At the outset, Prof. P. C. Sharma, Director, IQAC, presented a brief overview of the meeting and highlighted the key agenda items. He welcomed all the members present. With the approval of Chairperson, the agenda items were taken up for discussion.

Sr. No.	Agenda Item	Discussion	Decision
1.	Confirmation of the Action Taken Report of the Previous Meeting of the IQAC held on 29/11/2025	The Chairperson and members of the IQAC reviewed the progress of the previous meeting.	Approved by all members of IQAC
2.	Review of the AQAR 2024-25 for NAAC cycle-II	The progress of the Annual Quality Assurance Report (AQAR) for the year 2024-25 was reviewed, with a focus on ensuring data compilation and integration. For this each Criteria Head presented a status report on their respective domain, detailing the current stage of data collection and documentation. This structured review allowed the cell to identify potential gaps and establish a streamlined	It was unanimously approved by the IQAC members that all necessary efforts shall be undertaken to compile a comprehensive AQAR for the academic year 2024-25. The committee further resolved that all Criteria Heads must ensure the timely completion of data compilation and its proper integration in accordance with

		timeline for the completion of all NAAC-mandated criteria.	NAAC guidelines and address the identified gaps on priority if any. <b>(Action: Criteria Heads, NAAC)</b>
3.	Preparation for NIRF- 2026	In order to enhance the university's recognition under the NIRF framework, it is essential to initiate the systematic compilation of detailed data as required on the NIRF portal. All esteemed members are hereby advised to work diligently and contribute actively towards this process.	The agenda was approved and resolved to implement it and ensure its timely submission <b>Action: Dr. Ravinder, Nodal Officer, NIRF)</b>
4.	Facility enhancement and strengthening student support system	To promote the physical and mental well-being of students, it was discussed that the student support system should be further strengthened. It was also put before the members that adequate time must be incorporated into the academic timetable for wellness-related activities in the next academic year.	The agenda unanimously approved by the house for its effective implementation and execution. Deans are encouraged to introduce non-credit courses at diploma, UG, PG levels viz. Intellectual Property Rights (IPR), Indian Knowledge Systems (IKS), and other relevant courses to promote holistic and inclusive development. <b>(Action: Registrar and Concerned Deans)</b>
5.	Organisation of sensitisation program BAF-2026 for NAAC members	In view of the transition of all higher education institutions (HEI) towards the adoption of the Binary Accreditation Framework (BAF) 2026, it is considered necessary to organize a workshop for the Criteria Heads and associated members.	Understanding the sensitivity of the agenda, it was assured that necessary action would be taken once the policy is formally notified. <b>(Action: Director, IQAC)</b>
6.	Approval for the collection of the feedback from the stakeholders	Recognizing the importance of feedback, it is essential that it should be collected in a timely manner to facilitate continuous improvement and preparing the action plan.	Approved. <b>(Action: Director, IQAC)</b>
7.	To organise International Conference on Climate Smart Agriculture and Veterinary Solutions-Challenges and Opportunities	The exchange of ideas is essential in any academic community; therefore, organizing conferences in the near future is imperative to foster intellectual interaction and collaborative growth. To meet this School of Agriculture & School of Veterinary Sciences are going to organise this event.	Approved. <b>(Action: Dean, School of Agriculture &amp; Dean, School of Veterinary Sciences)</b>
8.	Revision of Academic Audit Committee (AAC)	Registrar, Dr. Kapil Kapoor suggested that there is a need to revise AAC.	Approved. <b>(Action: Director, IQAC)</b>
9.	Green Energy initiatives	To promote green energy and meet the university's energy requirements, a 100 KW solar power plant is proposed for installation.	The members appreciated and acknowledged the initiative. <b>(Action: Dean, Student Welfare)</b>

Any other item			
1.	Proposal to start new courses from next academic session	The University administration is planning to introduce a B.P.Ed. (Bachelor of Physical Education) degree program and to establish new units of the ITEP course from the next academic session.	The proposal accepted as presented.
2.	Proposal for Starting University's own multidisciplinary journal	Recognizing the growing need for a dedicated platform to promote and disseminate multidisciplinary research, it is proposed to establish and own a comprehensive multidisciplinary research journal.	The house approved the proposal as presented. (Action: Director Research and Associate Director Research)
3.	Review of existing research policy of the University	It was deliberated that the existing research policy of the University requires a comprehensive review. Accordingly, it was resolved that a standing committee be constituted to examine the policy and recommend necessary revision.	The proposal was approved as presented. (Action: Director Research and Associate Director Research)
4.	Effective use of ERP	The university has owned its ERP system and aims to ensure its optimum and effective utilization.	The proposal is approved by the esteemed members. (Action: Registrar's Office)
5.	Organizing Extension activities	To strengthen social responsibility, extension activities should be organized at regular intervals. This will enable the surrounding communities to benefit from the expertise and resources available within the university.	Approved. (Action: Concerned Deans)

The meeting ended with vote of thanks to and from the Chair.
