**SATGURU BABA HARDEV SINGH JI MAHARAJ,
SATGURU MATA SAVINDER HARDEV JI AND
SATGURU MATA SUDI KSHA JI**

“ We should indulge in God
remembrance every moment. ”

We should always remember the formless God. We must never forget the presence of formless God. It is generally said that God remembrance is not mere recitation. Yes, that's true and we don't have to indulge in recitation. But we must feel his presence every moment. We are not bound by any particular time or place for God remembrance. But like when our mobile phones do not get any signals, we use land line phones to make a call, similarly, if one feels that he/she is lacking in '**Sumiran**' then one should sit with family members for '**Sumiran**'. Don't think that you were not told that earlier. In fact, it was not told but one should remain consciously aware about paying attention to '**Sumiran**' in any way so that our faith should remain firm and unwavering. God remembrance leads to large heartedness as well as broad-mindedness that saves us from unnecessary complications. '**Sumiran**' opens the door to progress.

*Satguru Baba Hardev Singh Ji Maharaj,
Satguru Mata Savinder Hardev Ji and

WITH A VISION OF
INSTITUTIONAL BUILDING
AND ACADEMIC
EXCELLENCE.**

ABHILASHI UNIVERSITY - AN INTRODUCTION

Abhilashi University at Chailchowk, Mandi is established by the Government of Himachal Pradesh vide Abhilashi University (Establishment & Regulation) Act, 2014'. Abhilashi University is a Government recognized University with a right to confer degrees as per Section 2(f) and 22(i) of the UGC Act, 1956. The University received **B+ Grade** from NAAC in its 1st Cycle. The campus of the University is located at Chailchowk near Mandi (H.P.) and surrounded by lush green fields, pine and oak forests thus becomes an ideal place for study in a clean health-oriented environment. The Abhilashi Educational Society, a pioneer in private education in Himachal Pradesh, envisioned this tranquil setting to promote a focused and health-oriented learning atmosphere. There are a number of places worth visiting nearby the University such as Nachan Valley, Jeeuni Valley, Janjehli Valley, Balh Valley, Sundernagar and Mandi towns. One can also enjoy snowfall once a while during the winter season. The fresh and pollution free air of this region keeps the minds of the students active and help them to concentrate on their studies.

The management of the University, Abhilashi Educational Society, is a pioneer in managing private educational institutions in the state of Himachal Pradesh. The foundation stone of the Society was laid by Late Sh. Tulsi Ram Abhilashi Ji on May 21, 2001.

The students and their parents have put faith in the quality education imparted by efficient and dedicated faculty of institutions managed by Abhilashi Educational Society for the last 25 years. The Society is presently running many educational institutions of basic and technical education in the region. It includes: Abhilashi College of Education at Nerchowk, Mandi established in 2003 and running D.El.Ed and B.Ed., Abhilashi College of Pharmacy, Nerchowk, Mandi from 2006 and onwards admitting students for B. Pharmacy Degree Programme; Abhilashi P.G. Institute of Sciences at Nerchowk, Mandi from offering M.Sc. Courses in Chemistry and Botany, T.R. Abhilashi Memorial Institute of Engineering and Technology (TRAMIET) established in 2009 imparting education in the B. Tech., Diploma & ITI programmes in different disciplines of engineering and technology. Abhilashi College of Nursing at Tanda, P.O. Balt, Distt Mandi is imparting education in B.Sc. Nursing, GNM and Post-Basic B.Sc., M.Sc. Nursing courses. Keeping in view the requirement of people of Chailchowk and surrounding areas, Abhilashi Hospital has been established and is operational at Chailchowk since October, 2020.

Vision

Excellence in professional and technical education through dedicated and innovative research.

Our Mission

- To provide environment for achieving excellence in education.
- To create and generate conditions for quality education.
- To impart quality education through value-based & industry-based curriculum.
- To strengthen in humanistic, social and moral values.
- To plant education and qualities of leadership in minds of students for future development of the nation.

CHANCELLOR'S MESSAGE

Education is a transformative force, driving progress in individuals, communities, societies, and nations. It breaks down barriers of caste, creed, ethnicity, and religion, fostering logical and innovative thinking. By equipping minds with skills, a positive outlook, knowledge, and strong values, education helps build a harmonious and sustainable society. Recognizing its critical role, Abhilashi University and the Abhilashi Group of Institutions are committed to the mission: *"To create an environment that fosters excellence in education through leadership-driven, value-based, and industry-aligned curriculum, nurturing students for the nation's future development."*

The foundation of excellence in any educational institution rests on the calibre of its faculty and the strength of its facilities. I am continually impressed by the dedication of our Academic Board in assembling a team of subject experts at Abhilashi University and the Abhilashi Group of Institutions. Our faculty members are deeply aligned with our core vision of shaping the next generation to be ethically, morally, and intellectually distinguished. They approach teaching with a student-centred and transformative mindset, ensuring the holistic development of every learner. The outstanding infrastructure across Abhilashi Group's various institutions and at Abhilashi University, both academic and extracurricular, reflects our belief in the importance of creating a conducive learning environment. Abhilashi University is one of the premier institutions in North India, having received approval from the University Grants Commission (UGC) within just two years of its establishment. Additionally, the university holds UGC approval under Section 2(f) and Section 22 of the UGC Act, 1956. It is recognized by several esteemed regulatory bodies, including the National Commission for Indian System of Medicine, the Pharmacy Council of India, the Bar Council of India, the Himachal Pradesh Para Veterinary Council, the Veterinary Council of India and the Indian Association of Physiotherapists. The university is also a proud member of the Association of Indian Universities (AIU). Meanwhile, the various institutions under the Abhilashi Group offer a wide range of technical and professional courses, including Engineering (Degree & Diploma), ITI, Pharmacy, B.Ed. & D.El.Ed., Nursing, and Masters in Basic Sciences. These programs are all duly approved by regulatory bodies such as AICTE, NCVT, PCI, VCI, NCTE, INC, HPNRC, AMRU and the Government of Himachal Pradesh.

It is with great pleasure that I extend a warm welcome to all prospective and aspiring students of Abhilashi University and the various institutions under the Abhilashi Group. I confidently assure you that through our programs, you will stand out in the competitive world, achieve your dreams, and thrive in your chosen careers.

Dr. R. K. Abhilashi

PRO-CHANCELLOR'S MESSAGE

The fast-evolving world of tomorrow will present both exciting opportunities and formidable challenges. In this dynamic environment, success will come to those who can adapt to changing circumstances, keep up with technological advancements, and adjust their ideas and approaches to align with new realities. At Abhilashi University and the Abhilashi Group of Institutions, we understand the importance of preparing students for the challenges of the 21st century. We are committed to fostering an atmosphere that encourages lifelong learning and equips students to thrive in a multicultural, ever-changing society.

Recognizing the vital role education and knowledge play in uplifting various sections of society, the Abhilashi Educational Society has created a hub of educational institutions in and around the towns of Nerchowk and Chailchowk in Mandi District, Himachal Pradesh. Most of these institutions are located in rural areas, providing students with a serene, pollution-free academic environment conducive to focused learning and innovation. By establishing these institutions in rural settings, the Abhilashi Educational Society also aims to enhance the quality of life for local communities through education, employment, and entrepreneurship opportunities. This includes opening hostels, paying guest accommodations, grocery shops, tea stalls, and other livelihood ventures within the community.

The vision of Abhilashi University and the Abhilashi Group of Institutions is clear: "To achieve excellence in professional and technical education through dedication and innovative research." To bring this vision to life, we have adopted rigorous educational standards, reflected in the recognition and approvals we have received from prestigious bodies such as the University Grants Commission (UGC) Inspection Committee and the AICTE Expert Committee. Our high standards have also been acknowledged by other regulatory bodies, including PCI, VCI, NCISM, the Himachal Pradesh State Para Veterinary Council, NCTE, HPNRC, AMRU, and the Government of Himachal Pradesh.

It is with great pleasure that I extend a warm welcome to all prospective and aspiring students of Abhilashi University and the various institutions of the Abhilashi Group. I assure you that with the education and guidance we provide, you will excel in your career and confidently stand out in today's competitive world.

Dr. L. K. Abhilashi

VICE-CHANCELLOR'S MESSAGE

Nestled in the serene and majestic mountains of Himachal Pradesh, Abhilashi University stands as a beacon of knowledge, innovation, and global academic excellence. More than just an institution, we are a vibrant community dedicated to fostering intellectual growth, personal development, and social impact. Here, education - not the mere acquisition of degrees- empowers individuals to drive meaningful change in their communities to the world.

At Abhilashi University, we offer a diverse range of programmes tailored to inspire intellectual curiosity and fuel professional growth. Whether your passion lies in Agriculture, Pharmacy, Ayurveda, Veterinary Science, Engineering, Management, Humanities, Basic Sciences, or Education, our curriculum is carefully designed to meet evolving industry needs and global standards. We don't just prepare you for careers—we equip you for leadership and lifelong success.

Our commitment to educational excellence is underscored by esteemed accreditations from bodies such as the UGC, NCTE, NAAC, PCI, VCI, NCISM, HP Para Veterinary Council, and HPPEREC. These affiliations ensure that the education you receive is globally recognized, opening doors to exciting opportunities worldwide.

At Abhilashi University, we believe that true learning extends beyond the classroom. Our focus on experiential learning integrates rigorous coursework with hands-on projects, pioneering research, and community-driven initiatives. Through these experiences, you will gain practical skills and invaluable insights, preparing you to navigate a dynamic and ever-changing professional landscape with confidence and competence.

Your aspirations are at the heart of our mission. Our robust placement programmes connect you with leading employers, industry experts, and global networks, ensuring a smooth and rewarding transition from student to professional.

As we continue to grow, we remain dedicated to creating a dynamic learning environment that nurtures talent, fosters innovation, and celebrates personal excellence. We invite you to join us in shaping a future filled with possibilities, discovery, and success.

Welcome to Abhilashi University—where dreams take flight, and leaders are made.

Prof. H.K. Chaudhary

REGISTRAR'S MESSAGE

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge, and knowledge makes you great."

Dr. A.P.J. Abdul Kalam

Browsing the internet, I came across these beautiful and inspiring words by Dr. Kalam, which are very relevant for all of us working in the field of education in any capacity be it as a teacher or the taught. This made me think that if everyone in the world follow the above lines in the life, we can help the next generation to fulfil their dreams and accomplish success in life."

All of us know that education is a process where we learn not just about the subjects in educational institutions to become educated and getting certified and feeling proud but it is a lifelong exercise that can be unbelievably exciting if only we wish to jump onto the train of experience, creativity and take a trip to every possible place on the earth which can be explored. That's why we first go to school then to college and so on throughout our life's journey.

I welcome you to Abhilashi University, a part of one of the oldest education provider group of the state of Himachal Pradesh, Abhilashi Group of Institutions, is having 6 faculties and 13 Schools offering 46 different courses in Ayurveda & Health-Sciences, Agriculture, Pharmacy, Education, Basic Sciences, Humanities, Management, Engineering and Veterinary Sciences streams. I assure you that at Abhilashi University we will not leave any stone unturned for shaping your carrier, future and help you in achieving the goals of life and sore the heights which you want to achieve.

At last I will like to add a few words of Albert Einstein "Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world, and all there ever will be to know and understand."

Admission for Session 2025-26

Abhilashi University aims to impart quality education to its students by applying modern scientific techniques. University follows CBCS and Semester System (Annual System for BAMS, B.V.Sc. & AH, BPT, Pharm D, Pharm D (PB) & Diploma in Pharmacy) for teaching and evaluation. Each semester of study has minimum requirement of attendance and pass percentages in theory and practical examinations. Each course is defined in terms of credit hours for lectures, tutorials and practical classes. A student is registered to each course in the beginning of the programme. The duration of the course is given under the respective faculty. Each semester will have mid-term and end-term semester examinations.

Admission to academic session 2025-26 will be based on National Level/State Level Entrance Tests, Combined Entrance Test (AUCET-2025) and on the basis of marks in qualifying examination.

Documents required at the time of Admission :

The following certificates/documents (self attested by the candidate) be submitted along with the admission form:

1. Three passport size photographs.
2. Matriculation certificate.
3. 10+2 Examination pass certificate.
4. Detailed marks sheets of all semester of graduation in case student is seeking admission in post graduation programme.
5. SC/ST/OBC/ EWS certificate, if applicable as per Govt. policy.
6. Original Character certificate from institution last attended. In case there is a gap in studies character certificate issued by Tehsildar/SDO (C) of the area.
7. Original Migration Certificate. In case it is not available at the time of admission then the student may submit it within one year failing which result of third semester will not be declared.
8. An affidavit in case there is a gap in studies.
9. Copy of Aadhar Card.
10. Low income group candidate may submit income certificate issued by Tehsildar/SDO (C) for scholarship.

Abhilashi University has the following Faculties, Schools & Departments

S.N	Faculty	Department	Courses
1.	Faculty of Ayurveda & Health Sciences	Abhilashi Ayurvedic College & Research Institute	BAMS, M.D. Kaumarbhritya - Bal Rog (Clinical) M.D. Kayachikitsa (Clinical)
		School of Ayurveda	D. Pharmacy (Ayurveda) Diploma in Yoga
		School of Physiotherapy	Bachelor of Physiotherapy (B.P.T.)
		School of Health Sciences	Diploma Multipurpose Health Worker B.Sc. Medical Laboratory Technology B.Sc. Operation Theatre Technology (B.Sc. OTT) B.Sc. Radiology & Imaging Technology (B.Sc. RIT)
2.	Faculty of Agriculture	School of Agriculture	Bachelor of Science (Hons.) Agriculture M.Sc. Agriculture (Agronomy), M.Sc. Agriculture Horticulture (Vegetable Sciences)
3.	Faculty of Veterinary Science	School of Veterinary Science	B.V.Sc. & A.H. Two Year Veterinary Pharmacist Training Course
4.	Faculty of Pharmacy	School of Pharmacy	Diploma in Pharmacy (Allopathy) Bachelor of Pharmacy (Allopathy) Pharm. D Pharm. D (PB) Master of Pharmacy (Pharmaceutical Chemistry, Pharmaceutics) Ph.D in Pharmaceutical Sciences
5.	Faculty of Engineering & Management	School of Engineering	Master of Technology (CE) Ph.D. in Engineering (CE)
		School of Management	BCA, BBA, MBA Ph.D. in Management
6.	Faculty of Education, Basic Science & Humanities	School of Education	4 Years Integrated B.A. B.Ed. / B.Sc. B.Ed. M.A. Education, Ph.D. Education
		School of Basic Science	B.Sc. (Medical/Non-Medical) M.Sc. (Zoology, Physics, Mathematics) Ph.D. (Zoology, Physics)
		School of Humanities	BA, Diploma in Art & Crafts

Important Dates for AUCET- 2025-26

Abhilashi University will admit students for the session 2025-26 in the disciplines of Ayurveda & Health Sciences, Veterinary, Pharmacy, Agriculture, Education, Humanities & Basic Sciences through Entrance Test AUCET-2025.

The Tentative schedule of examination is given below:

S. N.	Courses	Last Date of Application	Date of Entrance
1.	Bachelor of Ayurvedic Medicine and Surgery (BAMS)	As per NCSIM Notification	NEET
2.	Bachelor of Veterinary Science & Animal Husbandry 5½ Years Course (B.V.Sc & AH)	June 30, 2025	On the basis of merit in NEET /On the Basis of AUPVET
3. 4. 5. 6. 7. 8. 9. 10. 11. 12. 13. 14. 15. 16. 17. 18. 19.	Diploma in Pharmacy (Ayurveda) Diploma in Pharmacy (Allopathy) Diploma in Multi- Purpose Health Worker Diploma in Art & Crafts Diploma in Veterinary Pharmacist Training Diploma in Yoga Bachelor of Science (MLT) B.Sc. in Operation Theatre Technology (B.Sc. OTT) B.Sc. in Radiology & Imaging Technology (B.Sc. RIT) Bachelor of Arts (B.A.) Bachelor of Science (Med & Non-Med) Bachelor of Business Administration (BBA) Bachelor of Computer Applications (BCA) 4 Years Integrated B.A. B. Ed /B.Sc. B. Ed Bachelor of Physiotherapy (B.P.T.) Master of Arts (M. A. (Education) Pharm – D. (PB) 3 Years (Doctor in Pharmacy)	June 30,2025	On the Basis of Qualifying Examination
20. 21. 22.	Bachelor of Science (Hons.) Agriculture Bachelor of Pharmacy (Allopathy) Pharm - D. 6 Year (Doctor in Pharmacy)	June 25,2025	On the Basis of AUCET UG to be held in 1st week of July, 2025
23. 24.	M.D. Kumar Vritta Evun Baal Rog (Clinical) M.D. Kayachikitsa (Clinical)	As per NCSIM Notification	On the basis of merit in AIAPGET
25. 26. 27. 28. 29.	M.Sc. Agriculture [Agronomy, Horticulture (Vegetable Sciences)] M. Pharmacy (Pharmaceutics , Pharmaceutical Chemistry) Master of Technology in CE Master of Business Administration (MBA) M.Sc. (Zoology, Physics, Mathematics)	June 30, 2025	On the Basis of AUCET PG to be held in 1st week of July, 2025
30.	Ph.D. in Pharmaceutical Sciences, Management, Education, Zoology, Physics, Civil Engg.	Oct. 31, 2025	Date of Entrance test to be notified later

- Admission to other programmes will be made on the basis of merit/ marks obtained in National level/ State level/merit in qualifying exam.
- Lateral Entry candidates will be admitted directly to B. Pharmacy 2nd year.
- MCQ type test will be of two hours duration for each course.

Faculty of Ayurveda & Health Sciences

Prof. D. K. Mishra completed BAMS from Sampurnanand Sanskrit University, Varanasi and M.D. Kayachikitsa from Institute of Post Graduate Training & Research in Ayurveda, Shyamadas Vidyapeeth, Kolkata. Prof. Mishra has more than 26 years of Teaching and administrative experience. He served as Professor and Vice Principal SGM Ayurvedic College and Hospital, Nandganj, Sahari Ghazipur, U.P.; Principal SUDC Hoshiarpur; Principal JIAR Jammu; Professor and Vice-Principal at Guru Nanak Ayurvedic College, Gopalpur, Ludhiana, Punjab.

Prof. D. K. Mishra
Dean
Ayurveda & Health Sciences

Abhilashi Ayurvedic College and Research Institute

(A Department of Abhilashi University)

Prof. Divya Deepak

Principal

Prof. Divya Deepak completed BAMS from Goa University, and M.S. Shalya Tantra from Rajiv Gandhi University of Health Sciences Karnataka. Prof. Divya Deepak has more than 10 years of Teaching and administrative experience. He served as Professor and Vice Principal Abhilashi Ayurvedic College and Hospital.

Ayurveda is a system of medicine. When translated from Sanskrit, Ayurveda means 'the science of life'. It provides us the knowledge of how to prevent diseases and to eliminate the root cause if it does occur. Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is situated at such a place, the surrounding of which is so picturesque that makes it more suitable for teaching and training of Ayurvedic Education and Research. The surrounding flora is rich in important medicinal plants. Abhilashi Ayurvedic College and Research Institute is offering Post-Graduation and Graduation level programmes like Doctor of Medicine in Ayurveda (MD), Bachelor of Ayurvedic Medicine and Surgery (BAMS) which is recognized by the National Commission for Indian System of Medicine (NCISM), Government of India, New Delhi. The Faculty of Ayurveda and Health Sciences running BPT, MPT and various Diploma courses. Abhilashi Ayurvedic College and Research Institute has its own multi-specialty 100 bedded hospital, well-furnished pharmacy and herbal garden of 2700 m² area with more than two hundred species of medicinal plants. In addition to Central Library, College has its own working library with more than 11,000 books and 15 journals related to Ayurveda.

The Aims and Objectives:

1. To promote the growth and development of Ayurveda.
2. To produce graduates who can efficiently serve in Ayurvedic Health Services and also as Ayurvedic Practitioners.
3. To provide health care to patients by specialists of various fields of Ayurveda.
4. To co-ordinate with other State and National Health Services for providing complete health care.
5. To conduct “re-orientation” training programmers for Ayurvedic Physicians.
6. Programme and activities
 - i) Blood Donation Camps.
 - ii) Conferences, Seminars and workshops on various health related issues.
 - iii) Swachhata Abhiyan.
 - iv) Promote cultivation of medicinal plants

Bachelor of Ayurvedic Medicine and Surgery, B.A.M.S.

Abhilashi Ayurvedic College and Research Institute is running Bachelor of Ayurvedic Medicine and Surgery (BAMS) programme on the annual system of teaching and evaluation.

Duration: Five and half years including Compulsory Rotatory internship of one year.

Seats: 60

Eligibility & Admission Criteria:

Admission in BAMS Course will be done on the basis of merit in NEET and qualifying examination with minimum 50% in 10+2 (Medical) with valid NEET score through counseling by State Authority. The candidate will have to undergo Medical Examination on own expenses in the college after admission

M.D. Kaumarbhritya (Bal Rog) (Clinical)

Duration: Three Years **Seats:** 4

Eligibility & Admission Criteria: BAMS & Admission in MD Course will be done on the basis of merit in AIAPGET .

M.D. Kayachikitsa (Clinical)

Duration: Three Years **Seats:** 4

Eligibility & Admission Criteria: BAMS & Admission in MD Course will be done on the basis of merit in AIAPGET .

Hospital

Abhilashi University has its own 100 bedded multispecialty hospital. It provides the basic facilities for clinical training and research for BAMS & MD students. The hospital has well equipped Operation Theatre and a labour room. The Panchkarma and Ksharsutra facilities are well established. The hospital has laboratory investigation facilities of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound & ECG etc. Hospital has sufficient number of staff members i.e. Medical Specialists, Medical officers and other supporting staff as per NCISM norms.

School of Physiotherapy:

Abhilashi University has its own School of Physiotherapy which is recognised by Indian Association of Physiotherapists. It provides the basic facilities for clinical training for B.P.T. students. During the course of four years, the programme provides an educational experience of the essentials required for the health care in the country. The educational process involves problems based learning, which enables the students to identify, discuss and analyze various dysfunctions incorporating institutional management as well as community based rehabilitation. The learning process is further strengthened during 6 months of mandatory, rotator internship programme where students learn to treat the patients under the guidance and supervision of competent teachers. The college and physiotherapy O.P.D are very well equipped with modern and advanced Electrotherapeutic and Exercise therapeutic equipments. There is also an advanced laboratory for Electro Diagnosis and Fitness Programme respectively. Department boasts of State of the Art Electrotherapeutic & Electrodiagnostic Unit, Kinesiotherapy & Physical Diagnosis Unit, Musculoskeletal Physiotherapy Unit, Neuro Physiotherapy Unit.

Bachelor of Physiotherapy (B.P.T)

Duration: 4 Years teaching and 6 months internship.

Seats: 30

Eligibility: A candidate who has passed (10+2) examination (PCB) or equivalent from a recognized board of education with 50% marks (45% for reserved categories).

Admission: The eligible candidates have to appear in the Entrance Test conducted by Abhilashi University (AUCET-2025). The admission will be made on the merit basis of the Entrance Test.

Sr. No.	Name	Qualification	Designation

School of Health Science

Diploma in Multi Purpose Health Worker, B.Sc. Medical Laboratory Technology, B.Sc. in Operation Theatre Technology (B.Sc. OTT) and B.Sc. in Radiology & Imaging Technology (B.Sc. RIT) Courses are aimed at training students in different aspects of medical care with a good Scientific foundation. These students will be in a position to competently assist in Biochemistry, Pathology, Microbiology, Radiography Laboratories, Operation Theatre, Clinical Radiography, Anesthesia Techniques and Blood Bank in all types of health care delivery systems along with the basic knowledge and advanced training in latest technologies in laboratories and blood bank. These graduates will play an important role in determining the quality of health care provided. The diploma holders in MPHWP will provide basic health care at the grass root level.

School of Health Sciences has laboratories attached to various subject specialties to help the students to develop psychomotor skills which are very essential for the effective practice of Paramedical Sciences. The School has the best laboratories which provide excellent hands on training along with innovative modern clinical skills where students are trained on various physical skills related to various organ systems, preparing them for real patient encounters. Fully automated, advanced instruments and are monitored by strict quality control and quality assurance to conduct tests. The laboratory specialist can get excellent job opportunities in modern Multi Specialty Hospital in India and abroad in both Private and Government sectors.

Diploma Multipurpose Health Worker

Duration: 2 Years

Seats: 100

Eligibility: A candidate who has passed (10+2) examination from a recognized board of education with at least 45% marks (40% for reserved categories).

Admission: The admission will be made on the basis of marks in the qualifying examination.

Bachelor of Science in Medical Laboratory Technology (B.Sc. MLT)

Duration: 3 Years + 6 Months Training

Seats: 60

Eligibility: A candidate who has passed (10+2) examination (Science) or equivalent from a recognized board of education with 50% marks (45% for reserved categories).

Admission: The admission will be made on the basis of marks in the qualifying examination.

Bachelor of Science in Operation Theatre Technology (B.Sc. OTT)

Duration: 3 Years + 6 Months Training

Seats: 50

Eligibility: A candidate who has passed (10+2) examination (Medical) or equivalent from a recognized board of education with 50% marks (45% for reserved categories).

Admission: The admission will be made on the basis of marks in the qualifying examination.

Bachelor of Science in Radiology & Imaging Technology (B.Sc. RIT)

Duration: 3 Years + 6 Months Training

Seats: 50

Eligibility: A candidate who has passed (10+2) examination (Medical) or equivalent from a recognized board of education with 50% marks (45% for reserved categories).

Admission: The admission will be made on the basis of marks in the qualifying examination.

Faculty of Science

School of Agriculture

Prof. P.C. Sharma
Dean, Agriculture

Dr. P.C. Sharma has served at different Research Stations/Krishi Vigyan Kendras of CSK Himachal Pradesh Krishi Vishvavidyalaya, Palampur (HP) for more than 23 years. He superannuated from the post of Principal Scientist (Entomology) in 2024. During his tenure of service, he has gained wide experience in teaching, research, extension and administration in the field of agriculture. Dr. Sharma has published 64 research papers, one book, 10 book chapters, 3 manuals, 3 technical bulletins and 15 scientific folders. He has developed six farm technologies, was involved in release of 8 crop varieties, and also published 92 extension articles.

Dr. Sharma has successfully guided 12 M.Sc. students and one Ph.D. student as Major Advisor and has been in the advisory committee of more than 22 postgraduate students. He has handled 33 research projects in the field of Entomology funded by different agencies of Govt. of India, State government and Private Companies. He remained as Editor of the University Research Journal for more than 20 years.

Agriculture plays an important role in the life of mankind from early civilization. It gained modernization with the passage of time because the modern agricultural practices are increasingly turning out to be knowledge based. The School of Agriculture established in 2014 offers undergraduate and postgraduate programmes in Agriculture. The course curriculum provides an exposure of the students to the complete rural settings where the students go and live along with farm families in the villages and have the first hand experiences of their living, agricultural practices, difficulties and expectations. Students are also attached to agri-based industry so as to get acquainted with post-harvest processing of agricultural produce and link agriculture with the industry. Besides, the students are registered for opting two modules for skill development and entrepreneurship.

The School has highly qualified teachers, well equipped laboratories, smart classrooms and typical hilly terrain student's farm. Occasional snowfall during the winter months add to the beauty of the university campus and places it at a location that is marginal to temperate as well as sub-tropical agroclimatic conditions, thus enabling teaching and research under both the situations.

B.Sc. (Hons.) Agriculture

Duration: 4 years (8 semesters)

Seats: 60

Eligibility: Candidates having passed 10+2 with science and secured not less than 50% marks in aggregate for general category (45% for reserved categories) have qualified AUCET-2025.

Admission: The eligible candidates have to appear in the Entrance Test conducted by Abhilashi University (AUCET-2025). The admission will be made on the merit basis of the Entrance Test.

M.Sc. Agriculture (Agronomy):

Duration: 2 years (4 semesters)

Seats: 25

Eligibility: A candidate who has passed B.Sc. (Hons.) Agriculture/ Horticulture/Forestry from a recognized University with 55% marks (50% for reserved categories).

Admission: The eligible candidates have to appear in the Entrance Test conducted by Abhilashi University (AUCET-2025). The admission will be made on the merit basis of the Entrance Test.

M.Sc. Agriculture Horticulture (Vegetable Sciences)

Seats: 25

Eligibility: A candidate who has passed B.Sc. (Hons.) Agriculture/ Horticulture/Forestry from a recognized University with 55% marks (50% for reserved categories).

Admission: The eligible candidates have to appear in the Entrance Test conducted by Abhilashi University (AUCET-2025). The admission will be made on the merit basis of the Entrance Test.

School of Veterinary Sciences

Prof. Vipin K. Gupta
Dean, Veterinary

Dr Vipin K Gupta is a Certified Veterinary Pathologist and Dean of the School of Veterinary Sciences, Abhilashi University. His professional career as academician, diagnostic pathologist, researcher and as an administrator in different capacities spans over 35 years. He has headed the Department for over 15 years in CSK HP Agri University Palampur. He served as Director Students' Welfare for over 2 years. He is a Commonwealth Fellow and obtained Ph. D. from the University of Edinburgh (UK) in the year 1994. He did his B.V.Sc. & A.H. (Hons.) with Gold Medal in 1983 and MVSc in Veterinary Pathology in 1986, from HAU, Hisar. He has over 97 research/scientific publications in peer reviewed national & international journals to his credit, including book chapters, which have been well received by scientific community.

Bachelor of Veterinary Science & Animal Husbandry (B.V.Sc. & A.H.) degree program was started in the Abhilashi University for the first time in Private sector in H.P., where the 1st Batch was admitted in the academic session 2024-25 with an intake of 80 students. The students in the first batch came from ten states of India. The B.V.Sc. & A.H. degree program has the approval of Veterinary Council of India, Govt. of H.P. & HPPEREC. The Faculty of Veterinary Sciences in Abhilashi University was created in 2016, with the start of two years Veterinary Pharmacist training course leading to award of diploma and is being run as most sought-after program of the university. The college owns a well-established Livestock Farm Complex comprising of Dairy, Poultry farm, Sheep & Goat farm and a Piggery unit. Multi-Specialty Veterinary Hospital caters to the need of large and small animal healthcare. Successful completion of B.V.Sc. & A.H. programme entitles the graduates to seek mandatory registration with HP State Veterinary Council/Veterinary Council of India as a Registered Veterinary Practitioner, qualifying them for employment and practice all over India and abroad.

The School of Veterinary Sciences has well-furnished classrooms and tutorial rooms equipped with teaching tools for the effective delivery of the contents. The school has well equipped laboratories and provide diagnostic services as per the requirements of educational program and norms of statutory bodies.

University has well established auditorium, examination hall, Library & computing resources equipped with LAN and Wi-Fi connectivity on the campus including hostels and teacher's residences.

Objectives:

- To provide state of the art training and conducive environment for the students to become well trained veterinarians and veterinary pharmacists, entrepreneurs and responsible global citizens.
- To improve productivity of livestock and socio-economic status of livestock entrepreneurs besides serving the society as public health expert.
- To develop, update and standardize package of practices concerning feeding, management, reproduction and poultry production technology

Courses

Bachelor of Veterinary Science and Animal Husbandry (B.V.Sc. & AH)

Course Duration: 5^{1/2} years including 1-year Internship

Seats: 80

Eligibility: 50% marks in 10+2 (PCB) and NEET-2025 UG Exam/ Abhilashi University Common Entrance Test (AUCET 2025).

Veterinary Pharmacist Training Course

Duration: 2 Years

Seats: 40

Eligibility: Candidates having passed 10+2 (Medical) from recognized education board/university/ council with 55% marks (50% for reserved categories)

Infrastructure:

- ❖ **Departmental Labs:** All the departments of college are well equipped with the laboratories for undergraduate teaching as per Veterinary Council of India.
- ❖ **Library:** Well-equipped central library at the university level stocking the relevant reading materials to cater to the needs of the students, teachers and extension specialists of the university in the campus itself. The library also maintains internet services.
- ❖ **Veterinary Clinical Complex:** This serves the need of treatment of all animals, disease diagnosis, clinical teaching and various veterinary extension activities. Various services provided are available under this department viz. Out Patient Department (OPD), In Patient Department (IPD), Small animal ICU facility for Veterinary Medicine, Gynaecology & Surgery; Large & Small animal radiography; Small and Large animal abdominal and reproductive ultrasonography; Small animal Electrocardiography; Small animal & large animal Artificial Insemination (AI) and Veterinary Laboratory Diagnosis.
- ❖ **Livestock Farm Complex:** The Livestock Farm Complex (LFC) is having Adequate land for fodder cultivation and other activities for the course. The in house animals are as per the guideline of Veterinary Council of India.
- ❖ **Ambulatory Services:** The Ambulatory clinic serves animals within a 30-kilometer radius of Veterinary Clinical Complex. Our Animal Hospital clinicians offer a variety of on-the-farm services, for individual animal to herd health.

Prof.(Dr.) Promila, Dean of Faculty of Education, Basic Sciences and Humanities. She has extensive teaching experience dating back 15 years, and she has published and presented number of research papers in both national and international journals. Additionally, She has Supervised Ph.D. students and also published patents in the GOI IP Office Journal.

Prof. Promila
Dean

Education, Basic Sciences & Humanities

School of Education

The School of Education came into existence in year 2018 with the launch of Four-Year Integrated B.A.B.Ed. and B.Sc.B.Ed., B.A, B.Sc./Medical/Non-Medical, M.A. Education, Ph.D. (Education) Programmes. To provide world class learning experience to students, the School of Education has a pool of highly qualified faculties with diverse academic expertise and experience.

Along with its high standard infrastructural facilities, the school is having a well established ICT-cum-Language Lab, highly resourceful Science Lab, Social Science Lab, Curriculum Lab, Psychology Lab etc. In addition, the school also provides an Integrated Resource Centre with a variety of resources and materials. With all these, we are aiming to make the School of Education as a Centre of Excellence for pursuing academic and professional programmes as well as for doing quality researches.

Course: B.A B.Ed. (ITEP)
Duration: 4 Years (8 semesters)
Seats: 50
Eligibility: 10+2 any stream with 50% marks (45% for reserved categories).
Admission: Merit as per the marks in qualifying examinations.

Course: B.Sc B.Ed. (ITEP)
Duration: 4 Years (8 semesters)
Seats: 50
Eligibility: 10+2 (Science) with 50% marks (45% for reserved categories).
Admission: Merit as per the marks in qualifying examinations.

Course: M.A. Education
Duration: 2 Years
Seats: 20
Eligibility: Graduation or equivalent degree from recognized University.
Admission: Merit as per the marks in qualifying examinations.

Course: Ph.D. Education
Duration: 3 Years
Seats: 12
Eligibility: A candidate with minimum 55% marks (50% for reserved categories) at Master level in Education.
Admission: The admission shall be through AUCET-2025 except for those who have qualified UGC NET or central level fellowship.

School of Basic Sciences

The School of Basic Sciences comprises of three domains, namely Zoology, Physics, and Mathematics. Committed to providing a stimulating academic environment, the school offers a comprehensive range of undergraduate, postgraduate and doctoral programs in various fields of basic sciences. The alumni of the school are working as entrepreneurs, analysts, research associates, academicians in various reputed national and international govt./non-govt. organisations. The school is equipped with state-of-the-art laboratories and facilities which helps to deliver hands-on training and experimentation, experiential learning experience that prepares students for successful careers in academia, research, and industry. The school offers doctoral programs in Zoology and Physics. Faculty of the school have received prestigious research awards and recognition for their expertise.

Course: B.Sc (Medical)
Duration: 3 years (Six semesters)
Seats: 10
Eligibility: The candidate must have passed 10+2 in Science (PCB).

Course: B.Sc (Non-Medical)
Duration: 3 years (Six semesters)
Seats: 10
Eligibility: The candidate must have passed 10+2 in Science (PCM).

Course: M.Sc. Zoology
Duration: 2 years (Four semesters)
Seats: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Zoology as one of the subjects of study with 50% marks (45% for reserved categories)
Admission: Merit in the AUCET-2025.

Course: M.Sc. Physics
Duration: 2 years (Four semesters)
Seats: 20
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Physics as one of the subjects of study with 50% marks (45% for reserved categories)
Admission: Merit in the AUCET-2025.

Course: M.Sc. Mathematics
Duration: 2 years (Four semesters)
Seats: 20
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Mathematics as one of the subjects of study with 50% marks (45% for reserved categories)
Admission: Merit in the AUCET-2025.

Course: Ph.D. Physics & Zoology
Duration: 3 years **Seats:** 2/2
Eligibility: A candidate with minimum 55% marks (50% for reserved categories) at Master level in the subject concerned.
Admission: Merit in the AUCET-2025. The admission shall be through AUCET- 2025 except for those who have qualified UGC NET/CSIR JRF, NET)/GATE direct awardees of DST/ ICMR/ DRDO/ INSPIRE and other state or central level fellowship.

Faculty of Pharmacy

Prof. D.P. Dahiya
Dean, Pharmacy

Prof. Dev Prakash Dahiya, currently working as Professor & Dean in School of Pharmacy, Abhilashi University, Mandi (H.P.). He has done Diploma in Pharmacy, B. Pharmacy, M. Pharmacy, MBA (HR) and Ph. D. He is having vast experience of 24 years in Academics as Professor, Principal, Dean & Director in India and abroad. He has completed his education from College of Pharmaceutical Sciences, Manipal. He has completed his research degree and Doctorate under the guidance of Prof. K. K. Shrinivasan MAHE Manipal. He has published around 102 review and research papers in Peer reviewed National & International Journals and 25 abstracts. In his credit there are 2 International and 1 National Patent. He has published 2 books, guided 33 M. Pharma students and 3 Ph. D under his supervision. He has guided more than 150 projects of B. Pharm students during his Academic career.

He is honoured with Honorary Degree FAGE. He also served as Depot Manager in MSO Ministry of Health and Family Welfare, Government of India. He also served as a teaching faculty in Omar Mukhtar University, Albida Libya. He also served as Technical Campus Director in KIPM, Gorakhpur. He has received 5 Awards namely National Talent Award 2025, FABAP Fellow Award 2024, Mahatma Jyotiba Phule Excellence Award 2023, Chanakya Samaan 2023, Shikshak Shri Award 2021. He has attended many conferences and presented papers served as evaluator and also session chair. He was also honoured as Guest of Honour in few conferences. He is a CCSEA nominee by Ministry of Fisheries, Animal Husbandry and Dairying, Government of India. He is Life Member of Indian Society of Pharmacognosy and APTI and a Registered Pharmacist in DPC.

The School of Pharmacy started in 2014 with Bachelor of Pharmacy. Diploma in Pharmacy came in existence in year 2015. Subsequently year 2017 & 18 other branches of Pharmacy were added. The school is proud to start Pharma D & post bachelor programme in year 2023. We are the only university in Himachal Pradesh Pharm D & PB course. The school of Pharmacy Abhilashi University boost of running all the courses of Pharmacy exist in India approved by PCI, New Delhi. The School of Pharmacy has well qualified & experienced faculty dedicated for the research & teaching to students. The school has well-equipped laboratory for learning the practical. The campus is No-smoking & ragging free and provides a suitable environment for the overall development of students.

The infrastructure is outstanding, campus is fully wi-fi & rich library in open with a library facility accruable 24 by 7. The campus has separate hostel for boys & girls with a beautiful playground. We also have a well-managed Auditorium with sitting capacity of 800. The school of pharmacy is committed for the overall development of students by involving them in various extracurricular activities, Seminars, Conferences, Workshops & educational tours.

Our alumni are well placed in various pharmaceutical industry & a few are well established business men. Our students are also placed in Govt. sector.

Under-Graduate Programme:

Diploma in Pharmacy (Allopathy)

Duration: 2 years. **Seats:** 60

Eligibility: Candidates having passed (10+2) with science examination/equivalent examination conducted by the recognized education Board/University with 50% in aggregate (45% for reserved categories). The eligible candidate should fulfill the minimum entry level qualifications prescribed by PCI or any other qualification approved by the PCI.

Bachelor of Pharmacy, B.Pharm.

Duration: 4 Years **Seats:** 60

Eligibility: Admission will be made on the merit of AUCET-2025 or 45% in 10+2 (Science) for General and 40% in 10+2 (Science) for reserved categories

Lateral Entry: Passed Diploma in Pharmacy (Allopathy) examination from PCI approved institution with 45% marks for General and 40% for reserved categories candidates.

Post- Graduate Programme:

Master in Pharmacy (Pharmaceutics, Pharmaceutical Chemistry)

Duration: 2 years (4 semesters).

Seats: Pharmaceutics 15, Pharmaceutical Chemistry 15

Eligibility: The admission to M Pharmacy degree course shall be made on the basis of merit of valid GPAT score. In case the seats remain vacant after exhausting the merit of GPAT, the vacant seats will be filled up on the basis of merit of AUCET-2025 of corresponding year. In case the seats still remain vacant after exhausting the merit of National level test and AUCET-2025, the seats will be filled up on the basis of merit of B. Pharmacy degree awarded by the recognized University having minimum 55% for General and 50% for (reserved categories).

Research Degree Programme:

Ph.D. Pharmaceutical Sciences

Seats: 06

Eligibility: A candidate with 55% marks (50% for reserved categories) at Master level in concerned specialization. The admission shall be through AUCET-2025 except those who have qualified CSIR JRF, NET/SLET/GPAT/direct awardees of DST/ICMR/DRDO/INSPIRE and other state or central level fellowship.

Pharm.D Programme

Duration: 6 Years **Seats:** 30

Eligibility: Admission will be made on the merit of AUCET-2025 or 50% in 10+2 (Science) for General and 45% in 10+2 (Science) for reserved categories.

Pharm.D (PB) Programme

Duration: 3 Years **Seats:** 10

Eligibility: Admission will be made on the merit of AUCET -2025 or 50% in B. Pharmacy for General and 45% for reserved categories.

Faculty of Engineering and Management

Dr. Devender Sharma
Dean, Engineering and Management

The Faculty of Engineering and Management provides proper guidance to the students to enable them to be future engineers and capable of meeting any challenge in life and also uncover their undiscovered skills. The university provides unrelenting support and resources to all its students to improve their communication skills, critical thinking abilities, moral values and sense of responsibility.

School of Engineering

School of Engineering was established in 2014 with aims to provide high quality education in major engineering disciplines from undergraduate to post-graduate levels through a creative balance of academic, professional, and extracurricular programmes. The mission of the School of Engineering is to make the graduates morally conscious and highly competent engineers, conduct internationally recognized research and provide quality professional and community services. The School of Engineering has well-qualified and committed faculty members and supporting staff. The School has modern infrastructure in the form of elegant and smart classrooms, spacious laboratories, latest machinery and equipment. It is well equipped with computational facilities and resources both in terms of hardware and software. Students are encouraged to participate in co-curricular and extracurricular activities to acquire leadership qualities. This school offers the following programmes:

M. Tech (CE)

Duration: 2 Years (4 Semesters)

Seats: 15

Eligibility: Bachelor degree in civil engineering/technology or equivalent with 50% marks /(45% marks for reserved category) in examination conducted by the recognized University in respective branch. The eligible candidates have to appear in the Entrance Test conducted by Abhilashi University (AUCET-2025). The admission will be made on the merit basis of the Entrance Test.

Ph. D (Civil Engg.)

Duration: 3 Years

Seats: 2

Eligibility: Candidate with minimum 55%marks (50% for reserved categories) at Master level in concerned specialization. The admission shall be through AUCET-2025 except those who have qualified UGC-NET/CSIR. JRF NET)/GATE direct awardees of DST/ICMR/DRDO/INSPIRE and other state or central level fellowship. ET)/GATE direct awardees of DST/ICMR/DRDO/INSPIRE and other state or central level fellowship.

Faculty of School of Engineering :-

Sr.No	Name of Faculty	Qualification	Designation
1	Dr. Devinder Sharma	Ph.D (Civil)	Professor & Dean

5	Er. Raj Kumar	M.Tech (Mechanical)	Assistant Professor
6	Mr. Narender Singh	MCA	Assistant Professor
7	Mrs.Yamini Sharma	B.Tech (CSE)	Assistant Professor

School of Management

The aim of School of Management is to produce the graduates & Post graduates morally conscious and competent entrepreneurs to conduct internationally recognized research provide quality professionals and community services. School of Management is imparting education to the students to meet the standards of corporate world. The well qualified and dedicated faculty of the School is endeavoring towards this goal. The School is equipped with modern infrastructure in the form of smart class rooms and spacious laboratories with computational facilities. The students are guided by the faculty members to participate in co-curricular and extra-curricular activities to develop the leadership qualities. The School offers bachelor, postgraduate and doctorate programmes as follows:

Bachelor of Computer Application (BCA)

Duration: 3 years (6 Semesters)

Seats: 30

Eligibility: The candidate must have passed 10+2 (any stream) examination from recognized board. The candidate should have obtained at least 50% marks (45% in case of reserved categories) in the qualifying examination.

Bachelor of Business Administration (BBA)

Duration: 3 years (6 Semesters)

Seats: 30

Eligibility: The candidate must have passed 10+2 (any stream) examination from recognized board. The candidate should have obtained at least 50% marks (45% reserved categories) in the qualifying examination.

Master of Business Administration (MBA)

Duration: 2 Years (4 semesters)

Seats: 40

Specialization: Finance, Marketing, Human Resource Management, Agribusiness, Pharmaceutical Management, Hospital Management.

Eligibility: The candidate must have passed graduation level examination from any recognized University. The admission to the course shall be made on the basis of merit of National entrance examination CAT, CMAT, MAT HPCET and AUCET-2025 or 50% marks for general category (45% for reserved categories) in the Bachelor Degree examination conducted by the recognized University.

Ph. D. (Management)

Duration: 3 Years

Seats: 04

Eligibility: Candidate with minimum 55%marks (50% for reserved categories) at Master level in concerned specialization. The admission shall be through AUCET- 2025 except those who have qualified UGC-NET/GATE direct awardees of DST/ICMR/DRDO/INSPIRE and other state or central level fellowship.

ACADEMIC CALENDAR FOR THE ACADEMIC SESSION 2025-26
(For Semester System)

S.No.	EVENT	DATE	Remarks
Courses under Semester System			
Odd Semester July- Dec. 2025			
1	Registration for UG & PG Classes	15-17 July, 2025	For all UG & PG Courses
2	Commencement of Classes	17 July, 2025	
3	1 st Mid Term Examination	19-24Sept.,2025	
4	2 nd Mid Term Examination	28-30 Oct., 2025	
5	End of Classes	13 th Nov., 2025	
6	End Term Practical Examinations	14-16 Nov., 2025	
7	End Term Theory Examinations	18 Nov., 2025	
Even Semester Feb. - July. 2026			
8	Registration for UG & PG Classes	1-3 Feb., 2026	For all UG & PG Courses
9	Commencement of Classes	3 Feb., 2026	
10	1 st Mid Term Examination	20-22 March,2026	
11	2 nd Mid Term Examination	17-19April, 2026	
12	End of Classes	20May, 2026	
13	End Term Practical Examinations	22 May, 2026	
14	End Term Theory Examinations	27 May, 2026	
Courses under Annual System			
1	Registration for UG & PG Classes	15-17 July, 2025	For Veterinary Pharmacist Course, Diploma Pharmacy (Allopathy & Ayurveda), Bachelor in Physiotherapy, Pharm. D, Pharm D(PB)
2	Commencement of Classes	17 July, 2025	
3	1 st Mid Term Examination	28-30 Oct., 2025	
4	2 nd Mid Term Examination	2-5 March, 2026	
5	3 rd Mid Term Examination	17-19 April, 2026	
6	End of Classes	20 May, 2026	
7	End Term Practical Examinations	22 May, 2026	
8	End Term Theory Examinations	27 May, 2026	

Academic Calendar for B.V.Sc. & A.H.(TENTATIVE)

S. No.	EVENT	DATE	Remarks
1.	Registration for UG & PG Classes	15-17 July, 2025	Subject to change depending upon VCI Counselling Schedule
2.	Commencement of Classes	17 July, 2025	
3.	1 st Mid Term Examination	28-30 Oct., 2025	
4.	2 nd Mid Term Examination	2-5 March, 2026	
5.	3 rd Mid Term Examination	17-19 April, 2026	
6.	End of Classes	20 May, 2026	
7.	End Term Practical Examinations	22 May, 2026	
8.	End Term Theory Examinations	27 May, 2026	

Tantative Academic Calendar for the Session 2025-26
M.D /B.A.M.S. Programme

Sr.No.	Activity	BAMS
1.	Admission & Registration	Aug-Oct 2025
2.	Regular Classes	Oct 2025
3.	Session	18 Months
4.	1 st House Test	March 2026
5.	2 nd House Test	Sep 2026
6.	3 rd House Test	-----
7.	University Examination	March 2027
8.	Declaration of the Result	April 2027
9.	Winter Vacation	Jan 2026
10.	Summer Vacation	July 2026

Academic Calendar for the Session 2025-26
PG Programme Ayurveda

Sr.No	Activity	M.D Ayurveda (Kayachikits & Balroga)
1.	Admission & Registration	Oct-Nov 2025
2.	Regular Classes	Nov 2025
3.	Session	12 Months
4.	Final Examination Research & Stat.	May 2026
5.	Submission of Synopsis	June-July 2026
6.	Final Examination (Subject)	Nov 2026
7.	Declaration of the Result	Dec 2026

Note: The Academic Calendar is subject to change as per notification of different regulatory bodies

Mentoring

The University has adopted Mentoring System. Faculty members act as mentors of the students. 20 students of each course are placed under each mentor.

The mentor will monitor:

- The academic progress and attendance record of the students.
- Contact parents/ guardians of mentees and inform them about the academic progress, attendance, good qualities and drawbacks of the students, if any regularly.
- Observe behaviour of students in the classroom, hostel as well as in the University or any other noticeable activity of the student to be conveyed to the parents.

Internal Quality Assurance Committee (IQAC)

In pursuance to the Section 25 of the Abhilashi University (Establishment and Regulation) Act the university has constituted Internal Quality Assurance Committee (IQAC).

Cells in Abhilashi University:

Different cells for the welfare of students and employees are:

SC/ST Cell, Sexual Harassment Cell, Women Grievances Cell, Anti- Ragging Cell. The University has constituted cell for the redressal of student's grievances.

The University has appointed an Ombudsman for the grievance redressal of the students as per the guidelines of UGC.

Fee

Fee for different courses will be as approved by the Government of Himachal Pradesh for the session 2025-26 and the details be provided to the students at the time of admission.

Refund of Fee

Fee once paid is not refundable. If a student withdraws before the last date of admission and the seat gets filled with wait listed candidate then the entire fee collected from the student, after a deduction of **(Cost of Prospectus- Rs 1000.00 and Registration Fee - Rs. 3000.00)** shall be refunded after the last date of admission, provided the students apply for cancellation of his/her admission before the last date of admission on prescribed format to the Registrar of the University in written or through email to: admissioncell@abhilashiuniversity.ac.in.

Cancellation of Admission

The students are informed that if at any stage it is found that **any fact/ information** provided by the students at the time of admission **is found to be false**, the admission of the candidate will be cancelled by the University without any notice and no refund of fee is admissible in this case.

Scholarship Schemes

Tuition fee waiver for H.P School Education Board topper in the class admitted in our University. All scholarship schemes of H.P. Govt. for higher education are made available to the students. Under the Mukhyamantri Sukh Ashary Yojana, Himachal Pradesh, five students per year will be provided with free academic tuition, as well as complimentary boarding and lodging facilities, which will be nominated by HP Govt.

Reservation in Admissions

At least 25 % seats for admission to each course are reserved for Bonafide Himachali students and the 75% seats open to all over India and abroad (except BAMS where it is 50% for each). Seats for admission in the University, for the Scheduled Castes, Scheduled Tribes and Other Backward Classes, Handicapped students and BPL/IRDP shall be reserved as per policy of the State Government. The 10% seats shall be reserved for the Himachali Bonafide BPL/IRDP candidates as per the provisions made by various Regulatory Bodies.

Eco-Clubs

These clubs play very important role in creating environmental awareness among the students. They undertake various eco-friendly activities motivate students to keep the environment neat and clean by minimization of waste production, proper disposal of waste, effective use of water and undertaking plantation of trees. They also organize Quiz, Essay and Painting competitions regarding various environmental issues and educate the students about the reuse of waste material and preparation of useful products out of the waste.

National Service Scheme (NSS)

The National Service Scheme is an Indian government sector public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Abhilashi University Chail Chowk, Mandi got approval for one NSS Unit with 100 volunteer's sheets in 2016. Mr. Hemant Kapoor working as NSS Programme Coordinators and Dr. Reena as PO. This unit adopted two villages every year for awareness on social and welfare issues and cleanliness. Every year volunteers get selected for National Camp, NIC Camp, Sports Camp and State level Camps. Students get NSS certificate which is helpful for higher education admission and Govt. jobs too. This unit works on "Not Me But You" only.

Red Ribbon Club

Red Ribbon Club is a movement started by the Government of India in Educational Institutions through which, students will spread awareness about HIV and AIDS. Dr. Bandana Kapoor working as the Red Ribbon Club Co-ordinator and Dr. Ankita Chaudhary is Co-coordinator. Since its inception, it has been conducting various programs such as PowerPoint presentations, poster making and slogan writing competitions to make students aware of HIV and AIDS. Every year University observes World AIDS Day on 1st December, to enlighten the students about the preventive measures and protection against the spread of HIV and AIDS.

Dean Students Welfare

The office of Dean Students Welfare co-ordinates various activities for the welfare of the students. It aims at social harmony and peace in the campus and makes good citizens of India in addition to good academicians. DSW allots hostel accommodation to students, supervises sports and cultural activities of the students and also organizes debates, declamation contests and quiz competition programs. The office also organizes different cultural and academic tours for students during holidays.

Hostel

'Hostel is home away from home'. At the end of each academic day a student feels completely exhausted and requires recharge of physical and mental energy. All these call for a comfortable residential accommodation which provides the necessary ambience for group interaction and learning situations, for achieving academic excellence.

University has constructed well-furnished separate hostels for boys and girls. It is accepted that the quality and availability of lodging is a major concern to all the students, and due to this our University has given them first class facilities which include the following:

1. Separate hostels for boys and girls.
2. Well furnished, spacious, clean with excellent hygienic, modern style rooms.
3. Lodging is divided into single or double or triple sharing rooms.
4. Rooms are properly ventilated, spacious and equipped with separate beds, study tables and cupboards.
5. Each floor has facility for clean bathrooms and toilets.
6. Hot water is provided through solar heating system.
7. 24-hour water and power facility.
8. Common room with all amenities like television, newspapers and magazines.
9. Wi-Fi facility.
10. Mess facility managed by dedicated teams of employees for cooking and sanitation.
11. Highly dedicated security personnel who ensure proper security to students.
12. Round the clock security of the campus and the hostel managed by a private agency.

Admission

1. Students seeking admission to the hostel will have to apply to the Warden of the hostel (Boys/Girls) at the time of admission in the University.
2. The names of the candidates approved by Dean Students Welfare will be conveyed to the Warden.
3. The selected students will have to take admission in the hostel allotted to them within the stipulated time by paying the requisite fee in the accounts branch of the University.
4. After depositing the fee by the student, Warden will allot room to the student in the hostel. Once the hostel admission is over, Warden will submit the list of hostel boarders to Dean Students Welfare.
5. Allotment of hostel seats will be for the full academic year/semester. In case the resident wants to leave the hostel in the middle of the academic year, he/ she shall pay the hostel charges for the full academic year.
6. The students must sign the undertaking and properly take charge of the material allocated to them in the room on prescribed form available with the Hostel Warden.
7. Admission shall be sought afresh in every academic session. A student may be refused admission without conveying any reason.

Hostel Charges

1. Hostel fee (lodging charges) are approved by the State Govt.
2. Hostel fee including mess charges are to be paid for the full academic year at the time of admission.
3. Residents getting admission to hostel at any time during the session will be charged full fee for the year. The security will stand lapsed after one year of leaving the hostel.
4. In case of non-payment of dues in time or violation of any hostel rule by a resident, the Warden may get his / her room locked or opened for possession without any liability whatsoever. The belongings shall be transferred to the store and will only released after clearance of all dues within one month.

Hostel Rules and Regulations

General Rules:

1. The hostel authorities will not be responsible for any loss/damage of private property such as cash/mobile phone/ scooter/motorcycle and other valuables. The residents are advised to get their vehicles insured against loss, theft and fire.
2. When the student vacates his/her room, he/ she will hand over to the Warden all hostel furniture and other property issued to him/her failing which he/ she will be liable to pay the entire cost of materials issued.
3. Any violation of rules and regulations will be subject to strict disciplinary action and parents of the ward will be informed accordingly. Disciplinary action includes any or all of the following penalties in accordance with the nature and seriousness of the offence: -
 - a. Payment for the repair or replacement of the article(s) damaged.
 - b. Suspension from the hostel for a specified period of time or expulsion from the Hostel/University.
4. A student admitted to hostel cannot withdraw from the hostel during the whole session, if any bodies will do no refund of fee will be made.
5. **Laundry is compulsory** for all staying in the hostel, as washing of clothes is not permitted in the hostel.
6. Hostel is **compulsory** for **BAMS** and **B.V.Sc. & A.H.** students for total duration of course.

Note: Orders/ decisions notified from time to time by the Hon'ble Vice-Chancellor/Dean Students Welfare/ Warden will be binding on the hostel residents.

Attendance and Leave Rules

1. The gates of the hostels will close and open at fixed time. Schedule will be put up on the notice board and the students will strictly adhere to it.
2. It is obligatory on the part of the resident to be present in the hostel on all days except when they go home with the permission of the Warden.
3. Attendance of residents in their respective hostels shall be taken twice every day at the time fixed by the respective wardens. Any resident not present at the time of attendance shall be liable to be marked absent for that day for which he / she should have prior permission or sufficient explanation and the same will be informed to their parents /guardians.
4. If any resident of the hostel wants to take leave from hostel, they will have to provide consent/ permission from their parents /guardians as well as from the Head of the Institute they are studying.
5. Day outing is allowed only for second Saturdays and 4th Sunday from 10: 00 am to 04:00 pm.
6. In the event, the University decides to increase the timings of library and other facilities, the University will make adequate arrangements for girl students.
7. The names of the residents absenting themselves without permission for three days or more may be struck off from the rolls of the hostel and possession of their rooms will be taken by the Warden.

Behaviour & Discipline

All residents shall have their meals in dining hall in the hostel. No resident will take his/her food to his/her room except in case of ill health and with the permission of the Warden. Students will maintain perfect discipline, harmony and peaceful atmosphere in the hostel.

1. Teasing, maltreating or indulging in any sort of ragging is prohibited.
2. Stealing or pilfering Hostel/University or the property of other students is prohibited.
3. Unruly conduct or rowdiness will not be tolerated.
4. Hostel residents are prohibited from climbing over the fencing and boundary walls to get in or out of the Hostel campus.
5. Hostel residents are not allowed to change rooms and transfer any furniture from one room to another room without the prior permission of the hostel warden.
6. Any damage to hostel property must be reported immediately to the hostel warden.
7. Residents will be charged for all damages due to negligence on their part.
8. The residents are expected to be decently, dressed up in hostel premises.
9. The residents are advised not to keep excessive cash, jewelry or other valuables with them.
10. Any form of ragging is strictly prohibited. Any violation may lead to expulsion or any other punishment deemed fit by the Institute.
11. Smoking, consumption of alcoholic drinks, drugs and any other intoxicating substances is strictly prohibited. Any resident found indulging in such practices shall be fined heavily and will be asked to vacate or will be expelled from the hostel immediately without any refund of the hostel fees deposited by the student.
12. Acts of indiscipline, misbehavior, gambling or possession of weapons in the hostel premises including rooms shall be severely dealt with. A resident guilty of any of these violations shall be liable to expulsion or any other punishment deemed fit by the Institute.
13. The management will view any activity of the inmates observed to be seriously prejudicial and detrimental to the smooth and peaceful functioning of the Institute's hostel, disciplinary action will be taken against those found guilty.
14. Suggestion Box provided in the hostel to be opened every 15 days in the presence of Campus Administrator and Student representatives.
15. Before leaving the hostel, every resident shall obtain clearance from the Warden and personally hand over the charge of the room and hostel property to the concerned authority.
16. Making noise and/or creating other disturbances, including the use of electronic or radios, in such manner as to disturb others.
17. Acts of indiscipline, misbehavior, gambling, or possession of weapons in the hostel premises including room. A resident guilty of any of these violations shall be liable to expulsion or any other punishment deemed fit by the authorities. In case a student is expelled from the hostel his/her case for allotment of room in the hostel will only be considered after two semesters.
18. All the students of UG and PG Classes will have to wear the prescribed uniform while in the campus (during winter, University blazer is mandatory).

Visitors and Guests

1. All visitors must make an entry in the visitor's register at the security post and provide all details as requested by guard before entering the campus.
2. No guests shall be allowed to stay with the resident in the hostel.
3. A day scholar is not permitted to visit or stay in the hostel without permission of warden.

Anti-Ragging

As per the ruling of Honourable Supreme Court of India, ragging is a cognizable offence and banned in Abhilashi University. Those who are found guilty of participation in or abatement to ragging can be:

1. Suspended/Expelled from the University.
2. Rusticated from the University up-to two years.
3. Fine up to Rs. 25,000/-.
4. Face rigorous imprisonment up-to three years.

All necessary steps are taken by the University authorities to curb any incident(s) of ragging in the campus. The senior students are made to sign an undertaking that they will abstain from indulging in ragging. Anti-ragging committee and squads are formed in the University to keep a strict vigil over student activities in the campus. Surprise checks are carried out in the hostels from time to time to monitor the activities of students. Anti-ragging posters and banners are displayed at various locations on the campus to dissuade senior students from participating in menace of ragging. Each student of the University submit online undertaking not to indulge in any kind of ragging during his/her tenure in the University, on www.antiragging.in or www.amanmovement.org and provide references number to their School/Department.

Parking Facility

The University has a big parking area to provide space and protection to the two wheelers and four wheelers of the students and employees of the University.

Digital Library

Digital library has twenty four terminals with internet facility.

Computer Labs

In addition to separate computer facilities available in each department, there are two central computer laboratories well equipped with advanced computing systems to provide free internet access to all the students. The computers are of advanced configuration and latest software available for good training facilities. The entire campus is connected through internet facility. The multimedia computers in the campus provide a good facility for the students and employees and make a best quality learning and innovative teaching environment.

University Canteen

Canteen is the ideal place for the staff and the students to refresh after the busy classes schedule. Abhilashi University has a canteen being managed by a private party. University has provided the necessary infrastructure required for the canteen. Canteen is supervised by the University canteen committee. The canteen provides food and snacks to students and staff at nominal rates.

List of Students Placed in 2024

Sr. No	Year	Name of Student Placed	Course	Name of Employer/Company	Pay Package at Appointment (in INR/Annum)
1.	2023-24	Ambica Sood	B. Pharmacy	Macleods	1,14,000
2.	2023-24	Nikhil Rana	M. Pharmacy	Macleods	1,20,000
3.	2023-24	Rahul Sharma	M. Pharmacy	Macleods	1,20,000
4.	2023-24	Sachin Tripathi	B. Pharmacy	Macleods	1,14,000

Library

Books are the food for the students. Abhilashi University has a fully equipped library which runs on automated software. It is housed in its own building and located centrally in the campus. It feeds to all types of readers by getting issued the books whereas journals, magazines and copies of the articles are for consultation in the library. The University library is equipped with the text books, reference books and research journals of different subjects. Access to online journals is through INFLIBNET and DELNET. The new relevant books are being added to the library stock regularly. The regular timings of the library are extended as per the demands of the students. Abhilashi University is a member of 'National Digital Library of India' club (NDLI) so all the students and staff has access to about 4.6 crore books online. Another unit of library has been opened in the Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University). Library is opened from 10 am to 6 pm daily, except Sundays and national holidays. All the students, employees and authorities of the University are the members of the library.

Conference Hall and Seminar Hall

Abhilashi University has five conference halls and one multipurpose hall which are well equipped with modern facilities. They are used as per the needs of the students and staff members for various purposes like presentations and discussions. The academic life in Abhilashi University goes beyond the curriculum and for such activities a centrally located seminar hall is also available. It provides an ideal platform for guest lectures, seminar presentation for and by students, cultural and other functions of the University.

University Auditorium

University auditorium has seating capacity of 800 seats. The auditorium is equipped with all modern facilities with Dolby system. Different functions of the university are organized in this auditorium.

Wi-Fi Facility

The campus is equipped with Wi-Fi facility. Each student has access to internet through his/her id and password.

ERP

For the academics, accounting, examination and resource management the university has the software in ERP.

Sports Facility

Sports activities make the body healthy and strong. University provides sports facilities of both the types, indoors and outdoors games on the campus. There is big playground of 5,000 m² area.

Gymnasium

University has its well-equipped Gymnasium for the use of students and staff.

Extension Programme

Agriculture

Extension education is a two-way process. The School of Agriculture actively involved in extension programme and the farmers of the region are educated about the latest technologies in Agriculture. In order to achieve this, farmers training camps are held in the villages, farmers day depicting the latest technologies are organized at the campus through exhibitions, live exhibits, lectures from experts and entertaining the questions from participating farmers. In the reciprocal process, the experts visit farmer fields to study their problems first hand. The students, as a part of their course curriculum, visit farmers in the rural areas in the villages and acquaint themselves with their problems. In addition, the students go on educational tours to neighboring Agricultural Universities, Research centers and modern farms to acquaint themselves about the latest developments in the field of Agricultural Education.

Pharmacy

To facilitate the link between University and community various extension activities for the welfare of the society in large scale is regularly being conducted through its Pharmacy awareness programmes, providing knowledge on different medically important herbs and their uses and also provide platform in organizing regional and national level workshops, seminars, conferences, newsletters and symposia.

Abhilashi Ayurvedic College and Research Institute

Abhilashi Ayurvedic College and Research Institute is also carrying out the extension of Ayurvedic knowledge to public of the area by adopting village under "Swatch Bharat Mission". Further, the public is also made aware regarding hygiene, sanitation, preventive and precautionary treatment. Furthermore, monthly health camps, blood donation camps and ksharsutra camps for treating the piles patients are also being organized.

Entrepreneurship

Entrepreneurship is the activity of risk taking and deliberately allocating the resources to exploit opportunities in order to maximize the financial return. It is the process of risk taking and deal with uncertainty. In entrepreneurship we have to plan a good business model. The entrepreneurship leads to economic growth of the organization which is must for its sustainability. Abhilashi University is making efforts in the entrepreneurship as starting the agriculture farm for the supply of agricultural products, Pharmacy for medicinal products. An Ayurvedic Hospital at ChailChowk is already being run by the University.

Grievance Redressal Cells

To make into notice of any grievance of students and employees and its redressal in the University, cells have been constituted. These are: Women Grievances Redressal Cell, SC/ST Grievances Cell, Sikkim Students Grievances Cell and Students Grievance Cell. As per directions from the UGC, the university has appointed Ombudsperson for the redressal of grievances.

Annual Events at Abhilashi University

Abhilashi University organizes a variety of annual events to promote all-round development and active participation of students beyond academics:

1.Cultural Fest: A highlight of the academic year, the Cultural Fest is a student-driven event where participation is mandatory for all students. From planning to execution, every aspect is managed and organized by students, fostering leadership, teamwork, and creativity. Each student contributes approximately Rs. 2000 towards the event or as per mutually decided by the students.

2.Annual Sports Meet: Encouraging physical fitness and team spirit, the university hosts an Annual Sports Meet with various indoor and outdoor games. It is an opportunity for students to showcase their athletic talents and build camaraderie.

3.Educational Tours: Regular educational tours are organized to provide experiential learning and industry exposure, enhancing the practical understanding of academic concepts.

4.Seminars & Webinars: The university frequently conducts seminars and webinars featuring experts from academia and industry, helping students stay updated with the latest trends and research in their respective fields.

Jurisdiction
