### LECTURE ON SWACHTA ABHIYAN BY DR. AAKRITI GULERIA

Dr. Aakriti Guleria Associate professor, Abhilashi University delivered lecture on Swachta Abhiyan at Multipurpose hall of University campus on dated 08.02.2020. Hundred NSS Volunteers were present in this lecture. She discussed the importance of Swachta in our daily life. Swachh Bharat Abhiyan set a lot of objectives to achieve so that India could become clean and better.

### LECTURE ON INTERNATIONAL CHILDHOOD CANCER DAY (ICCD) BY DR. PANKAJ SAKLANI

Dr. Pankaj Saklani, (MD, Special Care) delivered lecture on the day of International Childhood cancer at Lecture hall of Pharmacy Block on 14.02.2020. He discussed that this is the time to reflect our vision that “no child should die of cancer – cure for more and care for all”. In humans, cancer may be caused by genetics and environmental exposures; however, in the majority of instances the identification of the critical time window of exposure is problematic. The evidence for exposures occurring during the preconceptional period that have an association with childhood or adulthood cancers is equivocal.

### SWACHTA ABHIYAN AT NAWGROWN (25.02.2020) VOLUNTEERS 90

During lockdown in country Dr. Abhishek Soni, NSS Program Officer of Abhilashi University, Chail Chowk,

Mandi Constructed one Vatika at Salah Sundernager. This is Himachal Pradesh's first Nav Garh Vatika. He started this construction of Vatika from 26 of July 2020 to 30 August 2020. Speakers, Dr. G.D Gupta, Director, ISF College of Pharmacy, Moga, Punjab and Dr. Rupesh Gautam, Professor, MM College of Pharmacy, MMU, Ambala spoke on coordinating efforts of students and teachers to find time-bound solutions to the process of continuous education in the post-COVID-19 phase and advocated the need for blended teaching methodology in the days to come.

### BOARD OF MANAGEMENT MEETING

The 24<sup>th</sup> meeting of the Board of Management was held on 14.12.2020. The Chairman of the meeting informed that certain measures were designed to improve the academic and research atmosphere in the university. For the session 2020-21, he requested the students and the faculty members to use their resources to contact new students for admission to various courses. Since the university is six years old and as per the guidelines of the University Grants Commission accreditation of the University with a National Assessment and Accreditation Council is mandatory. University is preparing/collecting the relevant data to be submitted to the NAAC for accreditation. It is also desired that short-term courses/training programs of three to six months may also be initiated by the University which may be beneficial to the farming community.

## B.Sc. MLT INDUCTION PROGRAMME

Abhilashi University has started a new course "Bachelor of Science Medical Laboratory Technology (B.Sc-MLT)", under the Faculty of Ayurveda & Health Sciences from the academic year 2020-21 and an online induction program for the first-year students was held on 01.12.2020. Hon'ble Vice-Chancellor, Prof. H.S. Banyal, enlightened the students with the importance of new emerging techniques and the scope of this course in the present scenario. Further Dean, Faculty of Ayurveda and Health Sciences, Prof. D.K. Mishra addressed the students and discussed the various aspects of Medical Laboratory Technology. The program was ended with the vote of thanks by Dr. Aakriti Guleria, Coordinator of this program.

## M. PHARM CANDIDATES DEFENDED THEIR THESIS

Nine M. Pharm candidates of School of Pharmacy, Abhilashi University defended their thesis through online mode during the Covid-19 pandemic situation to the satisfaction of external examiners. The viva voce examination was followed by declaration of their results.

## WORLD AIDS DAY OBSERVED

School of Pharmacy in collaboration with the NSS Unit of Abhilashi University celebrated the day (Dec. 01, 2020) by organizing a lecture-cum-workshop on the theme 'Ending the HIV/AIDS Epidemic: Resilience'. Sunny Dhiman, Asst. Prof, Dept. of Pharmacology was the key speaker. He said that HIV was first discovered in 1984 and since then, this virus has killed more than 35 million people, making it one of the deadliest pandemics in human history. He added that in absence of any cure for HIV/AIDS, prevention is the best way to safeguard oneself against this infectious disease that can threaten life if not treated.

## GOVERNING BODY MEETING

18<sup>th</sup> meeting of the Governing Body of Abhilashi University was held on 19<sup>th</sup> Dec., 2020. Hon'ble Chancellor informed that the Government has increased the seats of the two years Veterinary Pharmacist course from 65 to 100. He has also informed the members that as per the direction of the State Govt. Abhilashi University after getting clarifications from the Social Justice Department of H.P., the HPPERC, and approval in the Academic Council has adopted a 10% quota in admissions for students from the economically weaker section following the spirit of the 102<sup>nd</sup> constitution amendment.
