COMMENCEMENT OF VISION 2030

Hon'ble Chancellor

The mission of Abhilashi University is to impart "Excellence in Education" which is to be achieved by providing quality education, having personal linkages with academic and corporate communities and by attracting quality resources and client-age. Therefore, this vision document "Abhilashi University @16" will be the first step towards achieving these goals of teaching, research, extension infrastructure and placement. Henceforth, I cordially invite all the students to join Abhilashi University and assure for their bright and secure career.

Dr. R.K. Abhilashi

Chancellor, Abhilashi University

Hon'ble Pro Chancellor

We have lit a candle in the form of Abhilashi University and hopeful that our University will light the millions of candles of quality education in the minds of our students and in turn make them sincere, dedicated and hardworking human resource for transforming India to a developed nation.

Er. L.K. Abhilashi

Pro Chancellor, Abhilashi University

Hon'ble Vice Chancellor

Abhilashi University is established with a vision to make quality higher education within reach to aspiring technocrats and to disseminate knowledge to them in their ability to be job providers instead of job seekers. The main focus in learning here is to explore the hidden ability of pupils. I assure the young minds joining Abhilashi University that you will certainly achieve satisfaction in your academic pursuits to attain future endeavours.

Prof. H.S. Banyal

Vice Chancellor, Abhilashi University

ABHILASHI UNIVERSITY: History and Establishment

Abhilashi University is established on 14th August, 2014 by the Government of Himachal Pradesh vide Act No. 8 of 2015. Abhilashi University is a Government recognized University with a right to confer degrees as per sections 2(f) and 22 of the University Grants Commission (UGC), New Delhi Act, 1956. The campus of the University is located at Chail Chowk, Tehsil Chachyot in District Mandi of Himachal Pradesh. It is surrounded by lush green fields and pine, deodar and oak forests. Due to the greenery, fresh and clean air and healthy environment, the campus becomes ideal place for study. There are a number of nearby places of interest such as Nachan Valley, Jeeuni Valley, Janjehly Valley, Balh Valley, and towns of Sundernagar and Mandi.

One can enjoy snow fall during the winter season. The fresh and pollution free environment of the University campus makes the minds of the students active and agile helping them to concentrate in their studies. The management of the University, Abhilashi Education Society, pioneers in managing private educational institutions in the state of Himachal Pradesh.

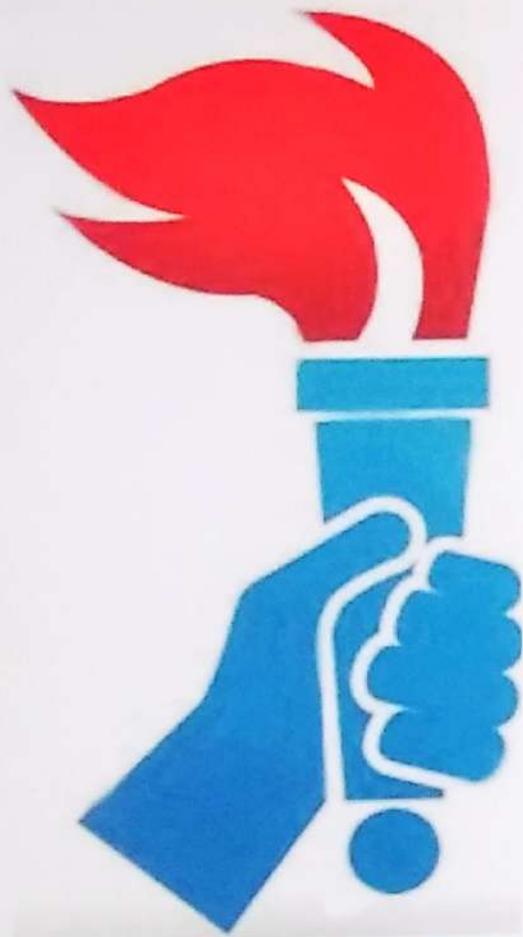

Our Vision

**Excellence in
professional and technical education
through dedication and innovative research.**

To provide environment for achieving excellence in education.

To create environment for quality education.

To impart quality education through value-based and industry based curriculum.

To provide dynamic academic leadership for strengthening faith in humanistic, social and moral values.

To plant education and quality of leadership in minds of students for future development of the nation.

Our Mission ..

Strategic Vision 2030

By 2030 Abhilashi University will be ...

- ❖ One of the leading universities in India,
- ❖ All students enjoy a rewarding educational and wider experience,
- ❖ Known worldwide as a place where the highest academic values and educational innovations are cherished,
- ❖ Where research prospers and makes a real difference, and where the fruits of scholarship resonate throughout society.

4

Infrastructure

5

1

Goal one

"Education is the key to success in life, and teachers make a lasting impact in the lives of their students."

Academics: Teaching

Promoting excellence in teaching with focused curriculum and development approach. In the global 'Knowledge economy', it is imperative to nurture the knowledge and skills of the learners for well being of the nation. In this context the universities have a significant role to play for imparting quality teaching in order to ensure the all-round development of students in terms of knowledge, skill and values.

- ❖ Strengthening of existing departments/ schools
- ❖ More emphasis on e-learning
- ❖ Qualified, dedicated and hard working faculty
- ❖ Partnership with national and global organizations for access to overall academic inputs/ informations like Infilibnet, Google, etc.
- ❖ Wi-Fi Campus so that the students can obtain the academic material wherever and whenever they require.
- ❖ Opening of new schools/ departments to run certificate/ diploma/graduate/ post graduate/ doctoral courses.

Academics: Teaching

We will include different world class schools and courses to ..

- ❖ provide a comprehensive and targeted package of career support for all researchers, from early career naives to potential and established research leaders;
- ❖ provide an integrated approach to career development, beginning at postgraduate level with outstanding research and training, and continuing with a programme of mentoring and support for early career entrepreneurs.
- ❖ we will identify potential technocrats where appropriate and provide an environment that attracts and retains those at the peak of their academic innovative skills.

2

Goal Two

Research

"Do research. Feed your talent. Research not only wins the war on cliché, it's the key to victory over fear and its cousin, depression."

– Robert McKee, Story: Style, Structure, Substance, and the Principles of Screenwriting

The three central objectives of the research strategy are to:

1. achieve research of the highest quality,
2. to support and develop innovative scientists and
3. to have an impact beyond academia which yields economic, social and cultural benefits.

These require:

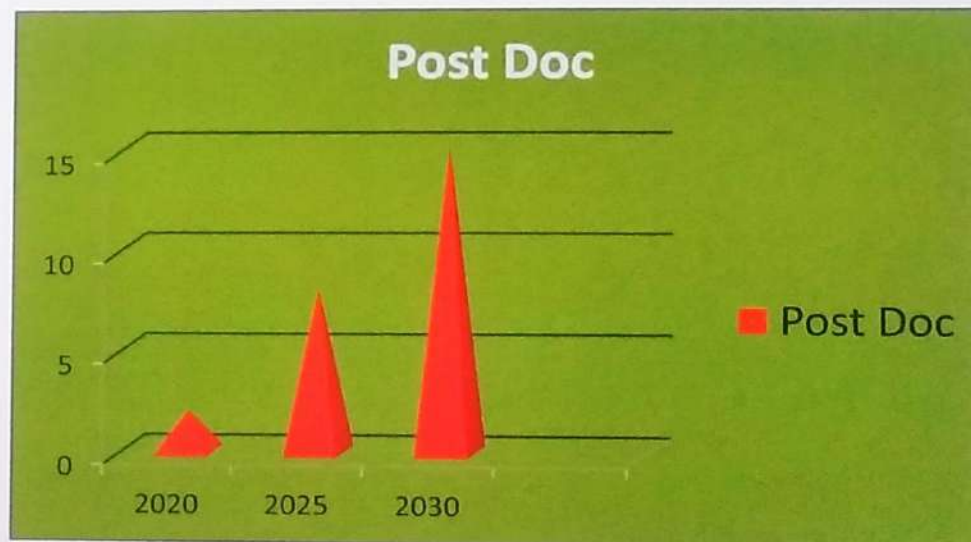

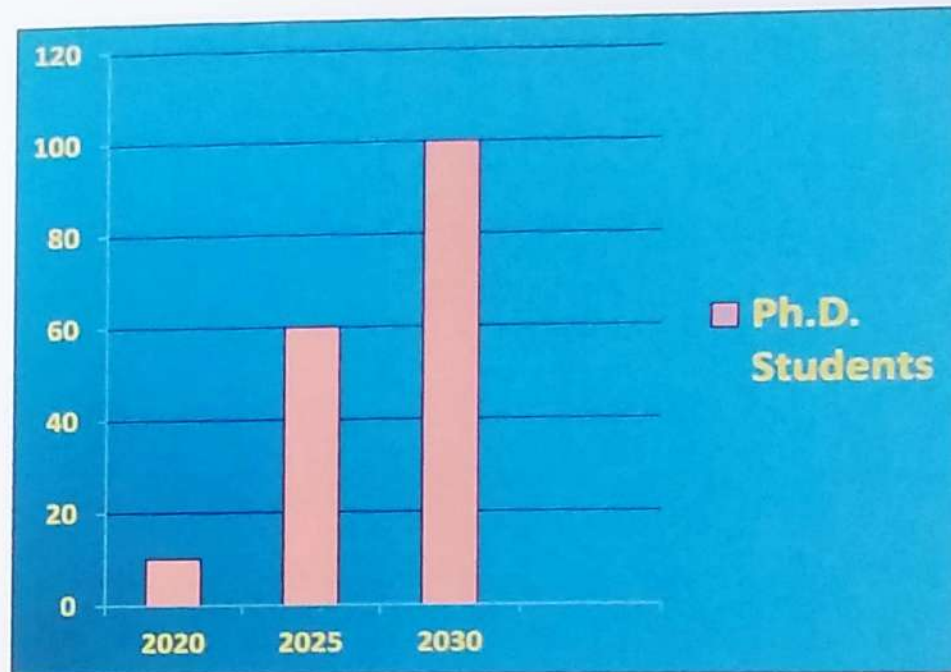

1. Strengthening of research capacity and infrastructure.
2. Recruitment of research students as per state/ national level **regulatory bodies directions.**
3. Quality measure for the assessment of thesis/ dissertations.
4. Research publications (books/ papers) of national and international level with good impact as in global research.
5. Research outcome in the form of patents.
6. Collaborations with national level research centers .
7. Research accelerating atmosphere.

Research

Key strategies

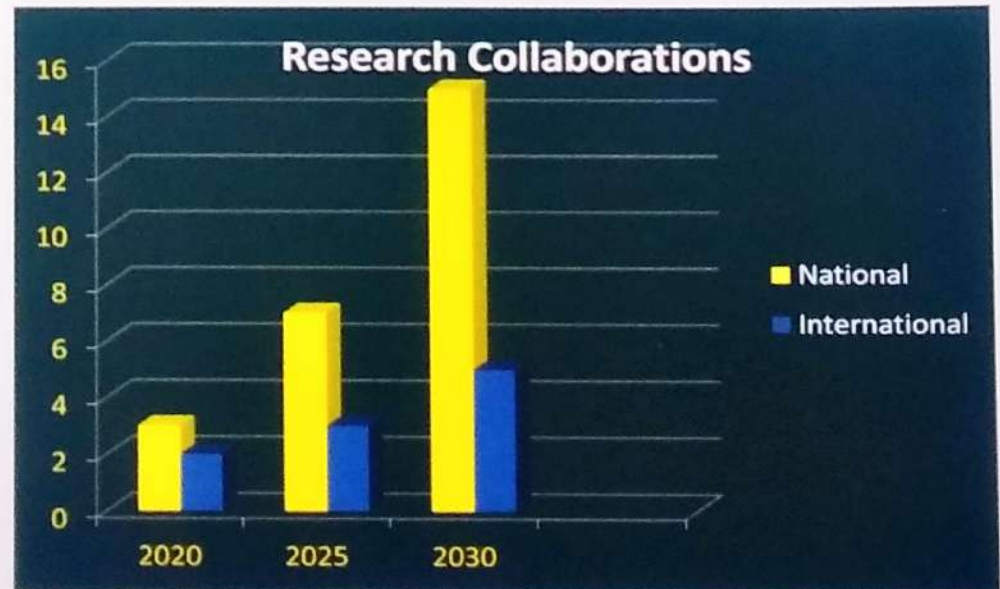

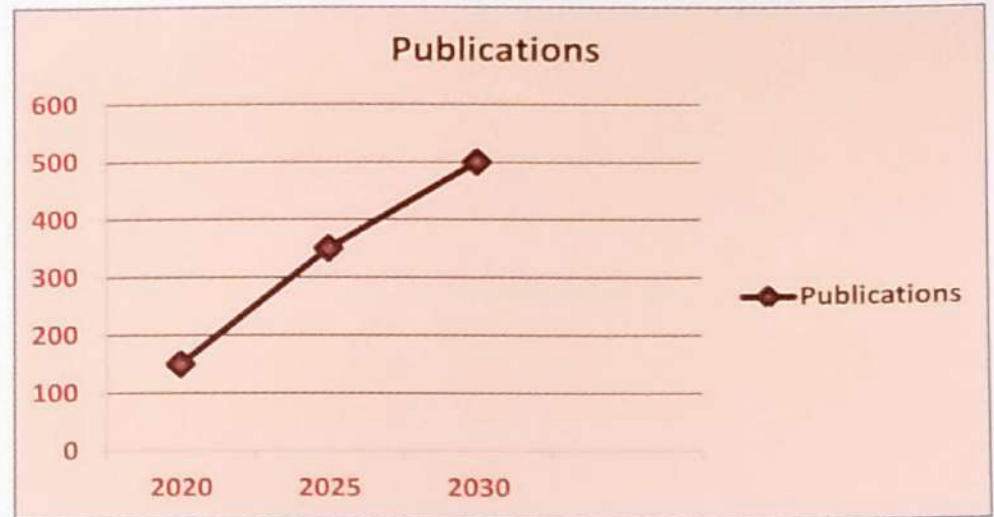

Perform research of the highest quality and continue to raise the level & ambition of our activities to world-class and world-leading standards of excellence. To meet this target we will take active steps to manage the quality of our research by publishing in leading outlets and attracting high levels of citations for the great majority of outputs.

Research

Goal Three

Extension

Village Adoption

Village adoption programme will be carried out with a view to sensitize and educate villagers, solve their problems and practices of the farmers at the grass root level.

Post Harvesting and Storage
Management

Post harvesting technology trained individuals, students and non-students will be benefited with the expertise of the departments.

Agri. clinics

To provide expert advice and services to farmers on various technologies including soil health, cropping practices, plant protection, crop insurance, post harvest technology, prices of various crops in the market etc. which would enhance productivity of crops and ensure increased income to farmers.

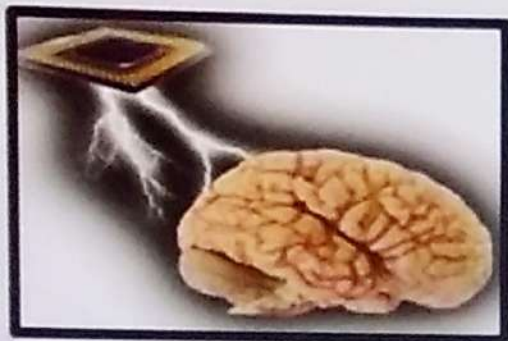

Yoga's

Health camps at different locations in the rural and urban areas , yoga related education to the community around
Abhilashi University

Will be established with an aim to provide expert advice and information on various Agro-Climatic aspects like meteorological information, rainfall, sunlight, temperature, relative humidity etc.

Establishment of Agro climatic
Station

Establishment of Research
Center

To focus on specific research on different areas like biology, medical, pharmacy and technology, some research centers will be established to carry out research, commonly with the focus on a specific area.

Training Programs

In order to improve the teaching learning process training programme on various aspects like teaching, research, extension will be organized.

Establishment of Legal
Counseling Center

To provide all types of legal advice to villagers and farmers.

NSS

A NSS Unit has been established in order to:

- Understand the community in which they work,
- Understand themselves in relation to their community,
- Identify the needs and problems of the community and involve them in problem-solving,
- Develop among themselves a sense of social and civic responsibility.

Research and Development
Wing

Will be established to watch the overall research, collaborations and its development.

Blood Donation Camps

Organization of blood donation camps.

F.No.1/49/2019-EQR/Edn

Dated: 24 October, 2019

To,

The Registrar,
The Abhilashi University,
Chail Chowk, Tehsil Chachyot,
District-Mandi-175028, H.P.

Subject: Submission of Self Study Report -reg.

Sir,

Kindly refer to your letter No.AU/Acad-85/2019-20/1237 dated 04.09.2019 on the subject mentioned above. In this regard, it is informed that as per guidelines for accreditation of Higher Agricultural Educational Institutions in India by ICAR and based on the information submitted by the University in the form of LoI, IEA and SoC, the University/college is requested to submit Self Study Report (SSR) for the programme following the criteria for accreditation (chapters 6.4), specially the student intake and faculty (Form-16 for last three years) in terms of minimum requirements prescribed by ICAR.

Accordingly, the college shall have to submit SSR of the programme as per LoI to Dr. K. M. Manjaiah, Regional Co-ordinator, NAEAB & Associate Dean, IARI, New Delhi. Further, one copy of SSR (draft) along with accreditation fee shall be sent to the undersigned. Accreditation fee for accreditation of its Agricultural programme, Rs 2.0 Lakh + GST (as applicable) has to be paid to the Council. Therefore, you are requested to pay accreditation fee in favour of **Secretary, ICAR** in the form of Demand Draft. The GST amount will be conveyed to the University/college later on. It is to further mention that the accreditation fee is mandatory to start the Peer Review Process.

After receiving the comments/observations on SSR from the Regional Co-ordinator, the college must incorporate observations and resubmit seven copies of the Self Study Reports to the Regional Coordinator with a request to forward it to the Board Secretariat office Room No. 332, KAB-II, ICAR Education Division, Pusa, New Delhi 110012. Soft copy of the final SSR in one single file of PDF format (by e-mail) be directly submitted to the Board.

All correspondences shall be made to: The Secretary, National Agricultural Education Accreditation Board, Room No.332, KAB-II, ICAR, Pusa, New Delhi-110012, Phone:011-25848045, 25843814, E-mail: adgeqricar@gmail.com, soeqricar@gmail.com.

Yours'faithfully,

(G.Venkateshwarlu)

Assistant Director General (EQR)
