

SCIENCE DAY CELEBRATION IN THE CAMPUS (28/02/2024)

School of Basic Sciences celebrated Science Day with great enthusiasm and zeal, engaging students in various educational activities. Overall, the Science Day celebration was a resounding success, providing students with a platform to explore and appreciate the wonders of science. It was an enriching experience that not only educated but also entertained, leaving a lasting impact on everyone involved.

PRACTICAL EXPOSURE TO PARLIAMENTARY PROCEDURE (6/03/2024)

School of Humanities conducted a mock parliament to give students practical exposure to parliamentary procedures and help them to learn, know understand the roles and responsibilities of public representatives. Dr. Rakesh Sharma, Assistant Professor, at Sardar Patel University, and Dr. Jagdeep Verma, Assistant Professor, at Sardar Patel University, participated as a resource person in the event. Hon'ble Pro-Chancellor, Abhilashi University appreciated the efforts and enthusiasm of all participants.

WOMENS DAY CELEBRATION(8/03/2024)

The event was commenced by saluting all the respected women who have added feathers to the upliftment of society. Further, Dr. Bheesam Lata graced the program as a resource person. She delivered her valuable speech on women's menstrual hygiene. Menstruation and menstrual practices are still clouded by taboos and socio-cultural restrictions resulting in adolescent girls remaining ignorant of the scientific facts and hygienic health practices, which sometimes result in adverse health outcomes. Menstruation is a major part of life for millions of young girls and women worldwide. On average, a woman will menstruate for 3,000 days during her lifetime. However, the needs and challenges faced by many young women and girls as they struggle to manage their menstrual hygiene are largely ignored, especially in developing countries. This situation persists despite new developments in the hygiene and sanitation sector in recent years. School of Education participated in a skit on menstrual hygiene and increased awareness among the students and faculty members about menstrual hygiene. Ms. Bandana Kapoor, Coordinator of Red Ribbon Club delivered a vote of thanks to all the dignitaries and Management of the Abhilashi group for providing a platform.

WORLD SPARROW DAY (20/03/2024)

Department of Zoology, School of Basic Sciences, Abhilashi University, Himachal Pradesh celebrated World Sparrow Day. On the occasion of World Sparrow Day, students organized a street play to highlight the importance of conservation and the declining population of sparrows. During this, all the students of the department participated enthusiastically.

This event was to make the students aware of the rapid increase in the sparrow population and the protection efforts.

WORLD WATER DAY CELEBRATED (22/03/2024)

Water is one of the most critical resources that we have, after air. World Water Day was celebrated by the Faculty of Education, Basic Sciences and Humanities through the students' artistic drawings and coloring. 'The central idea was the conservation of water.' The students were allowed to let their imaginations run wild and at the same time to bring to the fore their artistic talent to express their views, opinions, suggestions, and solutions on the conservation of water. The teachers acted like guides by listing some points and ideas which helped the students to fire up their imaginations.

HOLI: LET THE COLOUR SHOWER JOY(24/03/2024)

Holi, the festival of colors, is one of the most vibrant and eagerly anticipated Hindu festivals in India, marking the arrival of spring and the victory of good over evil. So the spirit of Holi taught the students to follow good conduct in life and believe in the virtue of being truthful and honest. The students of Abhilashi University welcomed the spring season with songs, dance, and bright colors which were the major highlights of this vivid and lively festival.

LET THE NATURE BE YOUR TEACHER (5/6/2024)

Faculty of Education, Basic Sciences and Humanities celebrated World Environment Day. The program tried to remind everyone on the planet to get involved in environment-friendly activities. Dr. Promila Abhilashi, Vice Chairperson of Abhilashi Education Society graced the occasion as a chief guest and planted the tree on the university campus to make the day memorable along with Hon'ble Vice Chancellor, Abhilashi University. Chief Guest addressed in his speech to save Mother Earth what role the environment plays and why it is important for people to take the initiative to save the environment. The event was conducted successfully with wholehearted participation and awareness for a greener World.

TEACHER: A SEED OF KNOWLEDGE (5/09/2024)

Abhilashi University, Mandi celebrated Teacher's Day with grandeur, honoring the invaluable contribution of its teachers. The objective of the ceremony was to recognize the important role of teachers in shaping the future of the nation through education and inspiration. Chief guest Dr. L.K. Abhilashi expressed his heartfelt gratitude to the teacher fraternity for their tireless dedication and commitment to promoting academic excellence. He stressed the important role of teachers in building a strong and progressive society. On this occasion, the Hon'ble Vice Chancellor of the University, Prof. H.K. Chaudhary also highlighted the importance of teacher-student relationships. He said that the bond between teachers and students at Abhilashi University is the foundation of our success.

हिंदी हमारी शान है देश का अभिमान है (13/09/2024)

Faculty of Education, Basic Sciences and Humanities, Abhilashi University celebrated Hindi Diwas. Dr. Reena Coordinator of the Faculty welcomed all the students and raised awareness about Hindi as one of India's official languages and encouraged students to engage in various Hindi language-related activities, including poem recitations and speech. Dr. Ankita Chaudhary in her address note said, “हिंदी हमारी शान है देश का अभिमान है” and emphasized that we should be proud of our official language & should learn to speak in the public domain without any hesitation. Throughout the day, everyone made their sincere efforts to use Hindi as a medium of conversation. Dr. Promila Abhilashi, Dean, Faculty of Education, Basic Sciences and Humanities congratulated students and said that the Language and culture of any country play an important role in making people connect with the people & help in making a strong nation. The celebration concluded on a positive note. Management and Hon'ble Vice Chancellor, A.U. Prof. H.K. Chaudhary appreciated the efforts put forth by the Faculty of Education, Basic Sciences and Humanities.

EMBRACE A DISCIPLINED LIFESTYLE

The Brahma Kumari Transport and Travel Wing came forward to guide students on the importance of discipline and road safety. Sister Kavita shared profound insights on maintaining inner peace and understanding life's challenges. She encouraged everyone to embrace a disciplined lifestyle and practice meditation to stay focused on their goals.

Prof. H.K. Chaudhary, Vice Chancellor, warmly welcomed the Sisters and Brothers of the Brahma Kumari organization, expressing gratitude for their presence. He highlighted the values of hard work and discipline instilled by the organization, noting its unique administration led entirely by women. Prof. Chaudhary also commended the organization's contributions to raising awareness about societal issues. Students and staff of the Faculty of Education, Basic Sciences, and Humanities participated in the event.

HEARTWARMING VISIT TO THE OLD AGE HOME (19/10/2024)

Under the guidance of Dr. Ankita Chaudhary and Dr. Suman, School of Education made a meaningful visit to a local old age home. This initiative was a beautiful example of empathy and community engagement, aimed at providing students with valuable insights into geriatric care while fostering social responsibility. During their visit, the students uplifted the spirits of the elderly residents through heartfelt conversations, games, and musical performances. The warmth and joy they shared created an inviting atmosphere, bringing smiles to many faces. Reflecting on the experience, Chancellor Dr. R. K. Abhilashi expressed, "It was inspiring to see our students actively engaging with the elderly, listening to their stories, and offering companionship. These experiences will undoubtedly shape them into more empathetic healthcare professionals." Vice-Chancellor Prof. H.K. Chaudhary also conveyed his best wishes and congratulated the Faculty of Education for organizing this visit, which is a very good gesture to inculcate a sense of belongingness and values amongst the youth towards the elderly people of the society.

DIWALI: VICTORY OF LIGHT OVER DARKNESS (24/10/2025)

Diwali is a festival of lights & symbolizes the spiritual "Victory of light over darkness, good over evil, and knowledge over ignorance. To make the students understand the importance of Diwali, the Faculty of Education, Basic Sciences & Humanities organized a celebration on the campus with much vigor and enthusiasm. All were engaged in collaborative activities viz. Card making and Rangoli making provided them with opportunities to develop teamwork. The event was a great success with lots of Diwali vibes and festivities.
