**SATGURU BABA HARDEV SINGH JI MAHARAJ,
SATGURU MATA SAVINDER HARDEV JI AND
SATGURU MATA SUDI KSHA JI**

**“ We should indulge in God
remembrance every moment. ”**

We should always remember the formless God. We must never forget the presence of formless God. It is generally said that God remembrance is not mere recitation. Yes, that's true and we don't have to indulge in recitation. But we must feel his presence every moment. We are not bound by any particular time or place for God remembrance. But like when our mobile phones do not get any signals, we use land line phones to make a call, similarly, if one feels that he/she is lacking in '**Sumiran**' then one should sit with family members for '**Sumiran**'. Don't think that you were not told that earlier. In fact, it was not told but one should remain consciously aware about paying attention to '**Sumiran**' in any way so that our faith should remain firm and unwavering. God remembrance leads to large heartedness as well as broad-mindedness that saves us from unnecessary complications. '**Sumiran**' opens the door to progress.

*Satguru Baba Hardev Singh Ji Maharaj,
Satguru Mata Savinder Hardev Ji and

ABHILASHI UNIVERSITY - AN INTRODUCTION

Abhilashi University at Chail Chowk, Mandi is established by the Government of Himachal Pradesh vide "Abhilashi University (Establishment & Regulation) Act, 2014". Abhilashi University is a Government recognized University with a right to confer degrees as per Section 2(f) and 22(1) of the UGC Act, 1956. The campus of the University is located at Chail Chowk near Mandi (H.P.) and surrounded by lush green fields, pine and oak forests thus becomes an ideal place for study in a clean health-oriented environment. The aforesaid was the forethought for the Abhilashi Educational Society selecting such a beautiful location for the University. There are a number of places worth visiting nearby the University such as Nachan Valley, Jecuni Valley, Janjehli Valley, Balh Valley, Sundernagar and Mandi towns. One can also enjoy snowfall once a while during the winter season. The fresh and pollution free air of this region keeps the minds of the students fresh and help them to concentrate on their studies and beat the crowd.

The management of the University, Abhilashi Educational Society, is a pioneer in managing private educational institutions in the state of Himachal Pradesh. The foundation stone of the Society was laid by Late Sh. Tulsi Ram Abhilashi Ji on May 21, 2001.

The students and their parents have put faith in the quality education imparted by efficient and dedicated faculty of institutions managed by Abhilashi Educational Society for the last 16 years. The Society is presently running many educational institutions of basic and technical education in the region. It includes: Abhilashi PG College of Education at Nerchowk, Mandi established in 2003 and running D.El.Ed and B.Ed., Abhilashi College of Pharmacy, Nerchowk, Tehsil Balt, Distt. Mandi from 2006 and onwards admitting students for B. Pharmacy Degree Programme; Abhilashi P.G. Institute of Sciences at Nerchowk, Tehsil Balt, Distt. Mandi offering M.Sc. Courses in Physics, Chemistry and Botany, T.R. Abhilashi Memorial Institute of Engineering and Technology (TRAMIET) established in 2009 imparting education in the B. Tech. and Diploma programme in different disciplines of engineering and technology. Abhilashi College of Nursing at Tanda, P.O. Balt, Distt. Mandi is imparting education in B.Sc. Nursing, GNM, ANM and Post-Basic B.Sc. Nursing courses. Keeping in view the requirement of people of Chailchowk and surrounding areas, Abhilashi Hospital has established and operational at Chailchowk in October, 2020.

Vision

Excellence in professional and technical education through dedicated and innovative research.

Our Mission

- To provide environment for achieving excellence in education.
- To create and generate conditions for quality education.
- To impart quality education through value-based & industry-based curriculum.
- To strengthen in humanistic, social and moral values.
- To plant education and qualities of leadership in minds of students for future development of the nation.

CHANCELLOR'S MESSAGE

Education is the driving force for effecting change in a person, community, society, and nation. It breaks the barriers of caste, creed, ethnicity and religion by training the minds to think logically; envision, innovate, invent and discover methods for creating a harmonious and sustainable society with skills, positive mindset, knowledge and high values of life. Education being so important, therefore, the mission of the Abhilashi University is "To provide environment for achieving excellence in education through leadership-based, value-based & industry-based curriculum for the overall development of the minds of students for the future development of the nation in turn".

For any University, the structure of excellence lies in the transitional ability of its faculty and its facility. I am always in awe of the efforts that our academic board puts into developing the team of subject matter expert at Abhilashi University. My faculty colleagues understand our core vision of empowering our future generation to be ethically, morally and intellectual elite. They practice the art of teaching with a student centred and transformational approach. The excellent infrastructure at the University both educational and extracurricular, demonstrates the importance of ambience in facilitating focused learning for our students.

The Abhilashi University is one of leading Universities of north India which has been successfully approved by the 1st Inspection Committee of the University Grants Commission within two years of its inception. Further, the University has the approval of University Grants Commission under section 2(f) and Section 22 of UGC Act, 1956 and a member of AIU (Association of Indian Universities), Central Council of Indian Medicine, Pharmacy Council of India, Bar Council of India, Himachal Pradesh Para Veterinary Council and Indian Association of Physiotherapists. It is my pleasure to extend warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group and I honestly assure them that they will shine in their career, beat the crowd of this competitive world and realize their cherished missions after completing their education from our University and other Institutions of higher learning.

Dr. R. K. Abhilashi

PRO-CHANCELLOR'S MESSAGE

The fast changing world of tomorrow will be an existing and a challenging place to live, where only people who adopt themselves to the situation, keep face with upcoming technologies and take the ability to align their ideas, thoughts and way of working to changing situation will survive. At Abhilashi University we recognize this need to prepare the students for the challenges of the 21st century and to provide an atmosphere which will encourage them to become lifelong learners and to work in multi cultural, ever changing society. As education and knowledge are of paramount significance for the different sections of the society, therefore, the Abhilashi Educational Society has developed a hub of educational institutions in and around the Nerchowk town of Mandi District (H.P.). Majority of the institutions are situated in the rural area so that the students can get a serene, calm, pollution-free academic environment for concentrating in their studies, innovating and becoming an asset to the society. The other reason for situating and developing the educational institutions in the rural area, is the pious mission of the Abhilashi Educational Society to improve the quality of life of the rural people by education, employment and other means of entrepreneurship such as opening hostels, paying guest houses, grocery shops, tea shops and other means of livelihood possible at their thresholds.

The vision of the Abhilashi University is "Excellence in professional and technical education through dedication and innovative research". Thus to achieve this mission, the University has adopted a very high standard of education which gets reflected through the recognition of the University by the University Grant Commission Inspection Committee and AICTE Expert Committee and the ratification of the same by the UGC within a period of two years of the establishment of the University. Further, the standard of the University has also been applauded by the other bodies such as PCI, BCI, CCIM and H.P. State Para Veterinary Council. It is my pleasure to extend warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group and I honestly assure them that they shall shine in their career and beat the crowd of this competitive world.

Dr. L. K. Abhilashi

VICE-CHANCELLOR'S MESSAGE

Welcome to Abhilashi University at Chail Chowk, District Mandi, Himachal Pradesh, a venture in higher education by Abhilashi Education Society. Situated in a serene environment surrounded by Gohar and Balh valleys and nature's paradise of green lush fields, oak and pine forests make Abhilashi University an ideal institution to associate with. Abhilashi University is an institution which rears its students in their mission of literacy and education. University means centre of higher education. It nurtures the individual's ability to interpret, to distinguish between right and wrong, to enhance the appetite for curiosity and to discover the answer to hidden unsolved problems. Education is manifestation of perfection already present in man.

The main focus in learning should be to make the hidden ability of learner manifest. As Vivekananda said, what a man 'learns' is really what he 'discovers', by taking cover off the human soul, which is a mine of infinite knowledge. According to Vedanta philosophy, knowledge is inherent in human being, like a spark in a piece of flint, and all that is needed is the strike of suggestion to bring it out. Real education is that which enables one to stand on one's own legs. Education must be considered as a continuous and lifelong process. Teachers and designers of education system must always keep in mind the Vedanta idea that whatsoever good or bad impressions a mind carries, a human being is essentially pure and divine and repository of immense possibilities. Everyone should get equal opportunity to learn and grow irrespective of one's financial abilities. Discovery is the main focus of universities. Universities are to solve the unsolved issues, to answer the unanswered questions, to encourage the innovative and imaginative ideas, to nurture a state of mind that is flexible and alert and to educate the individuals about modesty and humanity. Abhilashi University is synonym with this.

We at Abhilashi University educate our students and prepare them for a life time of responsibility with dedication through creation of knowledge by learned and efficient faculty, well equipped laboratories and library. Abhilashi University is established with a vision to make quality higher education within reach to aspiring technocrats and to disseminate knowledge to them in their ability to be job providers instead of job seekers. I assure the young minds joining Abhilashi University that you will certainly achieve satisfaction in your academic pursuits to attain future endeavours. Academic environment is imperative to education of naive technocrats to excel in their skills and Abhilashi University is a lighthouse, well-equipped to impart versatile training in disciplines to ensure maximum on-campus placements of its graduates. My best wishes to students and parents who are associated with Abhilashi University.

Prof. H.S. Banyal

REGISTRAR'S MESSAGE

"Some where, something incredible is waiting to be known."- Carl Sagan.

I came across this amazing quote quite suddenly when I was looking for some information in the internet and realized how relevant it is for all of us: children, parents and teachers. There is never any point in the life of a person when he can sit back and say. "There is nothing more to learn, I can relax with the comforting thought that the universe around me is an open book. I know it all. Education is not just about the subjects that are learnt and taught in educational institutions. Becoming educated is not restricted to being initially in school and then in college, gathering certificates and feeling proud of oneself. It is a lifelong exercise that can

be unbelievably exciting if only we wish to jump onto the train of experience and take a trip to every conceivable place on the earth. Now we know that this cannot be done literally, so how do we manage it, first in school/college life and then as we go on through life's journey.

First, we all have to be on the same page, children, teachers and parents have to understand that education is not restricted to lessons taught in the class room from text books. I welcome you to Abhilashi University, an institution where we help you to shape your future and help you in achieving the destination of life which you want to achieve. Abhilashi University has 5 Faculties and 13 Schools conferring degrees and diplomas in 42 different courses. I assure you that at Abhilashi University we will not leave any stone unturned in making your dream come true. At last I will like to add a few words of Albert Einstein- "Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world, and all there ever will be to know and understand."

Admission for Session 2022-23

Abhilashi University aims to impart quality education to its students by applying modern scientific techniques. University follows CBCS and Semester System (Annual System for BAMS, BPT and Diploma in Pharmacy) for teaching and evaluation. Each semester of study has minimum requirement of attendance and pass percentages in theory and practical examinations. Each course is defined in terms of credit hours for lectures, tutorials and practical classes. A student is registered to each course in the beginning of the programme. The duration of the course is given under the respective faculty. Each semester will have mid-term and end-term semester examinations.

Admission to academic session 2022-23 will be based on National Level/State Level Entrance Tests, Combined Entrance Test (AUCET-2022) and on the basis of marks in qualifying examination.

Documents required at the time of Admission :

The following certificates/documents (self attested by the candidate) be submitted along with the admission form:

1. Three passport size photographs.
2. Matriculation certificate.
3. 10+2 Examination pass certificate.
4. Detailed marks sheets of all semester of graduation in case student is seeking admission in post graduation programme.
5. SC/ST/OBC certificate, if applicable.
6. Original Character certificate from institution last attended. In case there is a gap in studies character certificate issued by Tehsildar/SDO (C) of the area.
7. Original Migration Certificate. In case it is not available at the time of admission then the student may submit it within one year failing which result of third semester will not be declared.
8. An affidavit in case there is a gap in studies.
9. Copy of Aadhar Card.
10. Low income group candidate may submit income certificate issued by Tehsildar/SDO (C) for scholarship.

Abhilashi University has the following Faculties, Schools & Departments

S.No	Faculty	Department	Courses
1.	Faculty of Ayurveda & Health Sciences	Abhilashi Ayurvedic College & Research Institute	BAMS
		School of Ayurveda	D. Pharmacy (Ayurveda), Diploma in Yoga
		School of Physiotherapy	Bachelor of Physiotherapy (B.P.T.) Master of Physiotherapy (Neurology, Orthopaedics)
		School of Medical Sciences	Diploma Medical Laboratory Technology Diploma Multipurpose Health Worker (Male) B.Sc. Medical Laboratory Technology
2.	Faculty of Agriculture	School of Agriculture	Bachelor of Science (Hons.) Agriculture M.Sc. Agriculture {Entomology, Plant Pathology, Agronomy, Genetics & Plant Breeding, Agriculture Extension, Horticulture (Vegetable Sciences)}
		School of Veterinary Science	Two Year Veterinary Pharmacist Training Course
3.	Faculty of Pharmacy	School of Pharmacy	Diploma in Pharmacy (Allopathy) Bachelor in Pharmacy (Allopathy) Master in Pharmacy (Pharmaceutical Chemistry, Pharmaceutics, Pharmacognosy) Ph.D. in Pharmaceutical Science
4.	Faculty of Engineering & Management	School of Engineering	B.Tech (Agriculture Engineering) Masters in Technology(CE, ME, CSE) Masters in Technology(CE, ME, CSE)-Part Time Ph.D. in Engineering (CE, CSE)
		School of Management	MBA, MBA-Part Time Diploma in Tourism Studies and Hospitality Ph.D. in Management
5.	Faculty of Education, Humanities & Basic Science	School of Education	4 Years Integrated B.A. B.Ed., B.Sc. B.Ed., M.A. Education, Ph.D. Education
		School of Basic Science	B.Sc. (Medical)/B.Sc. Non-Medical), M.Sc. (Zoology), Ph.D. (Zoology)
		School of Humanities	BA, Diploma in Art & Crafts

RAGGING IS STRICTLY PROHIBITED

Abhilashi Ayurvedic College and Research Institute

(A Department of Abhilashi University)

Dr. D. K. Mishra
Principal

Prof. D. K. Mishra completed BAMS from Sampurnanand Sanskrit University, Varanasi and M.D. Kayachikitsa from Institute of Post Graduate Training & Research in Ayurveda, Shyamadas Vidyapeeth, Kolkata. Prof. Mishra has more than 26 years of Teaching and administrative experience. He served as Professor and Vice Principal SGM Ayurvedic College and Hospital, Nandganj, Sahari Ghazipur, U.P.; Principal SUDC Hoshiarpur, Principal JIAR Jammu; Professor and Vice-Principal at Guru Nanak Ayurvedic College, Gopalpur, Ludhiana, Punjab.

Ayurveda is a system of medicine. When translated from Sanskrit, Ayurveda means 'the science of life'. It provides us the knowledge of how to prevent diseases and to eliminate the root cause if it does occur. Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is situated at such a place, the surrounding of which is so picturesque that makes it more suitable for teaching and training of Ayurvedic Education and Research. The surrounding flora is rich in important medicinal plants. Abhilashi Ayurvedic College and Research Institute is offering Post-Graduation* and Graduation level programmes like Doctor of Medicine in Ayurveda (MD)*, Bachelor of Ayurvedic Medicine and Surgery (BAMS) which is recognized by the National Commission for Indian System of Medicine (NCISM), Government of India, New Delhi. The Faculty of Ayurveda and Health Sciences running BPT, MPT and various Diploma courses.

Abhilashi Ayurvedic College and Research Institute has its own multi-specialty 100 bedded hospital, well-furnished pharmacy and herbal garden of 2700 m² area with more than two hundred species of medicinal plants. In addition to Central Library, College has its own working library with more than 10,000 books and 15 journals related to Ayurveda

RAGGING IS STRICTLY PROHIBITED

The Aims and Objectives:

1. To promote the growth and development of Ayurveda.
2. To produce graduates who can efficiently serve in Ayurvedic Health Services and also as Ayurvedic Practitioners.
3. To provide health care to patients by specialists of various fields of Ayurveda.
4. To co-ordinate with other State and National Health Services for providing complete health care.
5. To conduct "re-orientation" training programmers for Ayurvedic Physicians.
6. Programme and activities
 - i) Blood Donation Camps.
 - ii) Conferences, Seminars and workshops on various health related issues.
 - iii) Swachhata Abhiyan.
 - iv) Promote cultivation of medicinal plants

Bachelor of Ayurvedic Medicine and Surgery, B.A.M.S.

Abhilashi Ayurvedic College and Research Institute is running Bachelor of Ayurvedic Medicine and Surgery (BAMS) programme on the annual system of teaching and evaluation.

Duration: Five and half years including Compulsory Rotatory internship of one year.

Seats: 60

Eligibility & Admission Criteria:

Admission in BAMS Course will be done on the basis of merit in NEET and qualifying examination with minimum 50% in 10+2 (Medical) with valid NEET score.

School of Health Science

The Diploma and B.Sc. Medical Laboratory Technology Courses are aimed at training students in the laboratory aspects of medical care with a good scientific foundation. These students will be in a position to competently assist in Biochemistry, Pathology, Microbiology and Radiography Laboratories and Blood Bank in all types of health care delivery systems along with the basic knowledge and advanced training in latest technologies in laboratories and blood bank. These graduates will play an important role in determining the quality of health care provided.

School of Health Sciences has laboratories attached to various subject specialties like Anatomy & Physiology, Biochemistry and Pathology to help the students to develop psychomotor skills which are very essential for the effective practice of Paramedical Sciences. It has the best laboratories which provide excellent hands on training along with innovative modern clinical skills where students are trained on various physical skills related to various organ systems, preparing them for real patient encounters. Fully automated, advanced instruments and are monitored by strict quality control and quality assurance to conduct tests.

The laboratory specialist can get excellent job opportunities in modern Multi Specialty Hospital in India and abroad in both Private and Government sectors.

Bachelor of Science in Medical Laboratory Technology (B.Sc. MLT)

Duration: 3 Years

Seat: 50

Eligibility: A candidate who has passed (10+2) examination (PCB) or equivalent from a recognized board of education with 50% marks (45% for SC/ST).

Admission: The eligible candidates have to appear in the Entrance Test conducted by Abhilashi University (AUCET). The admission will be made on the merit basis of the Entrance test.

Diploma in Medical Laboratory Technology (DMLT)

Duration: 2 Years

Seat: 30

Eligibility: A candidate who has passed (10+2) examination with Science or equivalent from a recognized board of education with at least 45% marks (40% for SC/ST).

Admission: The admission will be made on the basis of marks in the qualifying examination.

Diploma Multipurpose Health Worker (Male)

Duration: 2 Years

Seat: 100

Eligibility: A candidate who has passed (10+2) examination with Science or equivalent from a recognized board of education with at least 45% marks (40% for SC/ST).

Admission: The admission will be made on the basis of marks in the qualifying examination.

School of Agriculture

Prof. D.R. Thakur
Dean, Agriculture

Dr. D. R. Thakur has served many institutions but the main institution was CSKHPKV, Palampur (H.P) where he has served for 27 years and superannuated from the post of Principal Scientist cum Head, Department of Agricultural Economics, Extension Education and Rural Sociology. During his tenure of service, he has gained wide experience in teaching, research, extension and administration in the field of agriculture. Dr. Thakur has published one book and more than 100 research and popular articles in reputed national and international journals, guided 5 P.G students and completed 26 research projects on various aspects of agricultural economics.

Agriculture plays an important role in the life of mankind from early civilization. It gained modernization with the passage of time. Modern agricultural practices are increasingly turning out to be knowledge-based. School of Agriculture established in 2014 offers undergraduate and post graduate programmes in Agriculture. After going through common and elective courses in Agriculture during the degree programme, we have in the course curriculum an exposure of the students in complete rural settings where the students go and live along with farm families in the villages and have the first-hand experience of their living, agricultural practices, difficulties and expectations. Students are attached to an agriculture-based industry to acquaint themselves with post-harvest processing of agriculture produce and link agriculture production with industry. The students are also registered for opting for two modules for skill development and entrepreneurship.

The school has highly qualified teachers, well-equipped laboratories, classrooms and well laid out terraced student's farm representing typical hilly terrain. Occasional snowfall during the winter adds to the beauty of the university campus and places it at a location that is marginal to temperate as well as sub-tropical agro climatic conditions, thus enabling teaching and research under both the situations.

B.Sc. (Hons.) Agriculture

Duration: 4 years (8 semesters)

Seats: 60

Eligibility: Candidates having passed 10+2 with science and secured not less than 50% marks in aggregate for general category (45% for SC/ST) have qualified AUCET-2022. Candidates securing 50% marks in aggregate for the general category (40% for SC/ST) have appeared in state-level entrance test conducted by CSKHPKV, Palampur or Dr. Y.S. Parmar University of Horticulture and Forestry, Nauni (Solan).

M.Sc. Agriculture (Agronomy)

Duration: 2 years (4 semesters)

Seat: 25

Eligibility: A candidate who has passed B.Sc. (Hons.) Agriculture/ Horticulture/ Forestry from a recognized University with 55% marks (50% for SC/ST).

M.Sc. Agriculture (Entomology)

Duration: 2 years (4 semesters)

Seat: 15

Eligibility: A candidate who has passed B.Sc. (Hons.) Agriculture/ Horticulture/ Forestry from a recognized University with 55% marks (50% for SC/ST).

M.Sc. Agriculture (Plant Pathology)

Duration: 2 years (4 semesters)

Seat: 15

Eligibility: A candidate who has passed B.Sc. (Hons.) Agriculture/ Horticulture/ Forestry from a recognized University with 55% marks (50% for SC/ST).

M.Sc. Agriculture (Genetics and Plant Breeding)

Duration: 2 years (4 semesters)

Seat: 15

Eligibility: A candidate who has passed B.Sc. (Hons.) Agriculture/ Horticulture/ Forestry from a recognized University with 55% marks (50% for SC/ST).

M.Sc. Agriculture (Agricultural Extension and Communication)

Duration: 2 years (4 semesters)

Seat: 15

Eligibility: A candidate who has passed B.Sc. (Hons.) Agriculture/ Horticulture/ Forestry from a recognized University with 55% marks (50% for SC/ST).

M.Sc. Agriculture Horticulture (Vegetable Science)

Duration: 2 years (Four semesters).

Seat: 25

Eligibility: A candidate who has passed B.Sc. (Hons.) Agriculture/ Horticulture/ Forestry from a recognized University with 55% marks (50% for SC/ST).

School of Veterinary Sciences

The school of Veterinary Sciences of Abhilashi University was established in year 2016 till then school is dedicated to provide better learning facilities to the students, to give better professionals to serve the society. The school of Veterinary Sciences has well furnished classrooms and tutorial rooms equipped with teaching tools for the effective delivery of lectures and tutorials as per the requirements. Library, livestock handling laboratory, practical pharmacy ,diagnostic and surgical tools and instruments laboratories as per the educational program requirements and norms of statutory bodies are available in the school.

The school have computing resources along with LAN and Wi-Fi connectivity on the campus as well as in hostels and teachers residences.

A livestock Farm having different kind of animals like cattle, sheep, goat etc managed by the School of Veterinary Sciences gives an opportunity to learn handling and management of healthy animals and treatment of ailing livestock brought for treatment of milch livestock from farm as well as from the adjoining areas.

Objectives:

- School of Veterinary Science provides good educational facilities and a conducive environment for the students to become good veterinary pharmacist, entrepreneurs and responsible global citizens.
- Improvement in total productivity of livestock to improve socio- economic status of livestock entrepreneurs.
- To develop, update and standardise package of practices concerning feeding, management, reproduction and poultry production technology.

Course

Course:	2 Years Veterinary Pharmacist Training Course
Duration:	2 Years
Seats:	100
Eligibility:	Candidates having passed 10+2/equivalent examination in any stream conducted by recognized education board/university/ council with 60% marks (55% for SC/ST).
Admission:	Admission will be made on the basis of merit in 10+2

Faculty of Pharmacy

Prof. (Dr.) Amit Chaudhary, Dean, Faculty of Pharmacy, Abhilashi University is actively involved in teaching and administration. He has published various research papers in reputed national & international journals.

Prof.(Dr.) Amit Chaudhary
Dean, School of Pharmacy

He has many years of exposure in research & development. He gives an enormous weightage to both theoretical & practical aspects of teaching courses as stipulated in the curriculum of D.Pharm, B.Pharm, M.Pharm and Ph.D. programmes of PCI and UGC.

The school of Pharmacy started in 2014 with Bachelor of Pharmacy Course is now turning out high quality D. Pharm, B. Pharm, M. Pharm and Ph.D. students. The school of pharmacy has dedicated, highly qualified, experienced and efficient faculty to guide students and to impart quality education, and has also excellent Laboratories with State-of-art equipment and machinery as per the norms of PCI and UGC. The quality processes have been highly appreciated by various regulatory bodies including the Pharmacy Council of India (PCI) and UGC.

In a short span, our campus has made significant progress in the field of technical education, research and development. This has been achieved by outstanding student participation in various activities ably supported by qualified and motivated faculty, a world-class infrastructure and virtual learning system - Blackboard available at the campus, 24 X 7 accesses to e-library and scientific wealth through Wi-Fi. Residential campus gives us flexibility to groom disciplined future professionals, nurturing their life values and hidden talents and strengthening their inherent good qualities. Soft skills & communication skills are the integral parts of the curriculum. We believe in the holistic development of our students.

Diploma in Pharmacy (Allopathy)

Duration: 2 years. **Seats:** 60

Eligibility: Candidates having passed (10+2) with science examination/equivalent examination conducted by the recognized education Board/University. The eligible candidate should fulfil the minimum entry level qualifications prescribed by PCI or any other qualification approved by the PCI.

Bachelor of Pharmacy, B.Pharm.

Duration: 4 Years **Seats:** 60

Eligibility: Admission will be made on the merit of HPCET or 45% in 10+2 (Science) for Gen. and 40% in 10+2 (Science) for SC/ST.

Lateral Entry: Passed Diploma in Pharmacy (Allopathy) examination from PCI approved institution with 45% marks for General and 40% for SC/ST category candidates.

Master in Pharmacy (Pharmaceutics, Pharmaceutical Chemistry & Pharmacognosy)

Duration: 2 years (4 semesters).

Seats: Pharmaceutics 06, Pharmaceutical Chemistry 09, Pharmacognosy 15

Eligibility: The admission to M Pharmacy degree course shall be made on the basis of merit of valid GPAT score. In case the seats remain vacant after exhausting the merit of GPAT, the vacant seats will be filled up on the basis of merit of HPCET. In case the seats still remain vacant after exhausting the merit of National level test and HPCET, the seats will be filled up on the basis of merit of B. Pharmacy degree awarded by the recognized University having minimum 55% for Gen and 50% for (SC/ST).

Ph.D. in Pharmacy (Pharmaceutical Sciences)

Seats: 06

Eligibility: A candidate with 55% marks (50% for ST/SC) at Master level in concern specialization. The admission shall be through AUCET-2020 except those who have qualified UGC-NET/CSIR (JRF, NET)/SLET/GPAT/direct awardees of DST/ICMR/DRDO/INSPIRE and other state or central level fellowship.

Faculty of Engineering and Management

Dr. Devender Sharma
Dean, Faculty of Engineering and Management

The Faculty of Engineering and Management provides proper guidance to the students to enable them to be future engineers and capable of meeting any challenge in life and also uncover their undiscovered skills. The University provides unrelenting support and resources to all its students to improve their communication skills, critical thinking abilities, moral values and sense of responsibility.

School of Engineering

School of Engineering was established in 2014 with aims to provide high quality education in major engineering disciplines from undergraduate to post-graduate levels through a creative balance of academic, professional, and extracurricular programmes. The mission of the School of Engineering is to make the graduates morally conscious and highly competent engineers, conduct internationally recognized research and provide quality professional and community services. The School of Engineering has well-qualified and committed faculty members and supporting staff. The School has modern infrastructure in the form of elegant and smart classrooms, spacious laboratories, latest machinery and equipment. It is well equipped with computational facilities and resources both in terms of hardware and software. Students are encouraged to participate in co-curricular and extracurricular activities to acquire leadership qualities.

Tentative Academic Calender for the Session 2022-23

ODD SEMESTER		
Sr.No.	Activity	Date
1.	Admission, Registration	July, 2022
2.	Mid –Term- I Examination	September, 2022
3.	Mid-Term-II Examination	November, 2022
4.	End Term Examination	December, 2022
5.	Declaration of Result	January, 2023
6.	Winter Break	January, 2023

EVEN SEMESTER		
Sr.No.	Activity	Date
1.	Admission, Registration	January, 2023
2.	Mid –Term- I Examination	March, 2023
3.	Mid-Term-II Examination	May, 2023
4.	End Term Examination	June, 2023
5.	Declaration of Result	July, 2023
6.	Summer Breaks	July, 2023

For Annual System courses the annual examination will be along with the even semester end semester examination. The rest remains the same.

Mentoring

The University has adopted Mentoring System. Faculty members act as mentors of the students. 20 students of each course are placed under each mentor. The mentor will monitor:

- The academic progress and attendance record of the students.
- Contact parents/ guardians of mentees and inform them about the academic progress, attendance, good qualities and drawbacks of the students, if any regularly.
- Behaviour of students in the classroom, hostel as well as in the University or any other noticeable activity of the student to be conveyed to the parents.

Internal Quality Assurance Committee (IQAC)

In pursuance to the Section 25 of the Abhilashi University (Establishment and Regulation) Act the university has constituted Internal Quality Assurance Committee (IQAC).

Cells in Abhilashi University:

Different cells for the welfare of students and employees are:

SC/ST Cell, Sexual Harassment Cell, Women Grievances Cell, Anti- Ragging Cell

The University has constituted cell for the welfare of the Sikkim students.

Fee

Fee for different courses will be as approved by the Government of Himachal Pradesh for the session 2022-23 and the details be provided to the students at the time of admission.

Refund of Fee

Fee once paid is not refundable. If a student withdraws before the last date of admission and the seat filled with wait list candidate then the entire fee collected from the student, after a deduction of the processing fee of Rs. 1000/- (One thousand only) shall be refunded.

Scholarship Schemes

Tuition fee waiver for H.P School Education Board topper in the class admitted in our University. All scholarship schemes of H.P. Govt. for higher education are made available to the students.

Reservation in Admissions

At least 25 percent seats for admission to each course shall be reserved for students who are Bonafide Himachalis and the remaining 75% seats open to all over India and abroad. Seats for admission in the University, for the students belonging to Scheduled Castes, Scheduled Tribes and Other Backward Classes, Handicapped students and BPL/IRDP shall be reserved as per policy of the State Government.

The 10% (ten percent) seats shall be reserved for the Himachali Bonafide BPL/IRDP candidates as per the provisions made by various Regulatory Bodies.

FEE STRUCTURE & ELIGIBILITY IN R/O ABHILASHI UNIVERSITY For the Session 2022-23

Hostel Fee: Rs. 40,000 (I, III, V, VII Semester) / Rs. 30,000 (II, IV, VI, VIII Semester)

RAGGING IS STRICTLY PROHIBITED

Eco-Clubs

These clubs play very important role in creating environmental awareness among the students. They undertake various eco-friendly activities motivate students to keep the environment neat and clean by minimization of waste production, proper disposal of waste, effective use of water and undertaking plantation of trees. They also organize Quiz, Essay and Painting competitions regarding various environmental issues and educate the students about the reuse of waste material and preparation of useful products out of the waste.

National Service Scheme (NSS)

The National Service Scheme is an Indian government sector public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Abhilashi University Chail Chowk Mandi got approval for one NSS Unit with 100 volunteer's sheets in 2016. Dr. Abhishek Soni working as NSS Programme Coordinators and Dr. Reena as PO. This unit adopted two villages every year for awareness on social & welfare issues and cleanliness. Every year Volunteers get selected for National Camp, NIC Camp, Sports Camp and State level Camps. Students get NSS certificate which is helpful for higher education admission and Govt. jobs too. This unit works on "Not Me But You" only.

Dean Students Welfare

The office of Dean Students Welfare co-ordinates various activities for the welfare of the students. It aims at social harmony and peace in the campus and makes good citizens of India in addition to good academicians. DSW allots hostel accommodation to students, supervises sports and cultural activities of the students and also organizes debates, declamation contests and quiz competition programs. The office also organizes different cultural and academic tours for students during holidays.

RAGGING IS STRICTLY PROHIBITED

Hostel

'Hostel is home away from home'. At the end of each academic day a student feels completely exhausted and requires recharge of physical and mental energy. All these call for a comfortable residential accommodation which provides the necessary ambience for group interaction and learning situations, for achieving academic excellence.

University has constructed well-furnished separate hostels for boys and girls. It is accepted that the quality and availability of lodging is a major concern to all the students, and due to this our University has given them first class facilities which include the following:

1. Separate hostels for boys and girls.
2. Well furnished, spacious, clean with excellent hygienic, modern style rooms.
3. Lodging is divided into single or double or triple sharing rooms.
4. Rooms are properly ventilated, spacious and equipped with separate beds, study tables and cupboards.
5. Each floor has facility for clean bathrooms and toilets.
6. Hot water is provided through solar heating system.
7. 24-hour water and power facility.
8. Common room with all amenities like television, newspapers and magazines.
9. Wi-Fi facility.
10. Mess facility managed by dedicated teams of employees for cooking and sanitation.
11. Highly dedicated security personnel who ensure proper security to students.
12. Round the clock security of the campus and the hostel managed by a private agency.

RAGGING IS STRICTLY PROHIBITED

Admission

1. Students seeking admission to the hostel will have to apply to the Warden of the hostel (Boys/Girls) at the time of admission in the University.
2. The names of the candidates approved by Dean Students Welfare will be conveyed to the Warden.
3. The selected students will have to take admission in the hostel allotted to them within the stipulated time by paying the requisite fee in the accounts branch of the university.
4. After depositing the fee by the student, Warden will allot room to the student in the hostel. Once the hostel admission is over, Warden will submit the list of hostel boarders to Dean Students Welfare.

Hostel Charges

According to H.P. Govt. norms.

Hostel Rules and Regulations

General Rules:

1. The hostel authorities will not be responsible for any loss/damage of private property such as cash/mobile phone/scooter/motorcycle and other valuables. The residents are advised to get their vehicles insured against loss, theft and fire.
2. When the student vacates his/her room, he/she will hand over to the Warden all hostel furniture and other property issued to him/her failing which he/she will be liable to pay the entire cost of materials issued.
3. Any violation of rules and regulations will be subject to strict disciplinary action and parents of the ward will be informed accordingly. Disciplinary action includes any or all of the following penalties in accordance with the nature and seriousness of the offence:-
 - a. Payment for the repair or replacement of the article(s) damaged.
 - b. Suspension from the hostel for a specified period of time or expulsion from the Hostel/University.
4. A student admitted to hostel cannot withdraw from the hostel during the session 2022-23 i.e. up to July 2023.
5. Hostel is compulsory for BAMS students.

Note: Orders/decisions notified from time to time by the Hon'ble Vice-Chancellor/Dean Students Welfare/Warden will be binding on the residents.

Attendance and Leave Rules

1. The gates of the hostels will close and open at fixed time. Schedule will be put up on the notice board and the students will strictly adhere to it.
2. A resident shall, under all circumstances, take written permission from the Warden before leaving the hostel overnight. He/she shall sign the register maintained for the purpose at the hostel gate.
3. In the event, the University decides to increase the timings of library and other facilities, the University will make adequate arrangements for girl students.
4. The names of the residents absenting themselves without permission for three days or more may be struck off from the rolls of the hostel and possession of their rooms will be taken by the Warden.

Behaviour & Discipline

All residents shall have their meals in dining hall in the hostel. No resident will take his/her food to his/her room except in case of ill health and with the permission of the Warden. Students will maintain perfect discipline, harmony and peaceful atmosphere in the hostel and refrain from the following:

1. Teasing, maltreating or indulging in any sort of ragging.
2. Stealing or pilfering Hostel/University or the property of other students.
3. Unruly conduct or rowdism.
4. Writing on the walls or other parts of the hostel buildings or sticking of posters or distribution of unauthorized handbill or notices.
5. Making noise and/or creating other disturbances, including the use of electronic or radios, in such manner as to disturb others.
6. Participating or causing others to participate in disturbances of any kind or behaving or causing others to behave in such a way so as to bring the Hostel/School/University into disrepute.
7. Changing rooms and transfer any furniture from one room to another without the prior permission of the hostel Warden.
8. Causing any damage to hostel/University property.
9. Using of electric heater, rod, and electric press etc.
10. Smoking, consumption of alcoholic drink, using drugs or any other intoxicating substances. Any resident found indulging in such practices shall be fined heavily and will be asked to vacate the hostel without any notice.
11. Acts of indiscipline, misbehaviour, gambling, or possession of weapons in the hostel premises including room. A resident guilty of any of these violations shall be liable to expulsion or any other punishment deemed fit by the authorities. In case a student is expelled from the hostel his/her case for allotment of room in the hostel will only be considered after two semesters.

Anti-Ragging

As per the ruling of Honourable Supreme Court of India, ragging is a cognizable offence and banned in Abhilashi University. Those who are found guilty of participation in or abatement to ragging can be:

1. Suspended/Expelled from the University.
2. Rusticated from the University up-to two years.
3. Fine up to Rs. 25,000/-.
4. Face rigorous imprisonment up-to three years.

All necessary steps are taken by the University authorities to curb any incident(s) of ragging in the campus. The senior students are made to sign an undertaking that they will abstain from indulging in ragging. Anti-ragging committee and squads are formed in the University to keep a strict vigil over student activities in the campus. Surprise checks are carried out in the hostels from time to time to monitor the activities of students. Anti-ragging posters and banners are displayed at various locations on the campus to dissuade senior students from participating in menace of ragging. Each student of the University submits online application and undertaking not to indulge in any kind of ragging during his/her tenure in the University.

Facilities :

For Physically Challenged Persons

Physically challenged persons are also the part and parcel of the society and they contribute towards the development of the country. In Abhilashi University ramps are constructed for access to each block. In addition tricycles, wheel chairs, walking sticks, crutches and hearing aids are provided by the University. There is an elevator installed in the Administrative Block.

Medical Facility

Abhilashi University has 100 bedded Abhilashi Hospital on the campus with efficient medical and paramedical staff and well equipped laboratory facilities for clinical investigations of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG, Panchkarma and Ksharasutra etc. Hospital also provides OPD and IPD emergency facilities for the students, employees and the public.

Transportation

Computer Labs

In addition to separate computer facilities available in each department, there are two central computer laboratories well equipped with advanced computing systems to provide free internet access to all the students. The computers are of advanced configuration and latest software available for good training facilities. The entire campus is connected through internet facility. The multimedia computers in the campus provide a good facility for the students and employees and make a best quality learning and innovative teaching environment.

RAGGING IS STRICTLY PROHIBITED

Conference Hall and Seminar Hall

Abhilashi University has two conference halls which are well equipped with modern facilities. They are used as per the needs of the students and staff members for various purposes like presentations and discussions. The academic life in Abhilashi University goes beyond the curriculum and for such activities a centrally located seminar hall is available. It provides an ideal platform for guest lectures, seminar presentation for and by students, cultural and other functions of the University.

University Auditorium

University auditorium with seating capacity of 1500 is in the process of completion. The auditorium will be equipped with all the modern facilities.

Wi-Fi Facility

The campus is equipped with Wi-Fi facility. Each student has access to internet through his/her id and password.

Sports Facility

Sports activities make the body healthy and strong. University provides sports facilities of both the types, indoors and outdoors games on the campus. There is big playground of 5,000 m² area.

RAGGING IS STRICTLY PROHIBITED

Extension Programme

Agriculture

Extension education is a two way process. The School of Agriculture actively involved in extension programme and the farmers of the region are educated about the latest technologies in Agriculture. In order of achieve this, farmers training camps are held in the villages, farmers day depicting the latest technologies are organized at the campus through exhibitions, live exhibits, lectures from experts and entertaining the questions from participating farmers. In the reciprocal process, the experts visit farmer fields to study their problems first hand. The students, as a part of their course curriculum, visit farmers in the rural areas in the villages and acquaint themselves with their problems. In addition, the students go on educational tours to neighboring Agricultural Universities, Research centers and modern farms to acquaint themselves about the latest developments in the field of Agricultural Education.

Pharmacy

To facilitate the link between University and community various extension activities for the welfare of the society in large scale is regularly being conducted through its Pharmacy awareness programmes, providing knowledge on different medically important herbs and their uses and also provide platform in organizing regional and national level workshops, seminars, conferences, newsletters and symposia.

Abhilashi Ayurvedic College and Research Institute

Abhilashi Ayurvedic College and Research Institute is also carrying out the extension of Ayurvedic knowledge to public of the area by adopting village under "Swatch Bharat Mission". Further, the public is also made aware regarding hygiene, sanitation, preventive and precautionary treatment. Furthermore, monthly health camps, blood donation camps and ksharsutra camps for treating the piles patients are also being organized.

Entrepreneurship

Entrepreneurship is the activity of risk taking and deliberately allocating the resources to exploit opportunities in order to maximize the financial return. It is the process of risk taking and deal with uncertainty. In entrepreneurship we have to plan a good business model. The entrepreneurship leads to economic growth of the organization which is must for its sustainability. Abhilashi University is making efforts in the entrepreneurship as starting the agriculture farm for the supply of agricultural products, Pharmacy for medicinal products. An Ayurvedic Hospital at ChailChowk is already being run by the University.

Grievance Redressal Cells

To make into notice of any grievance of students and employees and its redressal in the University, cells have been constituted. These are: Women Grievances Redressal Cell, SC/ST Grievances Cell and Sikkim Students Grievances Cell.

Jurisdiction

In case of any dispute, decision of the Registrar of Abhilashi University will be final and the territorial jurisdiction for any legal action shall be limited to Chachyot, Distt. Mandi, (H.P.) only.
