or the production process. R&D activities must be closely coordinated with the organization's marketing activities to ensure that the organization is providing exactly what its customers want in the most efficient, effective and economical way. Then he discussed about production department i.e. production is to turn inputs into outputs. Outputs refer to a finished product or service and inputs are the materials that are needed to manufacture certain goods. When a business completes this process they are able to achieve customer satisfaction by producing products that are ready to be used and fit for purpose. The production department is responsible for ensuring quality is achieved in each item produced. He told about quality assurance. This may be helpful to appreciate the role of quality assurance as including preparation of data for the qualified person for the purpose of batch release and certification. In this case, the quality assurance organization would then take up the task of generating portions of batch-related data to ensure they are available through appropriate reporting systems as well as parallel so as to guarantee the functionality of standard quality systems. He discussed about quality control department. The term quality control refers to the sum of all procedures undertaken to ensure the identity and purity of a particular pharmaceutical. Such procedures may range from the performance of simple chemical experiments which determine the identity and screening for the presence of particular pharmaceutical substance (thin layer chromatography, infrared spectroscopy, etc.), to more complicated requirements of pharmacopoeia monographs. He said, Macleod's offers dispersible, bi-layered, coated, uncoated, and enteric coated tablets; hard and soft gelatin capsules; dry powder injections and syrups; and granules and liquid orals. The company provides products in various therapeutic groups, such as anti-infective, cardio-vascular, CNS, respiratory inhalation, dermatology, oncology, and orthopedics; and anti-TB, asthma and COPD, anti-bacterial, NSAIDS, malaria, HIV, anti-arthritis, anti-osteoporotic, gastroenterology, gynecology, ophthalmology, and CVS.

SECTION B: Program report and reflection

1. Program objectives: to make people aware about the role of women in society
2. Program description: Indian women, and rural women in particular, play many social and economic roles inside as well as outside the home, but their contribution does not receive due to recognition. They have been excluded from the various training and rural development programmes which usually involve the menfold health, nutrition and so on. This can be attributions and potential of women. Thereby of On 5th of May, 2017 a seminar was delivered on "Role of women in rural India" by Mrs. Shivani Kaundal (Assistant Professor) faculty of Agriculture at Abhilashi University. The seminar was attended by all faculty members along with students. Different relevant and interesting subjects related to present situation of women in india and Himachal Pradesh were discussed. The new horizon develop in recent time for role of women in rural India and their contribution in different field were elaborated in detail. Rural women helps in shaping laws, policies and programmes on all the issues that affect their lives, including improved food and nutrition security and better rural livelihoods. Rural women should be encouraged to do something out of the household works, and if they already want to work in offices to earn for themselves, no one should stop them. They are an individual identity who have full freedom of doing anything that they think is the best of them were elaborated in detail. The audience was also famailarized by different fields through which the status of rural women can be uplifted.

Program objectives

National Workshop

Program description:

Chancellor inaugurated National Workshop in the School of Engineering and Technology, Chail Chowk, District Mandi H.P. The workshop was based on the theme 'Green Energy Technology' for sustainable development. Abhilashi University, chancellor emphasized the need for renewable energy sources. They also taught students to work skillfully in engineering. Workshop coordinator Dr. Vedant Singh also gave a lot of information. In the first technical session of the workshop, former Head of the Department and Professor S.S. Chandel of the Energy and Environment Center of Hamirpur NIT Hamirpur detected more wind energy technologies for the Himalayan region. Dr. Narsa Reddy, Assistant Professor of IIT Mandi School of Computing, in the Second Technical session explained the effect of hybrid energy storage systems on future micro grids. On this occasion Prof. L. K. Abhilashi, Pro Chancellor, Dr. Promila, Vice President, Abhilashi Educational Society, Vice-Chancellor, Professor H.S. Banyal Registrar and Dean and the heads of various departments are present.

Program objectives

Celebrates Independence Day cum Foundation Day

Program description:

Independence Day cum foundation day was celebrated on 15th August. Indian Flag was unfurled by our Chairman Dr. RK Abhilashi and followed by Indian National Anthem. All university students & all faculty members were present at the event. Our Chairman Dr. RK Abhilashi later addressed the gathering. He touched upon the importance of independence & how we as citizens should maintain it.

Program objectives

Engineering day is celebrated to remember the birth anniversary of Mokshagundam Visvesvaraya. This day is to inspire the students to put their efforts towards their goal.

Program description:

Engineers' Day was celebrated by the Faculty of Engineering and Management on 15/09/2017 in the Multipurpose Hall of the University. Dr. A.S. Guleria, Hon'ble Vice Chancellor, was the Chief Guest. The theme of the Day 2017 was, "Role of Engineers in Developing India". Mr. Umaid Yousuf, B.Tech 4th year student and Ms. Sabha Aunjum, B.Tech 3rd year student threw light on the achievements of Mokshagundam Visvesvarayas.

Freshers' party to the freshers' i.e. B.Tech 1st year students was organized by the senior students of B.Tech courses of the University. A colourful cultural programme was also enjoyed by the audience. Solo songs, Kullu Natti, dances and musical games were played in the party. Prizes were distributed to the freshers by senior students for their performance of activities in the party.

SECTION B: Program report and reflection

Program objectives

To provide practical exposure to the students where they could experience the operation of the milk industry.

Program description: Students of the MBA Department of the Abhilashi University visited the Milk Plant near Nerchowk on 26/10/2017. The team of students received important business information related to milk production. Chakkar Milk Plant Manager Rakesh Pathak and his associate category D.P. Sharma and Chandar Shekhar Vaidya provided detailed information about processing, packaging, quality, accounts and marketing related to dairy business for the purpose of project formulation and business traits learning under the supervision of Dr. Jatinder Kaur and Dr. Jyoti Sondhi.

SECTION B: Program report and reflection

Program objectives

To ensure that people understand their right as voters and exercise that right with full knowledge and responsibility. To educate the voters about the importance of vote in democratic country like India.

Program description: Volunteers of the NSS in the University made a conscious effort to go to the villages in and around the university on 27/10/2017 for awareness camp in connection with election teaching and voting process. Volunteers of the NSS made aware the villages about NOTA. NSS program officer Abhishek Soni said that the students made the people aware about the voting and said that if you do not like a candidate, do not spoil your vote. It is our right to vote. Your vote is valuable, please vote.
